The Possibilities Of Order Cleanth Brooks And His Work:

The Possibilities of Order Lewis P. Simpson, 1976-01-01 Understanding Robert Penn Warren James A. Grimshaw, 2001

Grimshaw examines the writer's views about the primacy of self knowledge and explores the painful and arduous path his protagonists must follow to gain such knowledge and the interrelationship of his artistic endeavors which were woven together by common thematic concerns history time truth responsibility love hope and endurance Superfluous Southerners John J. Langdale, III, 2012-11-01

In *Superfluous Southerners* John J. Langdale III tells the story of traditionalist conservatism and its boundaries in twentieth century America. Because this time period encompasses both the rise of the modern conservative movement and the demise of southern regional distinctiveness it affords an ideal setting both for observing the potentiality of American conservatism and for understanding the fate of the traditionalist man of letters. Langdale uses the intellectual and literary histories of John Crowe Ransom, Donald Davidson and Allen Tate the three principal contributors to the Agrarian manifesto *I'll Take My Stand* and of their three most remarkable intellectual descendants Cleanth Brooks, Richard Weaver and Melvin Bradford to explore these issues. Langdale begins his study with some observations on the nature of American exceptionalism and the intrinsic barriers which it presents to the traditionalist conservative imagination. While works like Louis Menand's *The Metaphysical Club* have traced the origins of modern pragmatic liberalism during the late nineteenth century the nature of conservative thought in postbellum America remains less completely understood. Accordingly Langdale considers the origins of the New Humanism movement at the turn of the twentieth century then turning to the manner in which midwesterners Irving Babbitt and Paul Elmer Moore stirred the imagination of the southern Agrarians during the 1920s. After the publication of *I'll Take My Stand* in 1930 Agrarianism splintered into three distinct modes of traditionalist conservatism. John Crowe Ransom sought refuge in literary criticism, Donald Davidson in sectionalism and Allen Tate in an image of the religious wayfarer as a custodian of language. Langdale traces the expansion of these modes of traditionalism by succeeding generations of southerners. Following World War II Cleanth Brooks further refined the tradition of literary criticism while Richard Weaver elaborated the tradition of sectionalism. However both Brooks and Weaver distinctively furthered Tate's notion that the integrity of language remained the fundamental concern of traditionalist conservatism. Langdale concludes his study with a consideration of neoconservative opposition to M. E. Bradford's proposed 1980 nomination as head of the National Endowment for the Humanities and its significance for the southern man of letters in what was becoming postmodern and postsouthern America. Though the post World War II ascendance of neoconservatism drastically altered American intellectual history the descendants of traditionalism remained largely superfluous to this purportedly conservative revival which had far more in common with pragmatic liberalism than with normative conservatism *Literature of Tennessee* Ray Willbanks, 1984 **The Fugitive Legacy** Charlotte H. Beck, 2001-01-01

Previously the protagonists of John Crowe Ransom, Allen Tate, Donald Davidson and Robert

Penn Warren have received considerable scholarly attention only as individuals or in relation to small groups of close knit writers within single literary genres Now for the first time this far ranging group of accomplished writers is united as part of a larger phenomenon the Fugitive legacy which has extended its influence far beyond the parameters of southern literature In *The Fugitive Legacy* Charlotte H Beck demonstrates the strong influence of the Nashville Fugitives as teachers editors and mentors by examining the extraordinary impact on American letters of the critics poets and fiction writers whom they taught or sponsored By treating the careers of these brilliant authors as a single chapter in literary history Beck makes an invaluable contribution to the understanding of southern literature The cultural importance of the Fugitives has too often been confused with the narrow politics of Agrarianism and relegated to a reactionary piety for regionalism and dead tradition *The Fugitive Legacy* fills a void in southern literary theory by revealing the resounding echo of this group's voice in modern American literature

Drawing on a wide range of disciplines linguistics phenomenological analysis cultural anthropology media studies and intellectual history Walter J Ong offers a reasoned and sophisticated view of human consciousness different in many respects from that of structuralism The essays in *Interfaces of the Word* are grouped around the dialectically related themes of change or alienation and growth or integration Among the subjects Ong covers are the origins of speech in mother tongues the rise and final erosion of nonvernacular learned languages and the fictionalizing of audiences that is enforced by writing Other essays treat the idiom of African talking drums the ways new media interface with the old and the various connections between specific literary forms and shifts in media that register in the work of Shakespeare and Milton and in movements such as the New Criticism Ong also discusses the paradoxically nonliterary character of the Bible and the concerted blurring of fiction and actuality that marked much drama and narrative toward the close of the twentieth century **Selected**

Letters of Robert Penn Warren Robert Penn Warren, 2013-12-16 In the last decade of his life Robert Penn Warren remained a vibrant force in American literature producing new works of poetry and nonfiction while also dealing courageously with the gradual decline of his health and the diminishment of his poetic powers *Toward Sunset at a Great Height* 1980 1989 the sixth and final volume of the author's selected letters provides crucial documentation of this period containing Warren's correspondence with friends family fellow writers editors critics and the scholars studying his works Warren published several volumes of poetry including *Being Here* 1980 *Rumor Verified* 1981 and *Chief Joseph of the Nez Perce* 1983 and returned to nonfiction prose with *Jefferson Davis Gets His Citizenship Back* 1980 and the memoir *Portrait of a Father* 1988 His letters reveal that he tried to begin writing a novel but was unable to make substantial progress on it and that from 1985 on he became increasingly dissatisfied with his new poems Until his death at age eighty four however Warren maintained an active correspondence filled with news about his writings and travels accounts of the lives of his wife and children and a stoic attitude about his own physical decline as well as a solicitousness regarding the health of others such as his brother Thomas and sister Mary He communicated with rising young scholars and encouraged younger poets he admired *Toward Sunset at a Great Height* offers rich insights into the closing chapter of Robert Penn Warren's professional and personal life making it an essential resource for understanding the full scope of the author's contribution to American letters

Kakatiya Journal of English Studies , 1985 [Parnassus on the Mississippi](#) Thomas W. Cutrer, 1984-06-01 *Parnassus on the Mississippi* is a history of the short lived yet remarkable productive epoch when in the words of C Vann Woodward the center of the avant garde of American literary criticism shifted temporarily to the banks of the Mississippi at Baton Rouge Beginning with the establishment of the *Southern Review* at Louisiana State University in 1935 Baton Rouge became the

home not only to a brand of criticism that would reshape the teaching of literature in America but also to a community of scholars and artists that included Cleanth Brooks Robert Penn Warren Katherine Anne Porter Robert Lowell Jean Stafford and Peter Taylor Thomas Cutrer chronicles how the Southern Review created in the midst of the Depression by the largess of Louisiana governor Huey P Long quickly rose to the position of the finest American literary journal of its day Under the joint editorship of Cleanth Brooks and Robert Penn Warren the journal published criticism poetry and short fiction by writers as eminent as R P Blackmur Kenneth Burke T S Elliot and Wallace Stevens The editors also encouraged and published works by such young talented and at the time unknown writers as Nelson Algren Randall Jarrell Mary McCarthy and Eudora Welty During these same years Brooks and Warren collaborated on three textbooks An Approach to Literature Understanding Poetry and Understanding Fiction which would revolutionize college English by emphasizing the study of a literary work itself in concrete and precise terms over the study of the biographical historical and moral issues surrounding it Brooks also wrote his influential critical works Modern Poetry and Tradition and The Well Wrought Urn while Warren wrote two novels and some of his finest poems and stories and absorbed material from the political tumult around him for the work that would later become All the King s Men The stature of the Southern Review and the vitality of the literary community that it spawned were both to a great extent born of the dedication and creativity of Brooks and Warren but in other very tangible ways they were also by products of the ambition of Huey Long ironically it was the actions of one of the assassinated governor s loyalists that brought an end to Baton Rouge s time as a Parnassus After a financial scandal rocked the university a reform administration was appointed which in its zeal to curb a runaway budget stopped the funding for the review Soon after Brooks and Warren both left the faculty The Southern Review itself would lie dormant until its revival two decades later

Token Professionals and Master Critics James J. Sosnoski, 1994-03-08 This book addresses literary critics in mainstream institutions who though they vastly outnumber their colleagues in more prestigious institutions have little voice in the profession It examines the structures through which the institution of literary criticism pressures its members to accept orthodoxy heterodoxy as categories to describe their work which in turn provokes theory wars This opposition produces a method application dichotomy which renders members pursuits scientific **Robert Penn Warren's**

Modernist Spirituality Robert Steven Koppelman, 1995 Beginning with an overview of Warren s career as a Fugitive at Vanderbilt and then later as a formidable New Critic Koppelman argues that Warren s regard for the spiritual aesthetic of both literary language and form can be traced to his early study of poetic metaphor To illustrate Warren s mature vision Koppelman centers his study on two novels and two poetry collections All the King s Men A Place to Come To Promises Poems 1954 1956 and Now and Then Poems 1976 1978 He also examines the critical studies that concentrate on Warren s vision of time history and spiritual fulfillment as well as those essays by Warren that complement his poems and novels in such a way as to elicit the reader s participation in the redemption of their narrators
