That s just like a girl You don t need the old thing anyway I thought you hated it retorted Rob who did not fill the role of pleader Course Mammy Amy is way gone for a week to see her grandbaby I don't s pose I really need my pinafore either if I go The Lieutenant's small daughter hesitated to watch the effect of the words Rob apparently was not to be moved so she buried her pride and backed up to Johnny Please undo me she said calmly and the older boy struggled manfully with the holes and buttons I ll be right back guick as a wink and she flew over the drawbridge back to the fort her long hair and short dress blowing in the wind She hid the pinafore under her arm and when she reached the circle of the parade ground she sidled up to one of the great guns captured in the war and surreptitiously poked the gingham roll down its mouth Clothes were a necessary evil but sunbonnets and pinafores were the worst and most evil things of all and not to be endured when Mammy Amy was not around and the big show guns offered such a safe and charming hiding place It only needed coolness and care to accomplish the feat without detection Of course a thing once buried in the heart of one of the big guns was lost forever which was just as well thought Cary being one less to bother her since it was one thing to force the articles down into the big black mouths and another to extract the sunbonnets and pinafores even if she could have remembered which particular gun held which particular thing which she could never do She hurried back to the drawbridge and the sentry who adored every inch of the Post Baby stood at attention and saluted her with a twinkle in his eye as she passed him Cary slowed her walk and inclined her head graciously in greeting Good evenin Jones she said innocently Then she rejoined the boys To The Potter and the Clay, Vol. 8 Maud Howard Peterson, 2015-06-30 Excerpt from The Potter and be continue in this ebook the Clay Vol 8 A Romance of Today The comparatively unknown rendering of the verse from Rubaiyat of Omar Khayyam quoted on the succeeding page is to be found in the first edition of Fitzgerald's translation of the Persian poem About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www forgottenbooks com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works The Potter and the Clay ,2013 **Book Bulletin** Chicago Public Library, 1912 **Books Added** Chicago Public Library, 1916 Novels in English by Women, 1891-1920 Janet Grimes, Diva Daims, 1981 The Potter and **the Clay.
