I have spent the time and money to narrow down the correct marketing processes for any small business I have discovered after interviewing many small business clients. If there is not immediate success, the owner will change gears and try something else without ever really knowing if the marketing would have been a success. Be thorough, be consistent, and most of all, be patient. *The Art of Forgiveness* Nya Gathu, 2025-04-29. My story about finding happiness and the gift of forgiveness. In my story, I focus on two significant encounters because they set me on the path toward seeking happiness and forgiveness. However, I discovered other encounters in my life that also required forgiveness. As I share my story, don't be misled into thinking my life is filled with hardship or pain. On the contrary, my life has been rich with enchanting beautiful and wonderful encounters far more than I can recount here. Yet how we choose to react to one negative experience can overshadow the 99.9% of wonderful moments in our lives if we view everything through the lens of that single event. When I finally broke free from that perspective, I was able to fully experience all the beauty life had to offer 100% of it. This freedom came from the choice to forgive, commit to it, and decide how to react to negative energy. In the end, I'm grateful for those once painful experiences because they led me to forgiveness, healing, and thriving. At the conclusion of my story, I will share the process I used to achieve forgiveness. Be prepared though, true forgiveness isn't easy. It's a long, ongoing process and a lifelong practice. It's not a one-time event. However, after reading this book, I hope you too can find the freedom I discovered by releasing all the negativity that was holding you back and embracing positive outcomes. I let go of anger, bitterness, and resentment, replacing them with joy, happiness, and peace. My goal is to guide you on your own forgiveness journey to help you find the peace necessary for growth and thriving. Forgiveness is for you and is a powerful tool for your success. It allows you to reclaim power from those who hurt you, transforming what happened to you into something that works for you, and it all begins in your mind. I believe you cannot heal without forgiving, and you cannot grow without healing. So forgive, heal, grow, and thrive. *10 Lead Generation & Marketing Strategies That Every Small Business Owner Needs to Know!* Cynthia Samuels, 2015-04-06.
