Chapter 1 Milo's Dream Store In the middle of Dreamville near bright market stalls full of people laughing and talking stood a one of a kind shop Milo's Shop of Dreams was a wonderful place full of fun and magic As soon as you walked in the warm welcoming lights on the shelves full of bottles would make you feel right at home Milo the dream merchant made these strange bottles with great care His warm smile and loving eyes welcomed everyone who came into his beautiful country They were just dreams though Milo had a very special skill He can make many kinds of dreams from dangerous trips to faraway places to the soft comforting hug of a favorite memory Every dream was an original piece of art crammed into a single bottle and full of colors as bright and beautiful as a sunrise or as calm and peaceful as the sky at night Kids would put their faces up to the glass and look into the bottles with wide eyes as they watched the images move and swirl inside People of all ages missed the carefree and happy times of their childhood and remembered goals and ideals they had forgotten Every customer could find a little bit of happiness to take home in the store It wasn't just a place to buy dreams Milo thinks that everyone should be able to dream and get away from the stresses of regular life to have fun and be creative He put a lot of love and care into each dream making sure that the person who had it would find everything they needed Milo's dreams could come true even if it was just for one night The thrill of flying the adventure of finding kingdoms under the sea or just the simple pleasure of hanging out with friends could be these pictures That being said something amazing happened one night Just as the stars lit up Dreamville in a beautiful way Milo found something that would change the way he saw dreams forever He had never seen anything like the light that was shining from one strange bottle My dream was filled with a strange energy that moved and changed colors like the northern lights Milo knew that this wasn't a normal dream so he paid close attention to it It was an exciting call and a promise of a trip he had never taken before When Milo held the bottle in his hands he could feel its magic It spoke of unknown worlds and old secrets This dream had the power to change reality showing Milo things he could never have imagined Milo took a deep breath and jumped ahead of faith getting ready for an adventure that would take him out of his shop and into the dream itself What kinds of riddles would he solve How hard could things get for him One thing was certain Milo's life and the lives of those around him were about to go

through huge changes that no one could have imagined Chapter 2 The mysterious sight Because he was so eager to figure out what the dream meant Milo had a hard time falling asleep When he closed his eyes the dream got clearer There were lights swirling in beautiful patterns that made him feel like he was in another world In the blink of an eye Milo was taken from his comfortable room to a world full of magic and colors that almost sang What he saw and pictured was completely different from anything else he had ever seen or thought of In this world rivers flowed with clear ancient sounds trees spoke languages that were long gone and the sky was full of stars that sparkled like jewels Milo was aware that the normal rules did not apply to this strange world He could now do things he had only dreamed of before With the thought of a thought he could fly through the clouds and feel the wind blowing past him He could also make flowers grow their petals spreading out in a burst of color and smell He saw amazing things everywhere he turned like crystal towns that gave off an inner light woods full of strange animals and mountains that reached up to the sky It was a world where things that seemed impossible happened all the time not just reasonable theories As Milo looked into this dream some more he felt a rush of excitement and freedom he had never felt before His fears and limits in Dreamville seemed to have been replaced by an open ended desire to explore and find new things He met beings of light and shadow who told him stories and taught him things This showed him that there are mysteries waiting to be solved everywhere in the world Milo s heart kept beating faster with each step and his mind grew in ways he never thought possible
