Words of Love Volume 2 PB J. Wayne McKamie, 2018-07-04 This is the second of multiple volumes we plan to publish if the Lord is willing As I began listening to the sermons and reading the transcripts for this volume I began to realize the practicality and the focus of Wayne as he challenges his hearers to think and to consider their actions along life's pathway Wayne has a way of always challenging his audience I believe all who will read the sermons in this book will find many nuggets of spiritual nourishment and find themselves facing serious spiritual questions in living for Jesus Christ The messages are truly inspiring [The Concept of Eternal Life in the Gospel According to Saint John](#) Father Damian Bryan Lyons, 1938 *The 2025 Canterbury Preacher's Companion* Catherine Williams, 2024-05-31 This longstanding annual favourite brings a wide variety of preaching voices together to offer a resource for preaching at the principal and the second service for which preaching resources are scarce every Sunday of the coming year plus on principal feast days and seasonal services Ideal for preachers wherever the 3 year lectionary is used it also includes sermons for holy days major saints days and special occasions such as Mothering Sunday harvest rogation and Christmas services Hymn suggestions are provided throughout It also includes an introductory essay to help build preachers skills and confidence this year by Mark Oakley If preparation time is short the sermons are complete and can be used as they are but they will also act as a springboard or framework for creating your own sermon texts A boon for hard pressed clergy readers and local preachers everywhere

Jesus and the Powers N. T. Wright, Michael F. Bird, 2024-03-26 An urgent call for Christians everywhere to explore the nature of the kingdom amid the political upheaval of our day Should Christians be politically withdrawn avoiding participation in politics to maintain their prophetic voice and to keep from being used as political pawns Or should Christians be actively involved seeking to utilize political systems to control the levers of power In *Jesus and the Powers* N T Wright and Michael F Bird call Christians everywhere to discern the nature of Christian witness in fractured political environments In an age of ascending autocracies in a time of fear and fragmentation amid carnage and crises Jesus is king and Jesus's kingdom remains the object of the church's witness and work Part political theology part

biblical overview and part church history this book argues that building for Jesus's kingdom requires confronting empire in all its forms This approach should orient Christians toward a form of political engagement that contributes to free democratic societies and vigorously opposes political schemes based on autocracy and nationalism Throughout Wright and Bird reflect on the relevance of this kingdom oriented approach to current events including the Russian Ukraine conflict the China Taiwan tension political turmoil in the USA UK and Australia and the problem of Christian nationalism **New Hope** ,1998
