Mettling, David Cusic, Ryan Mettling, 2024-10-12 Features of Performance Programs Company's Texas Real Estate License Exam Prep TX RELEP National Principles Law Key Point Review 60 pages Real Estate Math Key Formula Review Practice 17 pages Texas Specific Laws and Practices 42 pages National Practice Tests 500 questions Texas Practice Tests 125 questions Texas Sample Exam 100 questions We know the real estate licensing exam can be tough and very nerve wracking to prepare for That's why we created the Texas Real Estate License Exam Prep TX RELEP the way we did Since we have been managing real estate schools and developing curriculum for forty years we know how all this works or fails to work TX RELEP is comprehensive in that it contains both key content review and testing practice And the text review is Texas specific not just simplistic national content but terse relevant and accurate Texas laws and regulations presented as a well organized set of state key point reviews ideal for pre test memorization But let's not dismiss the importance of the national content either TX RELEP's national key point reviews are a succinct compression of tested national principles and practices that comprise the national portion of state license exams from coast to coast Our content is drawn from our own national textbook Principles of Real Estate Practice one of the most widely used principles textbooks in the country Finally our national content as well as our question selection is further tailored to the state testing outline promulgated by Pearson Vue for Texas Thus the breadth and depth of the law reviews and test questions reflect the topic emphasis of your state's testing service and your Texas license exam A word about the test questions TX RELEP's testing practice section consists of ten national practice tests six state practice tests and one state exam sample test The practice tests are roughly 50 questions in length and the sample test is 100 questions The test questions are designed to cover the content covered by the law reviews which reinforces your

learning of the total body of information tested by your Texas exam The questions are direct to the point and designed to test your understanding When you have completed a given test you can check your answers against the answer key in the appendix You may also note that each question s answer is accompanied by a brief explanation or rationale to further reinforce your understanding In the end as you know it s all up to you Unlike other publications we are not going to tell you that using this book will guarantee that you pass your state exam It still takes hard work and study to pass But we have done our best here to get you ready Following that the most we can do is wish you the best of success in taking and passing your Texas real estate exam So good luck For students looking for a more comprehensive Texas Principles I II textbook we publish *Principles of Real Estate Practice in Texas* ABA Journal ,1964-12 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association

Willis,2022-11-07 This book is a pragmatic and creative approach to legal and asset protection issues faced by investors in Texas real estate particularly investors in residential and smaller commercial properties It is not intended to be a textbook or comprehensive academic treatise Rather it contains practical perspectives and techniques developed over the years in the course of advising and representing investors Since there are usually as many opinions as there are lawyers in a room it should be no surprise if other lawyers disagree with at least some of my conclusions In response I would point out that there is nothing theoretical in this book Every strategy I describe has been tried and has succeeded in the real world Having said that every reader should consult his or her attorney prior to implementing any of my suggestions in order to insure compatibility with individual circumstances Business plans vary and so do investments and asset protection strategies This book does not offer legal guidance to any particular person with regard to any particular case Note also that the law changes and evolves often rapidly While cases and statutes are cited in this book the reader should do independent research to ascertain the current status of the law before relying on any of these citations If you are a real estate investor who owns or aspires to own 10 20 or 50 or more properties then you should consider reading this book If you use creative methods such as wraparounds and subject to transactions then you may find this volume very useful indeed However if your goal is to

assemble an international consortium to purchase Rockefeller Center or Trump Tower then this is probably not the volume for you All real estate investors should form the habit of doing thorough due diligence prior to investing in real estate This includes consulting attorneys accountants insurance advisors and other qualified professionals on overall methods and goals as well as specific transactions Every investor should have a team of seasoned professionals available to answer questions offer input and provide customized services A professional investor will also acquire a basic level of competence in searching and obtaining information and copies from real property and appraisal district records On the subject of transactional documentation I urge readers to avoid most standard forms especially those obtained from the Internet except for contracts and addenda promulgated by the Texas Real Estate Commission and the Texas Association of Realtors Consider all others suspect Lastly it has been my experience that good ethics make for good business Avoid any transaction that even hints of fraud or deception If it appears too good to be true it probably is I welcome comments and criticism I can most easily be reached by email at LoneStarLandLaw aol com David J Willis David J Willis 30 years experience in Texas transactions and litigation Board Certified Residential Real Estate Law TBLS Board Certified Commercial Real Estate Law TBLS AV rated for ethical standards and professional ability Two law degrees J D and LL M Former adjunct law professor Licensed Texas real estate broker Listed as one of Texas Top Rated Lawyers by Law com Keywords Real Estate Law Texas Asset Protection Texas Real Estate Investors LLC Formation Texas Nevada Lawyer Willis Legal
