**Landscapes** Frances Swyripa,2010-09-01 Storied Landscapes is a beautifully written sweeping examination of the evolving identity of major ethno religious immigrant groups in the Canadian West Viewed through the lens of attachment to the soil and specific place and through the eyes of both the immigrant generation and its descendants the book compares the settlement experiences of Ukrainians Mennonites Icelanders Doukhobors Germans Poles Romanians Jews Finns Swedes Norwegians and Danes It reveals how each group s sense of identity was shaped by a complex interplay of physical and emotional ties to land and place and how that sense of belonging influenced and was influenced by relationships not only within the prairies and the Canadian nation state but also with the homeland and its extended diaspora Through a close study of myths symbols commemorative traditions and landmarks Storied Landscapes boldly asserts the inseparability of ethnicity and religion both to defining the prairie region and to understanding the Canadian nation building project

**Comprehensive Calendar of Bicentennial Events** American Revolution Bicentennial Administration,1976-06

**Barnstorming the Prairies** Jason Weems,2015-12-29 To Midwesterners tucked into small towns or farms early in the twentieth century the landscape of the American heartland reached the horizon and then imagination had to provide what lay beyond But when aviation took off and scenes of the Midwest were no longer earthbound the Midwestern landscape was transformed and with it Jason Weems suggests in this book the very idea of the Midwest itself Barnstorming the Prairies offers a panoramic vista of the transformative nature and power of the aerial vision that remade the Midwest in the wake of the airplane This new perspective from above enabled Americans to conceptualize the region as something other than isolated and unchanging and to see it instead as a dynamic space where people worked to harmonize the core traditions of America s agrarian character with the more abstract forms of twentieth century modernity In the maps and aerial survey photography of the Midwest as well as the painting cinema animation and suburban landscapes that arose through flight Weems also finds a different and provocative view of modernity in the making In representations of the Midwest from Grant Wood s iconic images to the Prairie style of Frank Lloyd Wright to the design of greenbelt suburbs Weems reveals aerial vision s fundamental contribution to regional identity to Midwesternness as we understand it Reading comparatively across these images Weems explores how the cognitive and perceptual practices of aerial vision helped to resymbolize the Midwestern landscape amid the technological change and social uncertainty of the early twentieth century
