The Prairie Rider Cantos:

The Prairie Rider Cantos Ronald Vierling, 1974 *Holocaust Theater* Gene A. Plunka, 2017-12-22 Facts about the Holocaust are one way of learning about its devastating impact but presenting personal manifestations of trauma can be more effective than citing statistics Holocaust Theater addresses a selection of contemporary plays about the Holocaust examining how collective and individual trauma is represented in dramatic texts and considering the ways in which spectators might be swayed viscerally intellectually and emotionally by witnessing such representations onstage Drawing on interviews with a number of the playwrights alongside psychoanalytic studies of survivor trauma this volume seeks to foster understanding of the traumatic effects of the Holocaust on subsequent generations Holocaust Theater offers a vital account of theater's capacity to represent the effects of Holocaust trauma Catalog of Copyright Entries. Schein's tales ask us to reconsider what it means to live and to die to be simultaneously a creature of magic and the mundane of the extraordinary and the all too ordinary. The result is a delicate but potent collection of alluring fables for the modern reader recalling classical stories and myths of days long past and asking once more the questions that continue to haunt us. This expanded edition adds three new fables not included in the original edition as well as new illustrations for all eleven stories from artist Jonathan Hannah. Riding Like the Wind, Iris Jamahl Dunkle, 2024-10-15. This saga of a writer done dirty resurrects the silenced voice of Sanora Babb, peerless author of midcentury American literature. In 1939 when John Steinbeck's *The Grapes of Wrath* was published, it became an instant bestseller and a prevailing narrative in the nation's collective imagination of the era. But it also stopped the publication of another important novel, silencing a gifted writer who was more intimately connected to the true experiences of Dust Bowl migrants. In *Riding Like the Wind*, renowned biographer Iris Jamahl Dunkle revives the groundbreaking voice of Sanora Babb. Dunkle follows Babb from her impoverished childhood in eastern Colorado to California. There she befriended the era's literati, including Ray Bradbury and Ralph Ellison, entered into an illegal marriage, and was blacklisted by the House Un-American Activities Committee. It was Babb's field notes and oral histories of migrant farmworkers that Steinbeck relied on to write his novel. But this is not merely a saga of literary usurping on her own merits; Babb's impact was profound. Her life and work feature heavily in Ken Burns's award-winning documentary *The Dust Bowl* and inspired Kristin Hannah in her bestseller *The Four Winds*. *Riding Like the Wind* reminds us with fresh awareness that the stories we know and who tells them can change the way we remember history.
