The Prayers I Love:

The Prayers and Meditations of St. Anselm with the Proslogion Anselm, 2006-06-29 Mostly written between 1070 and 1080 before he became Archbishop of Canterbury the prayers and meditations of Anselm of Aosta created a tradition of intimate intensely personal devotional works written in subtle and theologically daring prose While the Prayer to God is based on the Lord's Prayer the Prayer to Christ is inspired by ardent private emotion and other prayers invest saints with individual attributes with John the Baptist as the friend Peter as the shepherd and Mary Magdalene as the forgiving lover among many others The meditations include a searching exploration of the state of the soul and a lament on the loss of purity and the Proslogion discusses the mysteries of faith With their bright imagery beautiful language and highly original thought the works of Anselm have secured a lasting place in both religious and secular literature THE PRAYERS OF SURVIVAL Kwabena Osei, 2014-10-03 This prayer book the prayers of survival will eradicate all your fears It will empower you to gain self confidence Just say a prayer Prayer is the only combatant force against the secret wars waged against us by the power of darkness and its human agents The great father of all whose loving kindness endures forever the most gracious and ever merciful one never shuts the door behind us The Heaven door is widely open for us The mighty forces who are obedient to the Holy one with the true identity from the Master of Creation with unconditional love are always ready to come to our aid for our rescue in all tribulations The prayers of survival will be of much help for spiritual growth They will let you be by thyself know thyself and you will not need any intermediary between you and your Great father the Merciful and the most Gracious one Again the prayers will assist you to find the authentic path to reach our Creator God without depending on any human being Man is created authentic Human beings are God's noble Creatures We must bow and shower praises and thanksgiving only to the Great God of Creation It is a curse to depend on your fellow human being The power and the key to your noblest destiny is in your own hands Just live courageously to explore it It is your birth's right It is not far away from you You possess it It is a matter of discovering yourself within the Great Universal Light And Nature will dance with you You will hear when Nature talks to you The mysteries of Nature will be unveiled to you Your days will be of surprises and miracles Definitely the living Hell into which you are condemned will be transformed into a great and an absolute paradise with perfect peace and everlasting prosperity May the Ultimate Source of the Power of Creation guide and endow us with Wisdom to liberate ourselves from mental slavery To enable us know ourselves be divine and to be permanent dwellers and dancers in the Great Universal Light Amen Amen Amen **The Prayers of St. Paul** W. H. Griffith Thomas, 2022-08-16 In The Prayers of St Paul W H Griffith Thomas meticulously examines the apostle Paul's prayers as recorded in the New Testament revealing their theological depth and practical application for contemporary believers Thomas employs a scholarly yet accessible style blending exegesis with personal reflection to illuminate Paul's profound relationship with God Through careful analysis of the original Greek texts he contextualizes these prayers within the early Christian community exploring their implications for

faith and empowerment thus enriching our understanding of prayer as a spiritual discipline in a modern context W H Griffith Thomas was a respected theologian educator and influential leader in the early twentieth century His expertise in biblical studies and his commitment to fostering a deeper relationship with God through prayer inspired this work Having contributed significantly to Anglican theology and biblical interpretation Thomas s own spiritual journey emphasizes the significance of prayer making him a fitting scholar to delve into the intricate layers of Paul s supplications For readers seeking a thoughtful exploration of biblical prayer *The Prayers of St Paul* is a compelling resource It appeals not only to students of theology but also to practitioners looking for a deeper communion with the Divine This book is sure to inspire and challenge readers to enrich their own prayer lives through the insights of St Paul *Romantic Prayer* Christopher Stokes,2021-01-21 Whilst religion and the secular have been continually debated contexts for literature of the Romantic era the dominant scholarly focus has been on doctrines and denominations In analysing the motif of devotion *Romantic Prayer* shifts attention to the quintessential articulation of religion as lived experience as practice and as a performative rather than descriptive phenomenon In an era when the tenability and rationality of prayer was much contested poetry a form with its own interlinked history with prayer was a unique place to register what prayer meant in modernity This study illustrates how the discourse of prayer continually intervened in the way that poetic practices evolved and responded to the religious and secular questions of the eighteenth and nineteenth century moment After laying out the details of prayer s historical position in the Romantic era across a spread of religious traditions *Romantic Prayer* turns to a range of writers from the identifiably religious to the staunchly sceptical William Cowper and Anna Letitia Barbauld are shown to use poetry to reflect and reinvent the ideals of prayer inherited from their own denominational histories Samuel Taylor Coleridge s work is analysed as part of a long engagement with the rationality of prayer culminating in an explicit philosophy of prayer William Wordsworth by contrast keeps prayer at an aesthetic distance continually alluding to prayerful language but rarely committing to devotional voice itself John Keats Percy Bysshe Shelley and Lord Byron are treated in the context of departing from Christianity under the influence of Enlightenment materialist and atheist critiques what happens to prayer in poetry when prayer as a language traditionally conceived is becoming impossible to maintain *40 Days Through the Prayers of Jesus* Tim Cameron,2017 A forty day journey to intimately understand the prayers of Jesus and help you apply them practically to your prayer life in order to grow in your relationship with God As you examine the times Jesus prayed in Scripture you will learn how to avoid the hindrances to prayer and how to pray so you get answers Through this forty day journey you also will discover How prayer opens us to the power of the Holy Spirit Why people don t pray The importance of the Word in prayer The first and most important step in prayer The power of praying as a child does What Christ prayed for How to pray when God does not meet your expectations ***The Prayers of St. Paul. Faith Daniel Owusu Yeboah,2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for and power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book The Prayer of Faith Praying with Hope is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the least we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on

Mother Teresa's General Letters to Her Sisters is a collection of Mother Teresa's circular letters to the members of her religious congregation the Missionaries of Charity Sisters. Not intended for those outside her community, they were written informally and spontaneously, often with little editing. It was for Mother Teresa a way of being present to the members of her rapidly expanding religious order. Seemingly of little interest except for those to whom they were addressed, the letters reveal the spiritual depth and pragmatic leadership of one of the most popular modern saints as well as the inner dynamics underlying one of the most flourishing religious congregations of the last century. At the same time, and perhaps surprisingly, these letters may also prove to be worthwhile reading for a wider audience. Something of God's wisdom and love seems to shine through Mother Teresa's guidance and counsels, giving the reader light and help even though he or she is not living the same religious life as one of the Sisters. Mother Teresa's unpolished statements are at times humble and at times humbling. They inspire confidence and encourage generosity. Many a time they are humorous but more often challenging. They are sprinkled with serene joy but also permeated with deep pain. She delighted in her Sisters' accomplishments yet did not shy away from correcting even the smallest flaw which didn't escape her very observant eye. Sometimes she sounded just like a mother full of tender loving care and at other times more like a commander in chief exhibiting an iron will and uncompromising determination. In either case, her followers seemed to have been drawn into the mystery of her charisma, endeavoring to keep pace with her. Was it the attraction of what could be termed as her leadership style in the unrelenting service of the poorest of the poor, or the perceived love of a mother's heart that made her so unanimously loved and admired by the members of her congregation? Or was it both? The letters will reveal the answer. Inspiring in their simplicity, the letters may well serve as a treasure trove where anyone, from a reflective scholar to a caring mother of a family, may find satisfaction for their spiritual palate. The attractiveness of perennial truth often makes Mother Teresa's presentation of traditional spiritual themes likewise relevant for contemporary needs. In the context of Mother Teresa's statement that we are created for greater things, to love and to be loved, these letters will help the reader discover and experience God's presence through the little miracles of His love in one's daily life. They will inspire us to put our love into living action, sharing His love with all those we meet and so make our lives something beautiful for God. [This Little Light of Mine](#)
