The Predator The Terrible Things One Young Victim Learned In Prison:

When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars *Things the Preachers Don't Tell You* Delores Glass, 2022-08-01 [_____](#) There are literally thousands of religions practiced in the world today including astounding 47 000 denominations within Christianity alone They all claim to have the truth according their individual practices beliefs doctrines and rituals but are they all acceptable to the CREATOR the Almighty GOD of the universe The initial question of course is Does GOD really exist And if HE does exist are all forms of worship acceptable to HIM THINGS THE PREACHERS DON T TELL YOU directs attention to the Judeo Christian Bible for the answers and in its pages the creation of the universe and the miracle of life on earth testifies to the existence of GOD Romans 1 20 So the first part of the question is answered from both biblical and scientific perspectives GOD authored the first 5 of the 39 Old Testament books of the Judeo Christian Bible and gave them to us as the roadmap back to the precious gift of everlasting life that our forefather Adam forfeited at the very beginning of the world Acceptable worship is made clear through the writings of men inspired by HIM throughout the entire Bible Within the first 39 books of the Bible s 66 books GOD tells us 6 823 times that HIS name is YHWH YAHWEH and explains what HE expects of those who hope to gain everlasting life Unfortunately religionists have obscured HIS message by teaching that the Bible s mandates do not apply today especially those contained in the first 5 books Preachers dismiss the Bible s warnings and notoriously teach their

own watered down dogma as biblical fact Many religious leaders have become motivational speakers who make people feel good by teaching that GOD is an all loving Big Daddy in the sky who will easily overlook their error These preachers completely dismiss the majesty of YAHWEH and the seriousness of HIS mandates also often using religion for personal financial gain For those who are taught that the Bible especially the Old Testament does not apply today GOD reminds us that HE does not change Numbers 23 19 James 1 17 regardless the political corrections that modern day preachers have given to HIM and HIS word THINGS THE PREACHERS DON T TELL YOU points to what the Bible says about Free Will Repentance Revenge Forgiveness Justice Yahweh and Yashua who are they The First Mandate and What happened after Christ It explains the parallel between the Old and New Testaments showing Christ s role in the Old Testament prophecies and how those prophecies will be completely fulfilled at world s end It shows how Satan figures into the picture and you may be surprised to learn how Satan has used organized religion i e the preachers to lead mankind away from Yahweh You will also learn how the death penalty will be done away with for those who love YAHWEH Take the time to consider what you believe and why The scripture advises us to Make sure of all things and hold fast to what is fine 1 Thessalonians 5 21 NWT because This means everlasting life their taking in knowledge of you the only true God and the one whom you sent Jesus Christ John 17 3 NWT

Letter to the Predator Elizabeth Allred,2024-11-15 It was 3 30 a m My brain would not stop its thinking processes The circular argument of supported finding versus unsupported finding evidence or opinion continued to scream its awareness into my desire for sleep I had not had a full undisturbed eight hours of sleep in twenty years Well not without double digits of melatonin milligrams I do my best thinking when my thinking doesn t stop I was tired of watching one child abuser after another get little to no consequence for destroying the futures of so many innocent victims I felt more and more infuriated after learning a case investigated with solid evidence had charges negotiated and pled down to little or no jail time Child abuse in Utah is a misdemeanor Animal abuse is a felony Every case a CPS worker in this state gets starts out at a disadvantage to the victim with the perpetrator given a head start to reoffend CPS caseworkers and law enforcement officers work together to protect these children only to have our state targeted by sex

traffickers and child abusers because they know that if they get caught the chances of a light to no sentence are a reality After grabbing my phone and allowing the blue light to reawaken my eyes from what my brain was already fighting against I jotted down this little number I immediately felt resolved After thirty minutes of finger fighting the small keyboard on my phone the result was the warning I wanted No I needed every predator to know I was coming and I was coming for them And if I couldn't sleep they shouldn't think they could either Targeting the Nation's Youth Bruce J. Major changes on what we teach kids are taking place from white privilege to subliminal racism from gender studies in the first grade to the decimation of biological sciences in high school from the reordering of American history to the rethinking of American core social cultural and political values from the compulsory study of social justice principles to the dismissal of free speech the nuclear family and American sovereignty as outdated outmoded and out of touch This book delves into what is being taught in schools today and why *The Michael Burge Story* Albert Schriber, 2025-08-02 Inside the walls of Angola State Penitentiary survival isn't about rehabilitation It's about becoming someone you never intended to be Michael Burge entered the system as a broken young man shaped by childhood abuse and street violence He emerged as Iron Mike a figure both feared and respected in one of America's most notorious prisons This true crime account follows Burge's transformation from a neglected child to a hardened survivor revealing how the very institutions meant to reform can instead destroy Through intimate details of prison hierarchy unwritten codes of conduct and the constant threat of violence Albert Schriber exposes the brutal reality of life behind bars When a violent incident leads to murder charges Burge faces a legal system that seems more interested in punishment than understanding the circumstances that created him This isn't a story of redemption but a stark warning about what happens when society locks people away without addressing the trauma that made them criminals in the first place When the system breeds the very violence it claims to prevent who bears responsibility **30**

Locking Up Our Own James Forman, Jr., 2017-04-18. Winner of the Pulitzer Prize for General Non Fiction. Long listed for the National Book Award, Los Angeles Times Book Prizes Finalist, New York Times Book Review's 10 Best Books of the Year. A beautiful book written so well that it gives us the origins and consequences of where we are. I can see why the Pulitzer prize was awarded. Trevor Noah, *The Daily Show*. Former public defender James Forman Jr is a leading critic of mass incarceration and its disproportionate impact on people of color. In *Locking Up Our Own*, he seeks to understand the war on crime that began in the 1970s and why it was supported by many African American leaders in the nation's urban centers. Forman shows us that the first substantial cohort of black mayors, judges, and police chiefs took office amid a surge in crime and drug addiction. Many prominent black officials, including Washington D.C. mayor Marion Barry and federal prosecutor Eric Holder, feared that the gains of the civil rights movement were being undermined by lawlessness and thus embraced tough on crime measures, including longer sentences and aggressive police tactics. In the face of skyrocketing murder rates and the proliferation of open air drug markets, they believed they had no choice. But the policies they adopted would have devastating consequences for residents of poor black neighborhoods. A former D.C. public defender, Forman tells riveting stories of politicians, community activists, police officers, defendants, and crime victims. He writes with compassion about individuals trapped in terrible dilemmas, from the men and women he represented in court to officials struggling to respond to a public safety emergency. *Locking Up Our Own* enriches our understanding of why our society became so punitive and offers
