**Jesus and the Old Testament Roots of the Priesthood** John Bergsma, 2021-01-29 Is there anything in the New Testament about the need for priests in the Church Many Protestants would argue no And if you point out that there is a priesthood in the Old Testament they are likely to say it was a feature of the Old Covenant that was undone by Christ How should a Catholic respond In *Jesus and the Old Testament Roots of the Priesthood* biblical scholar John Bergsma convinces readers that Jesus did in fact intend for a ministerial priesthood to be a key feature of the New Covenant Bergsma shows how the priesthood is a major thread holding together the biblical story line beginning with Adam's loss of the gift of priesthood in the Fall and the long process of restoring his descendants to a priestly status over the centuries culminating with Christ With chapter summaries and discussion questions included *Jesus and the Old Testament Roots of the Priesthood* can readily be adapted into a four part study for personal or small group use

*The Priesthood of All Believers and the Missio Dei* Henry Joseph Voss, 2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine's canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer's eschatological temple service and offering of spiritual sacrifices chapters 1-3 It secondly describes its catholic development by examining three paradigmatic shifts especially associated with Christendom chapters 4-6 and a suppression of the doctrine's missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord's Supper as the renewal of the royal priesthood
