The Prime Ministers Papers Series We Gladstone Iv Autobiographical Memoranda 1868 1894:

W.E. Gladstone: Autobiographical memoranda, 1868-1894 William Ewart Gladstone,1981 Gladstone Michael Partridge,2003 A new survey of Gladstone s life and career placing him firmly in the context of nineteenth century Britain and covering both his intriguing private life and his public career *Aristocratic Women and Political Society in Victorian Britain* K. D. Reynolds,1998 This is a study of gender and power in Victorian Britain It examines the contribution made by women to the public culture of the British aristocracy in the nineteenth century It challenges the view that power and authority were predominantly masculine attributes and shows that a partnership of authority between men and women was integral to aristocratic life The book is thus an important addition to the debate on separate spheres Dr Reynolds explores the roles of aristocratic women in estate management patronage of churches and schools and in caring for the poor and other dependants She shows how women were at the heart of the local communities and institutions on which aristocratic power was based The book goes on to discuss the realm of national politics analysing women s participation in the electoral process in Westminster based political life and at Queen Victoria s court Based on a wide range of previously unused archival sources *Aristocratic Women and Political Society* presents a lively portrait of women s experiences and a corrective to the view of the upper class Victorian woman as a passive social butterfly *W. E. Gladstone: Autobiographical memoranda, 1868-1894, edited by J. Brooke and M. Sorensen* William Ewart Gladstone,1971 Prime Ministers' Papers Series - W.E. Gladstone - V.4 - Autobiographical Memoranda 1868-1894 Great Britain. Royal Commission on Historical Manuscripts,M. Sorensen,J. Brooke,1972 **Gladstone** E J Feuchtwanger,1989-02-22 First published in 1975 this remains the only biography based on recent scholarship dealing with the whole of Gladstone s long life thoroughly competent and well proportioned Enoch Powell Books and Bookmen balanced and judicious this biography qualifies as a model of synthesis that manages adeptly at every stage to distinguish between Gladstone as he conceived of himself and as he appeared to the multitudes who worshipped him Stephen Koss Observer *Lord Salisbury and Nationality in the East* Shih-tsung Wang,2019-06-07 This study explains how Salisbury viewed cultural conflicts between the East and the West how he treated Oriental nationality and nationalist aspirations in British dominions in the East and how he directed British policy in the Eastern world in a time when the Western Powers were plunging into a struggle for spheres of predominance In pursuit of British imperial interests Salisbury was outwardly determined but acutely aware of the inherent moral conflicts He understood that the expansion of Europe was inevitable but taking into account the rights and feelings of the Eastern nations he endeavoured to reduce his country s impact on the peoples subjected to British control Hence his preference for the generally peaceful invasion effected by informal empire Following an introductory discussion on Salisbury s ideas and policy particularly in the light of his treatment of nationality this research investigates his record in India Turkey Egypt and China to argue for a strikingly sympathetic attitude in his dealings with Eastern nationalities While it is a truism to say that British imperialism was coloured by

Christian beliefs and liberal principles it has not yet been appreciated how far Salisbury succeeded in reconciling the moral and practical demands of Western civilization upon itself with the requirements of power **'Only Connect'** William C. Lubenow, 2015 In nineteenth century Britain learned societies and clubs became contested sites in which a new kind of identity was created the charisma and persona of the scholar of the intellectual *English Archives* Richard Olney, 2023-02-15 England is remarkable for the wealth and variety of its archival heritage the records created and preserved by institutions organisations and individuals This is the first book to treat the history of English records creation and record keeping from the perspective of the archives themselves Beginning in the early Middle Ages and ending in modern times it draws on the author's extensive knowledge and experience as both archivist and historian and presents the subject in a very readable and lively way Some archives notably those of government and the Established Church have remarkably continuous histories But all have suffered over time from periods of neglect and decay and some have come to sudden and violent ends Among the destructive episodes discussed in the book are the Viking raids of the Anglo Saxon period the Norman Conquest the Peasants Revolt the dissolution of the monasteries and the bombing raids of the Second World War Archivists and historians have a shared interest in the protection and study of the country's surviving records This book has been written for members of both professions but also for every reader who cares about the preservation of England's past The Two Mr. Gladstones Travis L. Crosby, 1997-01-01 This text explains that although Gladstone was among the most revered figures of his age there was another side to his character one of sudden bursts of anger and aggressiveness towards opponents It applies a psychological framework to Gladstone's life to explain this duality of his character The British Library Catalogue of Additions to the Manuscripts: Descriptions British Library. Department of Manuscripts, 1998 *Government Publications* Great Britain. Her Majesty's Stationery Office, Great Britain. His Majesty's Stationery Office, 1925 **William Gladstone** Roland Quinault, 2016-03-03 William Ewart Gladstone 1809-98 was the outstanding statesman of the Victorian age He was an MP for over sixty years a long serving and exceptional Chancellor of the Exchequer and four times Prime Minister As the leader of the Liberal party over three decades he personified the values and policies of later Victorian Liberalism Gladstone however was always more than just a politician He was also a considerable scholar a dedicated Churchman and had a range of interests and connections that made him in many respects the quintessential Victorian Yet important aspects of Gladstone's life have received relatively little recent attention from historians This study reappraises Gladstone by focusing on five themes his reputation his representation in visual and material culture his personal life his role as an official and the ethical and political basis of his international policies This collection of original often multidisciplinary studies provides new perspectives on Gladstone's public and private life As such it illustrates the many sided nature of his career and the complexities of his personality **Peel and the Conservative Party 1830-1850** Paul Adelman, 2014-09-25 Sir Robert Peel dominated political life for more than two decades and has been described as the founder of modern conservatism This book

analyzes the career of Sir Robert Peel in relation to the development of the Conservative Party in the early 19th century It discusses Peel s conception of Conservatism and his work as Prime Minister **W.E.
