Lee, 2020-05-12 As China takes up the mantle of a global power its diplomatic policy has changed significantly as it assumes a role of regional leadership Until recently China has not tended to talk about its developmental strategy as a model for others to follow Since the rise of Xi Jinping this has changed and the state has become more open in sharing its developmental experiences with its neighbours This has become an important part of China's diplomatic relations with other countries in East Asia Beijing has also emphasized people to people diplomacy with outward tourism and other exchanges of peoples seen as an important part of building stronger relations with its neighbours The chapters in this book all address different elements of this strategy looking at China's bilateral relationships with other East Asian countries in terms of developmental relations and the increasing mutual exposure of their citizens This book will be of great interest to scholars of Chinese diplomacy especially those with a particular interest in soft power *The Princess's Spirit Trilogy #1-3: An Early 21st Century Liberty Movement Story* TaraElla, 2017-02-20 The early 21st century is a time of unprecedented opportunity for those coming of age It is a time when many young adults set out to achieve their dreams be it starting their own business starting a political movement or propelling themselves to superstardom Angelle's dream is to become Cultural Royalty of Pacificland thus achieving what her mother couldn't Her vision is based on freedom dreams love and fairness for all However she soon finds that whilst change appears to be in the air the resistance is often even greater While the early 21st century is a time of opportunity for some many people remain left behind and tension and dissatisfaction is the order of the day in many

areas of life The increasing pitch of the culture wars and the influence of global movements from the Tea Party to the Occupy Protests also combine to make Pacificland a daily ideological warzone Meanwhile Pacificland gets caught up in a meaningless political stalemate with reforms like marriage equality stalled seemingly forever With her own dreams on the line will Angelle stay true to her values And if she does will it be enough to make a positive difference Life isn't meant to be easy but are there rewards for the brave at the end While Angelle's story is fictional the perspective taken on the social and political movements of the 2000s and 2010s are inspired by real life accounts and represent the very real perceptions of real people living today
