Trials and Triumphs Wale Adebani, 2008 *Trials and Triumphs The Story of TheNews* is an engaging narrative of an era of journalistic daring and partisanship on the side of democracy justice and equity It chronicles and examines how the founding team of TheNews magazine their editors and reporters and their support staff endured torture and imprisonment harassment and abduction seizures and closures proscription and arson threats of death and even death because of their fundamental commitment to share public intelligence in a society and polity which had been hijacked by the most perverse military regimes that Nigeria ever experienced From General Ibrahim Babangida's obstinate subversion of the national ethos to General Sani Abacha's evil reign TheNews and its sister publications stood firmly at the barricades hand in hand with other pro democratic forces proclaiming to the martial adventurers that the wisdom and liberty of a collective people would never be surrendered to the ambitions of puny fascists This is not only a story of guerrilla journalism in Nigeria which helped to defeat martial fascism it is also the story of a specific conjecture in a people's history where questions of democracy and justice equity and fair play federalism and egalitarianism regional divides and ethno political domination were confronted headlong by a press that formed the pivot of the emergent civil society

Triumph and Tribulation H.W. Tilman,2017-09-28 Experience is said to be the name men give to their mistakes and of the experience I gained in Spitsbergen that may well be true The circumnavigation of Spitsbergen is the first of three voyages described in H W Bill Tilman s fifteenth and final book a remarkable example of Tilman s ability to triumph when supported by a crew game for all challenges The 1974 voyage of the pilot cutter Baroque takes Tilman to his furthest north the highest latitude of any of his travels in the northern or southern hemisphere The account of this achievement makes compelling reading the crew pulling together to avert potential disaster from a navigational misjudgement A younger less experienced crew join Tilman in 1975 this time heading north along Greenland s west coast until a break in the boom necessitates the abandonment of the objective and an early return That one can never be quite confident of reaching any of the places I aim at may be part of their charm and failure is at least an excuse for making another voyage The following year proves to be Tilman s last voyage in his own boat his account beginning with a dry nod to his artillery background As I begin to describe this voyage the discrepancy between the target and the fall of shot provokes a wry smile Tilman never expected crews to pay covering all the costs of his voyages personally He therefore held the quite reasonable view that his crew would pull their weight show loyalty to the ship and take the rough with the smooth Sadly the crew in 1976 fell far short of that expectation forcing several changes of plan and eventually obliging Tilman to leave Baroque in Iceland Not for the first time in Tilman s remarkable 140 000 miles of voyaging is he moved to quote Conrad Ships are all right it s the men in them Tilman set a high standard and led by example where his companions rose to the challenge as they did in the majority of his expeditions the results were often remarkable Triumph and Tribulation closes this newly extended edition of his literary legacy a fine testament to a remarkable life

Trials and Triumphs- A Teacher's Life Journey Dr Dhashtgir Sultan Sherif, 2024-01-20 The quote sums up the role of teachers in student's life The influence of a teacher extends beyond the four walls of a class room and plays a significant role in molding and shaping the life of a student Rather the teacher student bond is the foundation stone of building the life of a student I am lucky to be a teacher who had a great influence on the lives of many medical students The bond and rapport between the teacher and the student is unique and beyond explanation I have the privilege of being a teacher for over four decades having taught couple of thousand students who now adorn the garden of Medicine I will just narrate one incident that describes the beauty and greatness of this relationship When I was teaching in Antigua I had developed such a relationship that cemented our souls together At the time of my leaving the medical school at the Airport one of my student just tried to become one with me standing on my feet embracing me and not allowing me to travel It took lot of persuasion to take leave of the student leaving a deep rooted bonding that defies explanation This short write up pictures the journey of my life traveling through many stations of learning carrying memories which words cannot capture or portray for these experiences are embedded deep into the chambers of heart probably rightly called as the seat of love and emotions

Through Trials To Triumph Ady Rugeruzza, 2011-07-25 Bad things happen to all people but we often ask why good people suffer and the wicked prosper This is a very complex subject to which Ady tries to give some clarity In this book *Through Trials To Triumph* he discusses the issue from a Biblical perspective and helps the reader to understand why trials happen to all of us This book shows that life is a journey full of ups and downs What we often perceive as a bad situation can be an opportunity for change and growth but the key is attitude and faith How people deal with life's trials depends on what attitude they have God does not cause bad things to happen to us but he allows them in our lives and stands ready to help us through difficult times

When Morning Comes: Moments of Struggle, Strength and Salvation Steve Gallon Iii, 2006-09 A knockout A compelling heartwrenching story of love and leadership heart and hope M E Dozier Teacher Coach Brevard County Public Schools When Morning Comes is an urban educational tale based upon the personal and professional experiences of Darryl Gilliam A compelling inspiring and sometimes troubling account of Gilliam's experiences as a principal of an inner city high school Westside Senior High and as a boy growing up in Freedom First the story takes place in the heart of one of the nation's most impoverished socially fragmented and potentially violent communities For Gilliam and many

young Black males growing up in Freedom First life was more likely to get worse before it got better as many avoided spiraling into an existence that hovered somewhere above prison at best and death on the mean streets at worst Between it all education along with God s grace and mercy often proved to be the deciding factor Freedom First is a community where people live and struggle with poverty and incessant danger created by street gangs and hustlers prostitution drug lords drive by shootings murders and suicides Yet it is a place in which a spirit of hope can enable its residents to rise above the countless ills and vices that threaten to undermine education and destroy an entire generation of poor and minority youth Armed with his experiences growing up in the same community Gilliam is now charged with leading and inspiring a new generation of young people as the principal of the community s flagship high school recognized as its last beacon of hope When Morning Comes shares Gilliam s professional story and personal reflections on growing up in which a person s life eventually amounts to the choices they make Having traveled a difficult and steep road full of tribulations toward transformation and triumphs Gallon through the life of Gilliam provides a reflective and powerful commentary on the current state of education in urban America He also encourages educators to teach and inspire a new generation of youth about the possibilities of life and how to embrace an education and maintain faith in God and in themselves an embrace that ultimately began his own journey toward redemption and salvation Gallon boldly tackles the challenges confronting urban education as well as the myriad of social injustices of people who live daily on the margins of society including politics poverty and racism Despite these challenges the story provides many uplifting experiences and moments of sheer joy optimism and triumphs and promotes education and community as the building blocks toward one s dreams and life s work When Morning Comes is inspirational powerful and riveting all the way through As a journey of truth though entertaining it is not an easy ride Gallon in a creative intelligent and gritty manner provides an intricate look at a place that very few choose to go and a discussion on issues that even fewer care to know or talk about He also takes you deep inside the heart mind and realities of an urban school principal as well as that of a man grappling with his own journey toward redemption and the dynamics surrounding the senseless and violent loss of life of many of his childhood friends Gilliam s personal struggle and reflection occurs while serving witness to similar loss of lives among his students which are too many to name in the same community nearly two decades later When Morning Comes provides a much needed epiphany one that is wrought with lessons on life and leadership but most important on the struggle strength and salvation existing in urban America
