

ETHICS AND THE PROBLEM OF EVIL

EDITED BY JAMES P. STERBA

The Problem Of Evil Studies In Ethics And The Philosophy Of Religion

Jaco Gericke

The Problem Of Evil Studies In Ethics And The Philosophy Of Religion:

The Problem of Evil M. B. Ahern, 2003 Problem Of Evil: Vol 1 M. B. Ahern, 2013-12-19 First published in 2003 Part of the Studies in Ethics and Philosophy of Religion series which seeks to provide an opportunity for philosophical discussions of a limited length which pursue some detail topics presenting work by contemporary philosophers Volume I looks at the problem of evil *Theology and Intelligibility* Dewi Zephaniah Phillips, James Robert Flynn, M. B. Ahern, Michael Durrant, Nelson Pike, R. W. Beardsmore, Rush Rhees, H. O. Mounce, 2003 *Introduction to the Study of Religion* Leroyce Miles, 2018-08-07 One thing is clear that fighting with other human beings in the name of religion is subhuman As a religious man we are fellow travellers in the direction of the realm of spirit Here the nomenclature of Hindus Muslims Christians etc ceases to be meaningful Of course we have to go very far and we have not made any beginning yet However at present the advaitic principle of difference less Brahman can serve the purpose of harmonizing all religions Here we have adopted this principle Secondly the key concepts of different religions have been shown to mingle into one another The book attempts to interrogate the categories used in western discourse in the study of religion In doing so the book outlines a broad overview of the discussions on issues relating to the methods and theories in the study of religion The book provides an insight into some of the key issues that need clarity in dealing with religions This scholarly presentation is a must read for students of religion culture and philosophy and for those involved with the struggles of the subaltern community *A Liberal Theory of Practical Morality* Earl Spurgin, 2021-05-25 Moral issues and questions abound in daily life Media outlets frequently raise awareness of many such as those concerning individuals right to privacy The same venues seldom if ever raise awareness of others such as moral issues and questions concerning our fantasies Regardless of the level of publicity various venues afford particular moral matters most people who become aware of those matters find many interesting and important A problem most encounter however is determining the criteria through which they should approach the moral matters they wish to engage Ethicists have long sought a moral theory that would provide the desired criteria but most will grant readily that those efforts have not produced a generally accepted theory This book presents the author's case that a kind of moral liberalism is the theory we should use to engage daily life's moral matters The author presents a conception of moral liberalism argues that it is the best approach to practical morality in a plural society and applies it to several of morality's practical matters

Controversial Issues in Religious Education on Ethics, Values, and Beliefs Olof Franck, Bodil Liljefors Persson, 2025-10-01 This book presents a broad and in depth research based source for exploring how teaching controversial issues on ethics values and beliefs can be conducted in Religious Education How may teachers conduct an objective and comprehensive education that respects children's and young people's divergent views based on traditions and beliefs that characterize their background and family discourse and or in personal standpoints The chapters explore the development of pedagogical and didactical approaches with special regard to the implementation of teaching on issues that may be

experienced as sensitive and contentious The chapters represent a variety of disciplinary fields including philosophy science of religion ethics intercultural education values education worldview education and social sustainability The book may serve as course literature in Teacher education and in in service training for teachers **Quietism, Agnosticism and Mysticism** Krishna Mani Pathak, 2022-01-01 This book presents a unique collection of papers on various philosophical aspects of the unknown and unvoiced truth and reality of the cosmic world It offers a systematic analysis of the three philosophical theories of Quietism Agnosticism and Mysticism and introduces readers to the fundamentals of mystical knowledge claimed by philosophical schools of the east and the west It discusses debates and deliberates on philosophical issues concerning the acquisition of truth its objectivity and its various dimensions along with the application of thoughts pertaining to Quietism Agnosticism and metaphysical mystic traditions in philosophy It examines and precisely defines the scope and limits of knowledge the respective way of life its expressions and morality mystical revelation ineffability of the ultimate value realism and faith and reason with a primary focus on the classical Indian schools of Hinduism Buddhism Jainism Agnosticism the B uls Greek traditions modern western meta philosophy and contemporary quietist debate in religion and theology This insightful collection should be of great interest to independent researchers students and teachers of philosophy theology Mysticism and Agnosticism cultural studies and religious studies Contemporary African Metaphysical Thought Ada Agada, Emmanuel Ofuasia, Bruno Yammeluan Ikuli, 2024-12-22 African metaphysics question a variety of issues ranging from the nature of fundamental reality to the meaning of human existence African philosophers have introduced groundbreaking metaphysical theories in response to these metaphysical issues and questions These theories provide uniquely African perspectives that challenge philosophers to look inwards and produce globally competitive ideas instead of exoticising traditional African worldviews for the intellectual entertainment of a non African audience This volume advances the field of African metaphysics by critically engaging with key metaphysical ideas and concepts developed by African metaphysical thinkers The chapters contributed in this volume by established researchers and promising young scholars challenge and modify existing metaphysical theories while proposing novel theories that shape debates in the field Challenges to Moral and Religious Belief Michael Bergmann, Patrick Kain, 2014-05 Fourteen original essays by philosophers theologians and social scientists explore the challenges to moral and religious belief posed by disagreement and evolution The collection represents both sceptical and non skeptical positions about morality and religion cultivates new insights and moves the discussion forward in illuminating ways The Bloomsbury Research Handbook of Indian Ethics Shyam Ranganathan, 2016-11-17 Featuring leading scholars from philosophy and religious studies The Bloomsbury Research Handbook of Indian Ethics dispels the myth that Indian thinkers and philosophers were uninterested in ethics This comprehensive research handbook traces Indian moral philosophy through classical scholastic Indian philosophy pan Indian literature including the Epics Ayurvedic medical ethics as well as recent traditionalist and Neo Hindu contributions Contrary to the usual myths about

India that Indians were too busy being religious to care about ethics moral theory constitutes the paradigmatic differentia of formal Indian philosophy and is reflected richly in popular literature Many of the papers make this clear by an analytic explication that draws critical comparisons and contrasts between classical Indian moral philosophy and contemporary contributions to ethics By critically addressing ethics as a sub discipline of philosophy and acknowledging the mistaken marginalization of Indian moral philosophy this handbook reveals how Indian contributions can illuminate contemporary philosophical research on ethics Unlike previous approaches to Indian ethics this volume is organized in accordance with major topics in moral philosophy The volume contains an extended introduction exploring topics in moral semantics the philosophy of thought metaethical and normative ethical theory and the politics of scholarship which serve to show how the diversity of Indian moral philosophy is a contribution to the discipline of ethics With an overview of Indian moral theory and a glossary this is a valuable guide to understanding the past present and future research directions of a central component of Indian philosophy

Ethics Richard H. Corrigan, Mary E. Farrell (ed.), 2010-08 This book may be read continuously from start to finish and will in itself provide the reader with a comprehensive guide to the study of ethics However it can also be read as individual chapters that stand in isolation from the remainder of the book In this way it is possible to pick and choose those areas that are pertinent to one's particular needs at the time of reading Undergraduates can therefore use it as a resource to support their lectures assist essay writing and term papers and point them towards further reading materials Written by experts it covers the following areas The History of Ethics Animal Ethics Business Ethics Ethics of Care Contractualism Egoism Environmental Ethics Global Ethics Kantian Ethics Law and Rights Normative Ethics Utilitarian Ethics Virtue Ethics and Ethics and Wellbeing

Theism Clement Dore, 2012-12-06 In this book I discuss the question whether God exists not as a Tillichian religious symbol but as an actual person albeit a person who is very different from you and me My procedure is to examine arguments both for and against God's existence qua person and to assess their relative merits I shall try to show that there is more evidence that God exists than that he does not This position is of course rejected nowadays even by most religious thinkers who hold for one reason or another that evidence has nothing to do with religious belief properly understood My reply to these thinkers is simply to ask them to examine what follows A useful companion to Chapters 4 5 6 7 and the Appendix of this book would be Alvin Plantinga's The Nature of Necessity I Though I avoid technical terminology wherever possible those chapters presuppose an elementary understanding of possible worlds discourse and a clear and concise explanation of that terminology can be found in Chapter IV of Plantinga's book Also I use logical throughout to mean what Plantinga means by broadly logical on page 2 of The Nature of Necessity

Genocide and Human Rights J. Roth, 2005-07-27 Genocide is evil or nothing could be It raises a host of questions about humanity rights justice and reality which are key areas of concern for philosophy Strangely however philosophers have tended to ignore genocide Even more problematic philosophy and philosophers bear more responsibility for genocide than they have usually admitted In

Genocide and Human Rights A Philosophical Guide an international group of twenty five contemporary philosophers work to correct those deficiencies by showing how philosophy can and should respond to genocide particularly in ways that defend human rights

Religion and Morality D. Z. Phillips, 2016-07-27 Reflection on religion inevitably involves consideration of its relation to morality When great evil is done to human beings we may feel that something absolute has been violated Can that sense which is related to gratitude for existence be expressed without religious concepts Can we express central religious concerns such as losing the self while abandoning any religious metaphysic Is moral obligation itself dependent on divine commands if it is to be objective or is morality not only independent of religion but its accuser if God is said to allow horrendous evils In any case what happens to the absolute claims of religion in what is undeniably a morally pluralistic world These are the central questions discussed by philosophers of religion and moral philosophers in this collection They do so in ways which bring new aspects to bear on these traditional issues

Is a Good God Logically Possible? James P. Sterba, 2019-07-16 Using yet untapped resources from moral and political philosophy this book seeks to answer the question of whether an all good God who is presumed to be all powerful is logically compatible with the degree and amount of moral and natural evil that exists in our world It is widely held by theists and atheists alike that it may be logically impossible for an all good all powerful God to create a world with moral agents like ourselves that does not also have at least some moral evil in it James P Sterba focuses on the further question of whether God is logically compatible with the degree and amount of moral and natural evil that exists in our world The negative answer he provides marks a new stage in the age old debate about God s existence

Molinism Kenneth J. Perszyk, 2011-11-24 Molinism promises the strongest account of God s providence consistent with our freedom But is it a coherent view and does it provide a satisfying account of divine providence The essays in this volume examine the status defensibility and application of this recently revived doctrine and anticipate the future direction of the debate

Philosophical Approaches to Demonology Benjamin W. McCraw, Robert Arp, 2017-03-31

Contributors Bibliography Index

Politics, Pluralism and Religion Chandana Chakrabarti, Sandra Jane

Fairbanks, 2020-05-22 The chapters in this volume discuss the many facets of pluralism in a liberal democracy as well as the interplay between religion and politics Religion is a central theme in this book for two reasons First religions often claim to possess truths about the nature of God and the proper path to lead in order to achieve eternal life in heaven or enlightenment or spiritual liberation Unfortunately different religions offer different sets of truths on these issues which create an obvious competition and rivalry between religions Historically religious differences have produced countless wars violent clashes human rights violations and various forms of religious persecutions Our record of coexisting peacefully in a religiously pluralistic world has been abysmal at best Some chapters in this book discuss religious pluralism the clash between science and religion and the role religious reasons should play in a public dialogue about public policy and law The second reason why religion is a prominent theme is that since religion is constitutive of the identities of so many individuals its influence on politics for better or for worse is extremely significant Many chapters explore the various ways in which religion can affect politics From the dangers of theocracy to Jihadist terrorism to a Hindu approach to addressing terrorism to a Unitarian Universalist perspective on ethical eating and to the Christian virtue of forgiveness applied to political dispute resolution All in all the chapters in this book represent a variety of approaches to understanding the interrelated problems associated with religion and politics in a pluralistic world

The Hebrew Bible and Philosophy of Religion Jaco Gericke, 2012-11-01

This study pioneers the use of philosophy of religion in the study of the Hebrew Bible After identifying the need for a legitimate philosophical approach to Israelite religion the volume traces the history of interdisciplinary relations and shows how descriptive varieties of philosophy of religion can aid the clarification of the Hebrew Bible's own metaphysical epistemological and moral assumptions Two new interpretative methodologies are developed and subsequently applied through an introduction to what the biblical texts took for granted about the nature of religious language the concept of deity the properties of Yhwh the existence of gods religious epistemology and the relation between religion and morality

Quo Vadis, Metaphysics? Mirosław Szatkowski, 2019-11-18 The old philosophical discipline of metaphysics after having been pronounced dead by many has enjoyed a significant revival within the last thirty years due to the application of the methods of analytic philosophy One of the major contributors to this revival is the outstanding American metaphysician Peter van Inwagen This volume brings together twenty two scholars who in commemoration of Prof van Inwagen's 75th birthday ponder the future prospects of metaphysics in all the richness to which it has now returned It is only natural that logical and epistemological reflections on the significance of metaphysics sometimes called meta metaphysics play a considerable role in most of these papers The volume is further enriched by an interview with Peter van Inwagen himself

Unveiling the Power of Verbal Beauty: An Mental Sojourn through **The Problem Of Evil Studies In Ethics And The Philosophy Of Religion**

In a world inundated with monitors and the cacophony of fast transmission, the profound energy and emotional resonance of verbal art frequently disappear in to obscurity, eclipsed by the continuous onslaught of sound and distractions. However, located within the lyrical pages of **The Problem Of Evil Studies In Ethics And The Philosophy Of Religion**, a captivating work of literary brilliance that impulses with fresh thoughts, lies an wonderful journey waiting to be embarked upon. Penned with a virtuoso wordsmith, that exciting opus instructions visitors on a mental odyssey, softly revealing the latent possible and profound affect embedded within the complicated internet of language. Within the heart-wrenching expanse of this evocative analysis, we can embark upon an introspective exploration of the book is main subjects, dissect their fascinating writing design, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.

The Problem Of Evil Studies In Ethics And The Philosophy Of Religion Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free The Problem Of Evil Studies In Ethics And The Philosophy Of Religion PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

The Problem Of Evil Studies In Ethics And The Philosophy Of Religion

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free The Problem Of Evil Studies In Ethics And The Philosophy Of Religion PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of The Problem Of Evil Studies In Ethics And The Philosophy Of Religion free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About The Problem Of Evil Studies In Ethics And The Philosophy Of Religion Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Problem Of Evil Studies In Ethics And The Philosophy Of Religion is one of the best book in our library for free trial. We provide copy of The Problem Of Evil Studies In Ethics And The Philosophy Of Religion in digital format, so the resources that you find are reliable. There are

The Problem Of Evil Studies In Ethics And The Philosophy Of Religion

also many Ebooks of related with The Problem Of Evil Studies In Ethics And The Philosophy Of Religion.
