The Good The Bad And The Rest Of Us:

The Right Wing: the Good, the Bad, and the Crazy Charles Phillip Rider, 2013-05-31 The book *The Right Wing the Good the Bad and the Crazy* discusses the political right in the United States from Prohibition through recent speculation concerning the presidential campaign of 2016. A chapter is devoted to each U S President from Franklin Delano Roosevelt to George W Bush. Many references are contained in the book concerning right wing personalities such as Robert Welch, Joe McCarthy, Barry Goldwater, Rush Limbaugh, Darrel Issa and others. Right wing organizations such as the John Birch Society, Fox News and the Tea Party are analyzed. The Afterword section contains the authors solution to issues such as gun control, the U S Debt, the need for additional federal revenues and the lack of medium and large U S corporations tax support of the U S government. Controversial issues such as sex education, immigration and the present large gap between wealthy and middle class income are discussed in the book. The influence of the religious right in politics is analyzed. The author Charles Rider analyzes some of the above issues from an attorneys perspective. The book contains facts not generally known by readers such as Senator McCarthy the communist witch hunter subpoenaed many witnesses and forced them to testify in front of the Senate Permanent Sub Committee on Investigations. None of the witnesses ever went to jail or prison for communist activity. McCarthys committee records of witnesses testimony and background disappeared from the FBI files and the National Archives. During the Afghan War Secretary of Defense Donald Rumsfeld created a monetary reward program for information as to names of terrorists. Leaflets were distributed that the U S Government would pay up to 15 000 for names of terrorists. People turned in their enemies and sometimes goat herders and store clerks ended up in Guantanamo. **The Good, The**
