The Gospel And Unity:

Unity in the Faith Bradford Mark Rosenquist Ph.D.,2018-07-31 Churches all over the world work to spread the gospel of Christ but this work is done in many different ways by many different denominations Jesus and Paul were quite clear that the church of God was to be in total unity especially with regard to the teachings of the gospel So how do we bring the many denominations into a unity that will enhance a genuine team effort to present the true gospel to the world In Unity in the Faith author Bradford Mark Rosenquist shows why church unity across all denominations is an absolutely necessary work that must be accomplished for gospel success First outlining what church unity is and what has been a historical obstacle to this unity Rosenquist goes on to show how integral unity is to the gospel message of Christ In the end Unity in the Faith provides both an analysis of unity as well as a roadmap that Christians and church leaders can use to promote true unity in their congregations It takes a cooperative effort to reach the world with the truth about Jesus and the kingdom of God The universal body of Christ must therefore overcome the current disunity so that as one we can live up to Christ's admonition to go into all the world and preach the gospel **The Gospel and Unity** Vilmos Vajta,1971 Unity Conrad
