Trees in Ancient Rome Andrew Fox, 2023-07-13 Focusing on the transitional period of the late Republic to the early Principate *Trees in Ancient Rome* offers a sustained examination of the deployment of trees in the ancient city exploring not only the practicalities of their cultivation but also their symbolic value The Ruminal fig tree sheltered the she wolf as she nursed Romulus and Remus and years later Rome was founded between two groves As the city grew neighbourhoods bore the names of groves and hills were known by the trees which grew atop them From the 1st century BCE triumphs included trees among their spoils and Rome's green cityscape grew as did the challenges of finding room for trees within the congested city This volume begins with an examination of the role of trees as repositories of human memory lasting for several generations It goes on to untangle the import of trees and their role in the triumphal procession before closing with a discussion of how trees could be grown in Rome's urban spaces Drawing on a combination of literary visual and archaeological sources it reveals the rich variety of trees in evidence and explores how they impacted and were used to impact life in the ancient city *Exemplary Violence* Alberto Villate-Isaza, 2021-03-12 In *Discourse on Colonialism* Aimé Césaire asserts that colonization ultimately works to decivilize the colonizer awakening baser brutalizing and dehumanizing instincts in him In *Exemplary Violence: Rewriting History in Colonial Colombia* Villate Isaza explores Colombia's violent colonial history by examining three seventeenth century historical accounts of the New Kingdom of Granada modern day Colombia and Venezuela Pedro Simón's *Noticias historiales* 1626 Juan Rodríguez Freile's *El carnero* 1636 and Lucas Fernández de Piedrahita's *Historia general* 1676 each of which reveals the colonizing elite's reliance on a constant threat of violence for sustaining colonial order In spite of their attempts to convey a straightforward narrative of European political technical and moral superiority while conforming to Counter Reformation Catholic orthodoxy these accounts reveal tensions and highlight conflicts and ambiguities between the writers' social interests and personal identifications As they attempt to reinforce the principal tenets of European culture in the New Kingdom they also reveal contradictions inherent in a more advanced culture when colonizers behave in barbaric ways *The Dancing Lares and the Serpent in the Garden* Harriet I. Flower, 2017-09-26 The most pervasive gods in ancient Rome had no traditional mythology attached to them nor was their worship organized by elites Throughout the Roman world neighborhood street corners farm boundaries and household hearths featured small shrines to the beloved lares a pair of cheerful little dancing gods These shrines were maintained primarily by ordinary Romans and often by slaves and freedmen for whom the lares cult provided a unique public leadership role In this comprehensive and richly illustrated book the first to focus on the lares Harriet Flower offers a strikingly original account of these gods and a new way of understanding the lived experience of everyday Roman religion Weaving together a

wide range of evidence Flower sets forth a new interpretation of the much disputed nature of the lares She makes the case that they are not spirits of the dead as many have argued but rather benevolent protectors gods of place especially the household and the neighborhood and of travel She examines the rituals honoring the lares their cult sites and their iconography as well as the meaning of the snakes often depicted alongside lares in paintings of gardens She also looks at Compitalia a popular midwinter neighborhood festival in honor of the lares and describes how its politics played a key role in Rome s increasing violence in the 60s and 50s BC as well as in the efforts of Augustus to reach out to ordinary people living in the city s local neighborhoods A reconsideration of seemingly humble gods that were central to the religious world of the Romans this is also the first major account of the full range of lares worship in the homes neighborhoods and temples of ancient Rome

Buddha In A Mercedes Mallikarjun B. Mulimani,2017-03-22 It was an unforgettable journey I travelled in a fast car A Mercedes But I would rather have walked for life whizzed by and the traveller was left with just a tourist brochure The drive was a rush like the kiss long lost lovers exchange when they meet The journey was short like love s pleasure blindsided by lust I didn t stop to think that there could be an alternative a stroll down the countryside reached my destination without the necessity to get somewhere
