The Great Barn Of Bredon Its Fire And Reconstruction:

A Century of British Medieval Studies Alan Deyermond, 2007-11-29 This is an authoritative guide to the full range of medieval scholarship undertaken in twentieth century Britain history archaeology language culture Some of the twenty nine essays focus on changes in research method or on the achievements of individual scholars others are personal accounts of a lifetime s work

Understanding the Workplace: A Research Framework for Industrial Archaeology in Britain: 2005 David Gwyn, 2017-12-02 This volume was first delivered at a conference organised by the Association for Industrial Archaeology in Nottingham in June 2004 and formerly constituted a special issue of Industrial Archaeology Review The papers have the explicit intention of formulating a research framework for industrial archaeology in the 21st century and demonstrating how far industrial archaeology is now a fully recognised element of mainstream archaeology

Archaeological Investigation Martin Carver, Madeleine Hummler, 2024-12-18 The thoroughly updated second edition of Archaeological Investigation reviews and explains the practices of field archaeology in the world today Now co authored by Madeleine Hummler the book s scope has been enlarged in time and space reaching out to the different methods and strategies applied in both the academic and commercial sectors in diverse terrain on land and under the sea Archaeological Investigation accompanies the reader on a journey from absolute beginner to professional Part 1 Principles sets the scene for newcomers showing the axial role of fieldwork in rediscovering the past Part 2 In the Field is aimed at those setting out to collect primary data by the diverse methods of modern survey and excavation Word pictures on First day in the field and First day on a dig provide friendly introductions to the high tech enterprise that fieldwork has become Now fully engaged in the process newcomers to archaeology are ready in Part 3 Writing Up to take part in the process of making the discoveries known Here the findings of fieldwork are marshalled to analyse the assemblage the use of space and the chronology of what happened The results are then combined in a synthesis and communicated through websites museums the display of sites and above all through publication Part 4 Design engages the reader in archaeology s primary action how to design projects that conserve rediscover and explain the human past beginning with a review of some landmark examples Chapter 13 The final chapter The Profession reviews the role of the state the academy the commercial sector and the public in making archaeology happen and why it matters Building on the authors extensive experience Archaeological Investigation remains an inspiring provocative informative and entertaining book for students and professionals arguing that the investigation of the human and environmental past is highly relevant to contemporary society and its future

Not So Much a Pot, More a Way of Life Christopher G. Cumberpatch, Paul Blinkhorn, 1997 There is more to artefact analysis than the study of chronology and provenance This is the theme of these essays which are based on discussions at the Theoretical Archaeology Group conferences at Durham and Bradford in 1993 and 1994 The authors are concerned that some of the theoretical and practical orientations of artefact analysis are restrictive and of questionable validity Contents include Individual and community choice
