JOCKEYS

The Lives and Times of the Men
Who Dominated America's
First National Sport

EDWARD HOTALING

Praise for
THE
GREAT
BLACK
JOCKEYS

"This can be the most fascinating read you will find in American history. It is not only a book well read for its history in its wonderfully written book. It is not a book you will find in a history story. These men were not just men who competed successfully against their white counterparts, but they were men who had their own. Yet how many Americans today, we are living in a time when the wrong policy in the first American Derby was a black man? These African American jockeys, great as they were, were not out of the sport and then out of history. It was as if they were never there. In read Hotaling's book it is obvious important moments in history that are often history for American history."

—Carmen O'Connell, author, CBS News Sunday Morning

"An extremely vivid, Hotaling depicts a true sense of the struggle between white power and history as he uncovers the numerous experiences and experiences of African American jockeys and reveals them as their spirit and spirit history. What emerges clearly in this work is a key element of the American experience—that is, how the most ordinary lives can make themselves through an individual's sense of agency."

—Jesse Berke, *Pittsburgh Courier*

Book of America's African American, Kentucky State University

"The Great Black Jockeys is a fascinating journey into a little known part of American history and sports history."

—Joe Breen, professor of history, University of Maryland

Lets delve into the realm of popular books, exploring the fascinating narratives that have enthralled audiences this year. The Great Black Jockeys : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. The Great Black Jockeys : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. The Great Black Jockeys : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
