The Great Extirpation Of Hellenism And Christianity In Asia Minor:

The Great Extirpation of Hellenism and Christianity in Asia Minor John Murat, 1999 **The great extirpation of Hellenism and Christianity in Asia Minor: the historic and systematic deception of world opinion concerning the hideous christianity as uprooting of 1992** Jean de Murat, 1999 **The Greek Genocide, 1913-1923: New Perspectives** George Shirinian, Asia Minor and Pontos Hellenic Research Center, 2019-01-01 The deportation mass killing and ultimate expulsion of citizens of the Ottoman Empire of Greek ethnicity during the waning years of that empire and its transition to the Turkish Republic are well documented but perhaps not widely known The numerous archival sources and secondary works cited in these carefully researched studies are rich source of evidence and testimony many not available in the English language This collected research by a group of scholars young and old of different countries and different ethnicities strives to delve more profoundly into this history to explore new aspects of it to broaden our knowledge of what happened and to deepen our understanding of its significance **Genocide in the Ottoman Empire** George N. Shirinian, 2017-02-01 The final years of the Ottoman Empire were catastrophic ones for its non Turkish non Muslim minorities From 1913 to 1923 its rulers deported killed or otherwise persecuted staggering numbers of citizens in an attempt to preserve Turkey for the Turks setting a modern precedent for how a regime can commit genocide in pursuit of political ends while largely escaping accountability While this brutal history is most widely known in the case of the Armenian genocide few appreciate the extent to which the Empire s Assyrian and Greek subjects suffered and died under similar policies This comprehensive volume is the first to broadly examine the genocides of the Armenians Assyrians and Greeks in comparative fashion analyzing the similarities and differences among them and giving crucial context to present day calls for recognition **World War I , The Great Extirpation of Hellenism and Christianity in Asia Minor** John Murat (Menander Phoebus Academus Menandros Foibou@Akadēmos.), 1999 **The Balkan Wars** Andre Gerolymatos, 2008-08-05 When it comes to the Balkans most people quickly become lost in the quagmire of struggle and intractable hatred that consumes that ancient land today Many assume that the genesis of the past ten years of atrocity in the region might have had something to do with Tito and his repressive Yugoslav regime or perhaps with the assassination of Franz Ferdinand in 1914 The seeds were really planted much much earlier on a desolate plain in Kosovo in 1389 when the Serbian Prince Lazar and his army clashed with and were defeated by the Ottoman forces of Sultan Murad I In this riveting new history of the Balkan peoples Andr erolymatos explores how ancient events engendered cultural myths that evolved over time gaining psychic strength in the collective consciousnesses of Orthodox Christians and Muslims alike In colorful detail we meet the key figures that instigated and perpetuated these myths including the assassin heroes Milos Obolic and Gavrilo Princip and the warlord Ali Pasha This lively survey of centuries of strife finally puts the modern conflicts in Bosnia and Kosovo into historical context and provides a long overdue account of the origins of ethnic hatred and warmongering in this turbulent land *The Balkan*
