The Greatest Generation Speaks Tom Brokaw:

The Greatest Generation Speaks Tom Brokaw, 2001-06-26 NEW YORK TIMES BESTSELLER A powerful selection of the letters Tom Brokaw received in response to his towering 1 bestseller *The Greatest Generation* When I wrote about the men and women who came out of the Depression who won great victories and made lasting sacrifices in World War II and then returned home to begin building the world we have today the people I called the Greatest Generation it was my way of saying thank you But I was not prepared for the avalanche of letters and responses touched off by that book I had written a book about America and now America was writing back Tom Brokaw In the phenomenal bestseller *The Greatest Generation* Tom Brokaw paid affecting tribute to those who gave the world so much and who left an enduring legacy of courage and conviction *The Greatest Generation Speaks* collects the vast outpouring of letters Brokaw received from men and women eager to share their intensely personal stories of a momentous time in America's history Some letters tell of the front during the war others recall loved ones in harm's way in distant places They offer first hand accounts of battles poignant reflections on loneliness exuberant expressions of love and somber feelings of loss As Brokaw notes If we are to heed the past to prepare for the future we should listen to these quiet voices of a generation that speaks to us of duty and honor sacrifice and accomplishment I hope more of their stories will be preserved and cherished as reminders of all that we owe them and all that we can learn from them
