Prophecy and Public Affairs in Later Medieval England Lesley Ann Coote, 2000 The nature of political prophecy in the middle ages analysed confirming its importance in the discussion of public affairs In this first

general survey of political prophecy in medieval England for almost a hundred years Lesley Coote examines the nature of political prophecy its audience and its reception She compares the discourse of prophecy with other related discourses and demonstrates how it functioned as a political language A study of extant manuscripts produces an account of the importance of political prophecy in later medieval England from its emergence in the twelfth century to the end of the middle ages What emerges from this study is a political language which was neither peripheral to English political consciousness nor merely a game for intellectuals but a major language for the discussion of public affairs In this language were presented ideas of Englishness and the aspirations of a national community which included the imminent revelation of a great crusading hero ruler a second Arthur who would lead his people into the Last Days The book is completed with a handlist of manuscripts containing political prophecies Dr LESLEY A COOTE is a Research Fellow in the Department of English at the University of Hull Valuable research tool Handlist of manuscripts containing political prophecies Family Names and Their Story Sabine Baring-Gould, 1910 The source of surnames *Angels at Twenty Past* Marchell Abrahams, 2020-10-13 In the grand scheme of things one burglary at your parents house especially when nothing appears to have been taken barely makes an impact It certainly doesn't in rich girl Cassie Greatrex's life as she returns to work with the incident pretty much forgotten Until that is Colin Bardsey steps into the salon Arresting magnetic he makes it very clear what he wants and what he wants is Cassie at least that's what she thinks until their dinner date is interrupted by a fiery young Welsh undergraduate out for blood Huw Trefor makes no bones about the fact that he considers Colin dirt and what he has to say ultimately brings to light a long buried truth with its roots in war torn Berlin concerning not only Cassie's family but also Colin's Information has been lost for seventy years information Colin is after And he'll stop at nothing to get it Swept up in a race with Huw to find the truth with danger following their every step Cassie is forced to look at those closest to her and wonder what secrets they could be hiding From London to Assisi to Orvieto everything she thinks she knows is held to the light and why should an old copy of The Iliad be quite so important But after the truth comes out will she wish she'd been kept in the dark *The parochial and family history of the deanery of Trigg Minor, in the county of Cornwall* John Maclean, 1873-01-01 *The Reliquary*, 1864
