

THE POLITICS OF THE FAMILY

R. D. LAING / MASSEY LECTURES 1968

The Politics Of The Family Massey Lectures 1968

**M. Guy Thompson, Fritjof
Capra, Douglas Kirsner**

The Politics Of The Family Massey Lectures 1968:

Psychoanalysis and the Politics of the Family: The Crisis of Initiation Daniel Tutt, 2022-02-12 Psychoanalysis and the Politics of Family aims to raise a sophisticated and highly accessible debate around the family self making and the political and cultural implications of liberation The text proposes a new way to read the Lacanian theory of Oedipus and through this reading resituate a series of important political and theoretical debates that have concerned intellectual life over the last forty years It is written with an accessible style so that both specialists in Lacanian and Marxist theory and a broader cross section of readers interested in understanding the implications of debates across populist and Marxist perspectives that have occupied the global left since the 2008 economic crash The text aims to resituate the way theories of emancipation and liberation are theorized from a distinctive psychoanalytic and Lacanian point of view In resituating the infamous Oedipus complex in a new light the text re opens a series of debates with important theoretical interlocutors including the influential American historian and psychoanalytic thinker Christopher Lasch whose thought has witnessed a significant renaissance of interest today to the staunch critic of Freud and Lacan Ren Girard to Gilles Deleuze and Félix Guattari and their widely read Anti Oedipus series that disputes the Freudian and Lacanian notions of Oedipus [The Politics of the Family and Other Essays](#) R. D. Laing, 2018-10-24 Originally published in 1969 based on the talks R D Laing gave in 1967 and 68 this book was intended by the author to evoke questions rather than provide answers Using concepts of schizophrenia R D Laing demonstrates that we tend to invalidate the subjective and experiential and accept the proper societal view of what should occur within the family **R.D. Laing and the Politics of Truth** Theodor Itten, Ron Roberts, 2025-05-29 This diverse collection of essays conversations reflections and reviews was first published in celebration of the 50th anniversary of R D Laing s masterpiece *The Divided Self* Under the umbrella of the Politics of Truth this new edition confirms Laing as an original practitioner in the healing arts and a succinct critical and theoretical voice whose relevance has not diminished In these pages are writings appraising Laing s life work brilliance and frailties as well as his wide and varied influences Contributions have come from colleagues friends and clients as well as people who never knew him personally yet deeply appreciate his work Each is different in tone and character Each captures something unique about Laing and his work R D Laing 1927 1989 was famous for his empathic perception sagacious intellect and wisdom of the heart as well as his rebelliousness and falling from grace In reading this book you may be challenged to rethink some of your assumptions We hope that you will find more than a little inspiration **Freeing God from Religion** Clifford Ratzlaff, 2012-07 If you tend to shake your head when you read religious literature please read this book I invite being disagreed with I welcome debate and do not object to being told I am wrong The question remains Who has the right religion Despite being an octogenarian when presumably all should be settled and nailed down I now challenge the theology I nodded to so vigorously in a previous time of my life What I once assumed as truth is now open to the kind of tough scrutiny I had never dared engage in My theological

life scripts were deeply rooted and beyond challenge Born and raised in a fundamentalist Mennonite conservative evangelical community doubting and questioning were considered acts of sin Even though we were good ethical people we were repaganized every year by visiting English speaking evangelists and getting saved was an annual event I know I did it three times before I was fifteen I include a simple caveat Once you start critiquing and investigating your beliefs even the most cherished you will find that you cannot go back The very act of questioning intensifies the importance of the question Millions of books exist about God every book written by a human being mostly men Over twenty five miles of shelves with books about God are in the archives under the Vatican I had fifteen shelves with many books that talk about God

Canadiana ,1983 **Family** Betty Jane Wylie,1997 It s not what families look like that matters it s what they do that counts But what do families do How do they function How do they affect society today And what is the future of the family With up to date statistics insightful ideas and stories told from the heart Betty Jane Wylie addresses these and other questions **Mirror up to Shakespeare** Jack Cooper Gray,1984-10-01 George Hibbard has always endorsed T S Eliot s idea that we must know all of Shakespeare s work in order to know any of it and this idea implicit in the first essay in this volume informs the whole collection written in honour of one of Canada s leading Shakespearian editors and scholars The two essays which begin the collection present broad overviews of Elizabethan drama and discuss Shakespeare s first great editor Theobald Together with the final essay on publication and performance in early Stuart drama these form the frame of the mirror held up to Shakespeare in the other eighteen essays whether they of general themes running through some or all of Shakespeare s plays or the plays his contemporaries or whether they treat of specific plays There is an especially rich concentration on Macbeth and Coriolanus The Wing of Madness Daniel Burston,1996 In The Wing of Madness Daniel Burston chronicles R D Laing s meteoric rise to fame as one of the first media psycho gurus of the 20th century and his spiralling decline in the late 70s and 80s **Seeing in the Dark** Pauline Butling,2006-01-01 Poet Phyllis Webb initiated new ways of seeing into the cultural dark of Western thought By blurring the axis between light and dark she redefined in positive terms women s subjectivity and sexuality which are traditionally assigned dark negative values Seeing in the Dark includes perceptive discussions on a number of Webb s collections specifically Naked Poems Wilson s Bowl Water and Light and Hanging Fire Butling shows how Webb uses strategies of subversion reversal and re vision of prevailing traditions and tropes to facilitate seeing in the dark She also provides a fascinating analysis of Webb criticism tracing it over the past thirty years and revealing a shift in critical paradigms A chapter on biography includes intriguing archival material Pauline Butling offers important new ways of reading one of Canada s finest poets Seeing in the Dark is essential introductory material for the general reader and provides provocative penetrating analysis for literary scholars **Social Theory and the Family (RLE Social Theory)** D.H.J. Morgan,2014-08-07 An experienced teacher of courses on the sociology of the family D H J Morgan frequently encounters a gulf between the family as it is often treated in sociological texts and the family as it is usually

experienced In this book he provides an extremely valuable bridge between the two by presenting an encounter between some of the mainstream theoretical approaches and concerns in the sociology of the family and what he terms as critical perspectives on the family This is the first British book on a basic social institution that takes into account the literature outside the mainstream of sociological analysis that deals with the subject The first half examines the varieties of functional theorizing embedded in many texts the over concern with the question of kinship in modern society and the treatment of the family as a success story In the second half Dr Morgan presents a critical account of some of the counter theories those derived from the radical feminist movement the existential psycho analytical approach associated with Laing and the critical analyses of sex in an advanced capitalist society A final chapter suggests some themes and orientations derived from this encounter of theoretical approaches and modern perspectives which can be usefully developed

Understanding and Coping with Failure: Psychoanalytic perspectives Brent Willock, Rebecca Coleman Curtis, Lori C. Bohm, 2014-05-16 Failure is a theme of great importance in most clinical conditions and in everyday life from birth until death Its impact can be destabilizing even disastrous In spite of these facts there has been no comprehensive psychoanalytic exploration of this topic *Understanding and Coping with Failure Psychoanalytic Perspectives* fills this gap by examining failure from many perspectives It goes a long way toward increasing understanding of the numerous issues involved and provides many valuable insights into ways of coping with these challenging experiences and several chapters discuss positive aspects of failure what can be learned from what would otherwise simply be regrettable experiences Brent Willock Rebecca Coleman Curtis and Lori C Bohm bring together a rich diversity of topics explored in thoughtful ways by an international group of authors from the United Kingdom Canada and the United States of America Failed therapies which have been examined in the literature are but one element freshly explored in this comprehensive exploration of the topic The book is divided into sections covering the following topics Failing and Forgiving Society Wide Failure Failure in the Family Therapeutic Failure Professional Failure in the Consulting Room and on the Career Path Integrity versus Despair Facing Failure in the Final Phase of the Life Cycle Metaphoric Bridges and Creativity The Long Shadow of Childhood Relational Trauma *Understanding and Coping with Failure* will be eagerly welcomed by all those trying to increase their awareness understanding and capacity to work with the many ramifications of this important issue Because of the uniqueness of this broad detailed exploration of the complexities of the failure experience it will be essential reading for psychoanalysts psychotherapists psychologists psychiatrists social workers counselors and students in these disciplines It will also appeal to a wider audience interested in the psychoanalytic perspective

R. D. Laing in the Twenty-First Century M. Guy Thompson, Fritjof Capra, Douglas Kirsner, 2025-06-20 In this remarkable review of the seminal contribution of the Scottish psychiatrist and psychoanalyst R D Laing the three authors each intimately acquainted with the subject matter explore Laing s intellectual and clinical legacy Written from the perspective of a psychoanalyst a scientist and a philosopher this unique book thoroughly addresses the

three principal themes that defined Laing's work: his views about sanity and madness, the use of therapy with those suffering from psychotic disturbance and the vicissitudes of love relationships. They also explore authenticity, altered states and healing. The authors bring a broad range of viewpoints in assessing Laing's seminal contribution to contemporary thought from both a scholarly and personal assessment rooted in each of their diverse relationships with him, both professional and personal. This volume will be of interest to those in the worlds of psychoanalysis, philosophy, science and anyone with an interest in the work of R D Laing. **The Transforming Self: New Dimensions in Psychoanalytic Process** David Shainberg, 1973

All in the Family Betty Jane Wylie, 1988 The British Anti-Psychiatrists Oisín Wall, 2017-09-13 The British anti-psychiatric group which formed around R D Laing, David Cooper and Aaron Esterson in the 1960s burned bright but briefly and has left a long legacy. This book follows their practical, social and theoretical trajectory away from the structured world of institutional psychiatry and into the social chaos of the counter culture. It explores the rapidly changing landscape of British psychiatry in the mid Twentieth Century and the apparently structureless organisation of the part of the counter culture that clustered around the anti psychiatrists, including the informal power structures that it produced. The book also problematizes this trajectory, examining how the anti psychiatrists distanced themselves from institutional psychiatry while building links with some of the most important people in post war psychiatry and psychoanalysis. The anti psychiatrists bridged the gap between psychiatry and the counter culture and briefly became legitimate voices in both. Wall argues that their synthesis of disparate discourses was one of their strengths but also contributed to the group's collapse. *The British Anti Psychiatrists* offers original historical expositions of the Villa 21 experiment and the Anti University. Finally, it proposes a new reading of anti psychiatric theory, displacing Laing from his central position and looking at their work as an unfolding conversation within a social network. **A Poet of Despair Re-examined** Francis Michael Sharp, 1974 **PHILOSOPHY AND WORLD**

PROBLEMS - Volume I John McMurtry, 2011-12-11 Philosophy and World Problems theme is a component of Encyclopedia of Social Sciences and Humanities in the global Encyclopedia of Life Support Systems (EOLSS) which is an integrated compendium of twenty-one Encyclopedias. The Theme on Philosophy and World Problems deals in three volumes and covers several topics with a myriad of issues of great relevance to our world. On Philosophy and World Problems, Philosophy resists conclusions because its method across disagreements, like modern science, to which it gives rise, always leaves issues open to counter argument and furtherance of understanding. This is how philosophy differs from religious, sectarian and other dogmas and closed systems of thinking. Yet agreement across the research contributing to this work is implicit or explicit on one meta-principle: whatever is incoherent with organic social and ecological life requirements through time is false and evil to the extent of its reduction and destruction of life fields and support systems. These three volumes are aimed at a wide spectrum of audiences: University and College Students, Researchers and Educators. **Allan King's A Married Couple** Zoë Druick, 2010-01-01 In Allan King's *A Married Couple*, Zoë Druick examines the film in the context of late 1960s cinematic and

cultural movements Through a scene by scene synopsis and an analysis of contemporary responses to the piece she traces A Married Couple s influence on documentary and Canadian filmmaking This work is an accessible and engaging introduction to a controversial film and its fascinating director pub desc

The Oxford Shakespeare: The Tragedy of Coriolanus
William Shakespeare, 2008-04-17 Coriolanus is perhaps the most brilliant political play ever written Set in Ancient Rome it remains a gripping psychological study of the relationship between personality and politics The introduction to this new edition considers Shakespeare s adaptation of his historical material Plutarch s Lives in relation to the social and political conditions in London and Stratford at the time of the play s composition also offering new evidence that it was written in 1608 Professor Parker examines the play s history and particularly its staging at the Blackfriars theatre where it was probably the first of Shakespeare s plays to be presented and for which it may have been written A thorough commentary pays special attention to the needs of actors and directors ABOUT THE SERIES For over 100 years Oxford World s Classics has made available the widest range of literature from around the globe Each affordable volume reflects Oxford s commitment to scholarship providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities helpful notes to clarify the text up to date bibliographies for further study and much more
