The Ponsonby Diamonds L T Meade, 2021-01-28 Book Excerpt elegram she said We are in terrible trouble here Violet is in the strangest condition She is very feverish her strength seems completely gone She lies hour after hour moaning to herself and takes little notice of anyone How long has this state of things gone on I asked The complete breakdown only took place yesterday but Miss Temple assures me that Violet has been failing for some time Her father and I noticed on one or two occasions that she seemed pale and languid but as there was a good deal to excite her we put her fatigue down to that source Under your judicious treatment and the admirable care Miss Temple gave her we considered her perfectly recovered and it did not enter into our minds that a recurrence of the old attack was possible When you speak of Lady Violet having much to excite her you doubtless allude to her engagement I said I saw it officially announced in the Morning Post I judged from it that she had quite recovered Lady Erstfield **The Strand Magazine** Sir George Newnes, 1894 The Strand Magazine .1894 Stories from the diary of a doctor, by L.T. Meade and Clifford Halifax, M.D. Elizabeth Thomasina Meade, L. Sherlock's Sisters Joseph A. Kestner, 2017-03-02 Sherlock's Sisters The British Female Detective 1864 T. Meade. 1894 1913 examines the fictional female detective in Victorian and Edwardian literature This character originating in the 1860s configures a new representation of women in narratives of the nineteenth and twentieth centuries This analysis explores female empowerment through professional unofficial or official detection especially as this surveillance illuminates legal moral gendered institutional criminal punitive judicial political and familial practices. This book considers a range of literary texts by both female and male writers which concentrate on detection by women particularly those which followed the creation of Sherlock Holmes by Arthur Conan Doyle in 1887 Cultural movements such as the emergence of the New Woman property law or suffragism are stressed in the exploits of these resourceful investigators. These daring women deal with a range of crimes including murder blackmail terrorism forgery theft sexual harassment embezzlement fraud impersonation and domestic violence Privileging the exercise of reason rather than intuition these women detectives are proto feminist in their demonstration of women s independence Instead of being under the law these women transform it Their investigations are given particular edge because many of the perpetrators of these crimes are women Sherlock's Sisters probes many texts which because of their rarity have been under researched Writers such as Beatrice Heron Maxwell Emmuska Orczy L T Meade Catherine Pirkis Fergus Hume Grant Allen Leonard Merrick Marie Belloc Lowndes George Sims McDonnell Bodkin and Richard Marsh are here incorporated into the canon of Victorian and Edwardian literature many for the first time A writer such as Mary Elizabeth Braddon is reassessed through a neglected novel The book includes works by Irish and Australian writers to present an inclusive array of British texts Sherlock's Sisters enlarges the perception of emerging female empowerment during the nineteenth century filling an important gap in the fields of Gender Studies Law Literature and Popular Culture The Ponsonby Diamonds L. T. Meade, 2004-06-01 No one else suspects you at present at Beeches but

that state of things will not continue there much longer As soon as the detectives from London arrive their suspicions will naturally be fastened on you Your youth and apparent innocence will in no way deceive them They will whisper doubts into the minds of Lord and Lady Erstfield and into the mind also of Lady Violet The Academy ,1894 The Book of Diamonds Joan Y. Dickinson, 2012-08-02 Perhaps the most prized of all gems diamonds have a long and fascinating history In this engrossing profusely illustrated volume that history is covered in detail from early discoveries in the Golconda mines of India probably the site of the first diamonds ever unearthed and digs in Brazil to the South African diamond rush and development of major mining companies Over 200 illustrations include step by step photos showing how these valuable stones are mined and the intricacies of cutting and faceting while reproductions of museum paintings and photographs depict famous individual diamonds as well as outstanding rings bracelets brooches pins earrings watches tiaras and other traditional and modern diamond pieces Here also are stories of the most famous and infamous diamonds the Koh i Noor in the Tower of London the Hope in the Smithsonian Institution the Regent in the Louvre the Orloff in the Kremlin and many other celebrated jewels More than a dramatically told story of diamonds this volume will also serve as a practical guide for anyone who owns a diamond or plans to buy one It explains and illustrates different diamond cuts the role of carats and how to buy diamonds for sentiment beauty show flawlessness or investment Anyone who has ever been captivated by the matchless brilliance of these rare gems will find this book an informative highly readable addition to their personal library **Contamination in Late Victorian Detective Fiction** Dr Christopher Pittard, 2013-05-28 Concentrating on works by authors such as Fergus Hume Arthur Conan Doyle Grant Allen L T Meade and Marie Belloc Lowndes Christopher Pittard explores the complex relation between the emergence of detective fictions in the 1880s and 1890s and the concept of purity The centrality of material and moral purity as a theme of the genre Pittard argues both reflected and satirised a contemporary discourse of degeneration in which criminality was equated with dirt and disease and where national boundaries were guarded against the threat of the criminal foreigner Situating his discussion within the ideologies underpinning George Newnes s Strand Magazine as well as a wide range of nonfiction texts Pittard demonstrates that the genre was a response to the seductive and impure delights associated with sensation and gothic novels Further Pittard suggests that criticism of detective fiction has in turn become obsessed with the idea of purity thus illustrating how a genre concerned with policing the impure itself became subject to the same fear of contamination Contributing to the richness of Pittard s project are his discussions of the convergence of medical discourse and detective fiction in the 1890s including the way social protest movements like the antivivisectionist campaigns and medical explorations of criminality raised questions related to moral purity The Open Shelf, 1895 The Literary Era ,1894 The Annual American Catalogue, 1895 Annual Report Lancaster (Mass.). Town Library, 1894 Legislative Document New York (State). Legislature, 1919

 Story in British Periodicals of the 1890s Winnie Chan,2007-01-23 This materialist study of the short story s development in three diverse magazines reveals how at the dawn of modernism commercial pressures prompted modernist formal innovation in popular magazines whilst anti commercial opacity paradoxically formed the basis of an effective marketing strategy that appealed to elitism Integrating methods of cultural studies with formal analyses this study builds upon recent work challenging Andreas Huyssen's provocative formation the great divide of modernism Diamond Atlas Charles Colby,1857 Catalogue of the Loan Exhibition of Ancient and Modern Jewellery and Personal Ornaments. 1872,1873 Book News, 1895 After Sherlock Holmes LeRoy Lad Panek,2014-08-12 The appearance of Sherlock Holmes in The Strand Magazine in 1891 began a stampede of writers who wanted to emulate build upon or even satirize Arthur Conan Doyle's work This book explores the development of detective fiction during the critical period between Conan Doyle's creation of Holmes and the advent of the Golden Age of the detective story during World War I Both British and American detective writers of the period are surveyed as well as writers who turned to gentleman burglars and master criminals
