The Pony Circus Wagon Ronald K. Claiborne, 2005-07-28 Former classics professor Bertrand McAbee an ambivalent P I is asked to investigate a fatal car crash in Ohio The victim was a former professorial colleague of his McAbee s involvement in this apparently simple investigation will find him ensconced in an extraordinary set of events that began just prior to World War I A toy the pony circus wagon is embedded with a fortune in jewels along with a story and provenance of incredible dimensions The toy is something to kill for and that s exactly what has been happening **The Demosthenes Club** Joseph A. McCaffrey, 2018-06-21 Cynthia Power is found dead in her garage The cops declare it a clear case of suicide over the objection of her psychiatrist who asks P I Bertrand McAbee to investigate As he does he becomes aware of a high school group called the Demosthenes Club that was formed in 1967 Cynthia was a member along with seven other students They were extremely gifted and went on to great success with the exception of one who drowned just before graduation in 1968 McAbee discovers the eight students had strained relations with each other Cynthia became aware of information that unsettled her as she was putting together a book about the club so much so that it becomes apparent to McAbee that her work and speculations would make her dangerous In the course of his investigation he is inexorably drawn to Cynthias time in Sarajevo and the murder of her lover Toma Eventually he sees the need to visit Sarajevo and Belgrade to finally get a hold on this extraordinary case Through the process of his work he will utilize his associates who have figured heavily through all of his cases Augusta Satin his best friend and purported lover Pat Trump his can do secretary Jack Scholz his dangerous right hand man and the troubled Barry Fisk his computer wizard As the investigation proceeds McAbee will deal with the five remaining members of the club Now in their late sixties all of them are tough battle hardened and compulsively protective of the reputations and legacies And yet at least one of them is probably a murderer with ruthless instincts A Scandalous Affair Clarissa Ross, 2013-11-25 As Crimson Romance celebrates its first anniversary we honor those pioneers who helped shape the direction of romance novels for all of us Suspense mystery paranormal activity and love always love have been the cornerstone of the genre since the early 1970s Now we have updated the covers to these classics but not the words and reissued these timeless reads to let you relive the thrill of discovering a world of romance all over again She clawed her way to the top only to lose what she wanted most Mary Scott s climb from disgraced kitchen maid to the toast of London a theatrical beauty fit for a Prince Regent was filled with twists and turns One misstep could send her hurtling back down or make her a love slave to a man she hated Sensuality Level Behind Closed Doors **Hidden History of Dubuque** Susan Miller Hellert, 2016 Poised on the banks of the mighty Mississippi River Dubuque provided a vital entry point for westward expansion Explorers Native Americans fur traders lead miners and pilgrims all played a part in the little known history of Iowa s Driftless Region It was Dubuque that contributed the first military company in the country for service at the start of the Civil War Jefferson Davis made a foray into the city in pursuit of lead miners And gangster Al Capone reportedly used the
