EDITED BY HELEN GRAHAM  
AND PAUL PRESTON

# The Popular Front In Europe

**Mark Hewitson, Matthew D'Auria**

## **The Popular Front In Europe:**

The Popular Front in Europe Helen Graham, Paul Preston, 1988-12-05 Out of the social and economic turmoil of Europe in the 1930s the Popular Front emerged as the spearhead of the left's bid to stop fascism in its tracks Fifty years on from the birth of the Popular Front this edited collection assesses the impact of the idea of bourgeois proletarian alliance on the European left as a whole It also examines the fate of the Popular Front governments both in France which remained nominally at peace and in Spain where the bitter strife over social and economic reform erupted into open civil war *The Popular Front and Central Europe* Nicole Jordan, 2002-08-22 A study of French policies in Central Europe from Versailles until the fall of France *The French and Spanish Popular Fronts* Martin S. Alexander, Helen Graham, 2002-06-06 The first multi dimensional approach to the Front phenomenon of the 1930s

**European Socialists Respond to Fascism: Ideology, Activism and Contingency in the 1930s** Gerd-Rainer Horn, 1996-11-21 Based on documents collected in six European countries *European Socialists Respond to Fascism Ideology Activism and Contingency in the 1930s* is a transnational study of largely parallel developments in Austria Belgium France Germany and Spain in the years 1933 1936 Triggered into action by the shock effect of the Nazi rise to power in Germany socialists throughout Western Europe entered an unusually active period of practical reorientation and debate over political strategy which helped determine the contours of European politics up to the outbreak of World War II and beyond Stressing the transnational dimension of this process while simultaneously integrating local regional and national factors this work finds that it was social democracy rather than communism that acted as the primary vehicle for radical change among European marxists during the 1930s Following major figures within the European left and the significant events that made up the inter war period Gerd Rainer Horn demonstrates the interconnectedness of Europe's interwar socialists Finally Horn manages to relate these findings to the ongoing interdisciplinary debate on structure agency and contingency in the historical process

**European Integration and the Communist Dilemma** Giorgos Charalambous, 2016-07-22 *European Integration and the Communist Dilemma* assesses the response of communist parties to European integration using three contrasting and comparatively significant case studies from Greece Cyprus and Italy These parties in common with other radical parties in Europe face a continuing strategic dilemma with regard to Europe through which larger questions about communist ideology and identity can be illuminated Exploring the tendency of communist parties to face a trade off between domestic legitimacy and electoral concerns and their nature as parties professing opposition to the systemic currents of capitalism and European integration the author provides a fascinating study of the nuances in deciding whether to adopt ideological consistency or undergo moderation Blending advances in party politics communist history and Europeanization research the book devises a framework that overcomes the deficiencies of uni dimensional approaches to the study of parties and Europe In this manner wider insights on the national party politics of European integration are drawn

**The Oxford Handbook of Postwar European History**

Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the 35 chapters of this book As well as diplomatic political institutional economic and social history the The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the thirty five essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by acknowledged experts as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

**Liberal Parties in Europe** Emilie van Haute, Caroline Close, 2019-02-12 This book investigates how liberal parties have evolved over time as a party family in a comparative perspective Through a discussion of the applicability of the concept of party family to liberal parties it gives a better picture of the development challenges and opportunities for liberal parties in Europe The history of liberal parties in Europe is peculiar and the origins of the liberal family are not clearly defined Liberal parties are still quite heterogeneous given the various meanings embraced in the idea of liberalism including economic liberalism cultural liberalism progressivism social liberalism Bringing together the best specialists engaged in the study of liberal parties and with a two levels perspective comparative and case study this book renews and expands our knowledge on the liberal party family in Europe Four major themes are developed linked to the four approaches of the concept of party family electoral performances participation to power ideology and political program and party organization These themes are systematically developed in case studies and in comparative chapters Primarily aimed at scholars and students in comparative politics this book should especially appeal to scholars in the fields of political parties and party systems representation and elections voting behavior and public opinion

**Party Systems in East Central Europe** Ladislav Cabada, Vít Hloušek, Petr Jurek, 2014-01-23 Party Systems in East Central Europe analyzes the formation of political parties in the nations of this region In the first part the authors concentrate on the key periods and turning points in this development connecting them with the democratization of the countries in the region in the last third of the nineteenth century This includes a look at the period before World War I between the wars and

particularly in the times after the fall of the communist regimes The analysis focuses chiefly on the ideological background that gave way to the rise of political parties in the region In relation to this the authors base their writing mainly on the socio political theory of Stein Rokkan The second part of the book is a political analysis of the key aspects related to party politics First the authors examine the ties of political parties to broad social processes using the classic theories of Giovanni Sartori and Stein Rokkan Next they continue with the analysis of the operation of parties within governments with a special focus on the creation of coalition governments functioning of coalitions and coalition governance Last some defects are reflected upon as well as unfinished processes related to the fast establishment of political parties in the region e g absence of firm links with social groups high volatility instability of parties etc

*Frenemies* Mark L. Haas, 2022-01-15 In *Frenemies* Mark L Haas addresses policy guiding puzzles such as Why do international ideological enemies sometimes overcome their differences and ally against shared threats Why just as often do such alliances fail Alliances among ideological enemies confronting a common foe or frenemy alliances are unlike coalitions among ideologically similar states facing comparable threats Members of frenemy alliances are perpetually torn by two powerful opposing forces Haas shows that shared material threats push these states together while ideological differences pull them apart Each of these competing forces has dominated the other at critical times This difference has resulted in stable alliances among ideological enemies in some cases but the delay dissolution or failure of these alliances in others Haas examines how states susceptibility to major domestic ideological changes and the nature of the ideological differences among countries provide the key to alliance formation or failure This sophisticated framework is applied to a diverse range of critical historical and contemporary cases from the failure of British and French leaders to ally with the Soviet Union against Nazi Germany in the 1930s to the likely evolution of the United States alliance system against a rising China in the early 21st century In *Frenemies* Haas develops a groundbreaking argument that explains the origins and durability of alliances among ideological enemies and offers policy guiding perspectives on a subject at the core of international relations

History for the IB Diploma Paper 3 European States in the Interwar Years (1918-1939) Allan Todd, Sally Waller, Jean Bottaro, 2016-06-16 Comprehensive books to support study of History for the IB Diploma Paper 3 revised for first assessment in 2017 This coursebook covers Paper 3 History of Europe Topic 14 European States in the Inter War Years 1918 1939 of the History for the IB Diploma syllabus for first assessment in 2017 Tailored to the Higher Level requirements of the IB syllabus and written by experienced IB History examiners and teachers it offers authoritative and engaging guidance through the topic exploring domestic developments during this time in Germany Italy Spain and France

**The Oxford Illustrated History of Modern Europe** T. C. W. Blanning, 2001-01-11 Written by an international team of leading scholars The Oxford History of Modern Europe traces Europe s turbulent history from the beginnings of the Revolution in France to the dawn of two World Wars to the breakup of the Soviet Union to today s kaleidoscope of nation states The achievements and failures of key figures from many arenas politics technology warfare

religion and the arts among them are drawn vividly and social cultural and economic insights are included alongside the record of geopolitical strife We read of the personality cult as exemplified by the Soviet portraits glorifying Lenin the importance of the nylon stocking in the post World War II economic boom the influence of religion as five new nations Serbia Montenegro Bulgaria Romania and Albania emerged between 1871 and 1914 an influence that continues to be both vigorous and deadly and the confrontation between traditional and modern cultures captured as the railway age began in Russia Beautifully illustrated with over 200 pictures in color and black and white this insightful book offers an unparalleled informed perspective on the history of an ever changing continent A History of European Socialism Albert S.

Lindemann,1983-01-01 This is a serious and accomplished synthesis Biographical vignettes enliven the presentation of ideas and references to studies of regional diversities give the narrative an uncommonly rich texture Lucid and illuminating It is the best book on the subject to put into the hands of our students Helmut Gruber International Labor and Working Class History A synthetic narrative by a young academic scholar who has independent ideas on an important subject This book is worth reading if for no other reason than its modest but nonpatronizing rehabilitation from generations of Marxist caricature of a host of deeply democratic European socialists James H Billington Washington Post Book World One asset of this book is its lack of the overbearing personal partisanship one finds in so many historical studies of socialism Lindeman incorporates some recent and inaccessible studies in social history written from the bottom up David D Arcy World View As a whole Lindemann offers a more balanced treatment of the ideas and the movement of socialism than found in many extant histories A must for all college and university libraries Choice A competent and fair minded study of a controversial subject It presents much factual material and judicious interpretation in lucid prose L S Stavrianos Los Angeles Times Book Review Europe in Crisis Mark Hewitson,Matthew D'Auria,2012 The period between 1917 and 1957 starting with the birth of the USSR and the American intervention in the First World War and ending with the Treaty of Rome is of the utmost importance for contextualizing and understanding the intellectual origins of the European Community During this time of crisis many contemporaries especially intellectuals felt they faced a momentous decision which could bring about a radically different future The understanding of what Europe was and what it should be was questioned in a profound way forcing Europeans to react The idea of a specifically European unity finally became at least for some a feasible project not only to avoid another war but to avoid the destruction of the idea of European unity This volume reassesses the relationship between ideas of Europe and the European project and reconsiders the impact of long and short term political transformations on assumptions about the continent's scope nature role and significance **A Popular Vision** Rachel Barrowman,1991 **Italy, Europe, The Left** Vassilis Fouskas,2018-12-20 Published in 1998 Was the Italian Communist Party PCI a typical Social Democratic party in tune with the programmatic principles of the Second International What is the appropriate context within which the strategies of historic compromise and Eurocommunism in the 1970s can be analyzed and understood In what form and to

what extent has the process of European integration and the crisis of Keynesianism contributed to the transformation of the party in 1989 91 What caused the collapse of the ruling political class of the First Italian Republic Why did the transformed PCI the PDS Democratic Party of the Left fail to lead the transition to the Second Italian Republic between 1992 and 1996 Is there any link between the party's historical factions and the current divisions in the Italian Left Is it possible to theorize and speculate upon these divisions Italy Europe the Left seeks to answer these questions debating conventional views and examining the extent to which the end of the Cold War has contributed to a redefinition of the Left's identity in Italy and Europe The exemplary methodological framework and the wider European perspective adopted throughout make the book an indispensable reading in the field of Italian and European politics

**Refugees From Nazi Germany and the Liberal European States** Frank Caestecker,Bob Moore,2010-01-01 The exodus of refugees from Nazi Germany in the 1930s has received far more attention from historians social scientists and demographers than many other migrations and persecutions in Europe However as a result of the overwhelming attention that has been given to the Holocaust within the historiography of Europe and the Second World War the issues surrounding the flight of people from Nazi Germany prior to 1939 have been seen as Vorgeschichte pre history implicating the Western European democracies and the United States as bystanders only in the impending tragedy Based on a comparative analysis of national case studies this volume deals with the challenges that the pre 1939 movement of refugees from Germany and Austria posed to the immigration controls in the countries of interwar Europe Although Europe takes center stage this volume also looks beyond to the Middle East Asia and America This global perspective outlines the constraints under which European policy makers and the refugees had to make decisions By also considering the social implications of policies that became increasingly protectionist and nationalistic and bringing into focus the similarities and differences between European liberal states in admitting the refugees it offers an important contribution to the wider field of research on political and administrative practices

**Eastern Europe since 1945** Geoffrey Swain,Nigel Swain,2017-10-26 An established introductory textbook that provides students with an engaging overview of the complex developments in Eastern Europe from the end of the Second World War through to the present Tracing the origins of the socialist experiment de Stalinisation and the transition from socialism to capitalism it explores the key events in each nation's recent history This is an ideal core text for dedicated modules on Eastern European History or Europe since 1945 including Central Europe and the Balkans or a supplementary text for broader modules on Modern European History or European Political History which may be offered at all levels of an undergraduate history politics or European studies degree In addition it is a crucial resource for students who may be studying the recent history of Eastern Europe for the first time as part of a taught postgraduate degree in Modern European history European politics or European studies New to this Edition A fully revised new edition of an established text updated throughout to incorporate the latest research Provides coverage of recent events Offers increased focus on social and cultural history with greater emphasis on everyday life and experiences in

Eastern Europe      **Czechoslovakia Between Stalin and Hitler** Igor Lukes,1996 A diplomatic history of events leading up to the Munich crisis in 1938 in which Great Britain and France decided to appease Hitler's demands to annex the Sudetenland The book aims to integrate a full understanding of the Czech role with wider events      **Europe's Last Frontier?** Oliver Schmidtke,S. Yekelchik,2016-04-30 Three former western Soviet republics Ukraine Belarus and Moldova now find themselves torn between the European Union and the increasingly assertive Russia This volume examines the foreign and domestic policies of these states with an eye to the lasting legacy of Russian domination and the growing attraction of Europe      *The Oxford History of Modern Europe* T. C. W. Blanning,2000 Written by eleven contributors of international standing this book offers a readable and authoritative account of Europe's turbulent history from the French Revolution in the late eighteenth century to the present day Each chapter portrays both change and continuity revolutions and stability and covers the political economic social cultural and military life of Europe This book provides a better understanding of modern Europe how it came to be what it is and where it may be going in the future

### **The Popular Front In Europe Introduction**

In today's digital age, the availability of The Popular Front In Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Popular Front In Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Popular Front In Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Popular Front In Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Popular Front In Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Popular Front In Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Popular Front In Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Popular Front In Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Popular Front In Europe books and manuals for download and embark on your journey of knowledge?

## **FAQs About The Popular Front In Europe Books**

1. Where can I buy The Popular Front In Europe books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
