The Portable Stephen Crane Stephen Crane, 1985 The Portable Stephen Crane Stephen Crane, 1977-07-28 A man is born into the world with his own pair of eyes and he is not responsible for his vision he is merely responsible for his quality of personal honesty In the course of his tragically abbreviated career Stephen Crane 1871 1900 saw things that his contemporaries preferred to overlook the low life of New York's Irish slums the tedium brutality and chaos that were the true conditions of the Civil War the ambiguous contract that binds a terrified man to his killer and the damned to their human judges He communicated what he saw with the same laconic factuality that characterized his journalism and in the process laid the foundations for the unblinking realism of Hemingway and Dos Passos The Portable Stephen Crane allows us to appreciate the full scope and power of this writer's vision It contains three complete novels *Maggie* *A Girl of the Streets* *George's Mother* and Crane's masterpiece *The Red Badge of Courage* nineteen short stories and sketches including *The Blue Hotel* and *The Open Boat* a barely fictionalized account of his own escape from shipwreck while covering the Cuban revolt against Spain the previously unpublished essay *Above All Things* letters and poems plus a critical essay and notes by the noted Crane scholar Joseph Katz
