

The Portingale

Brooks Hansen

The Portingale:

The Portingale Alison Macleod, 1976 Based on the life of Catherine of Braganza *The Voyage of Sir Henry Middleton to Bantam and the Maluco Islands* Henry Middleton, 1855 *The Routledge Anthology of Renaissance Drama* Simon Barker, Hilary Hinds, 2003-09-02 This anthology offers a full introduction to Renaissance theatre in its historical and political context along with newly edited and thoroughly annotated texts of the following plays The Spanish Tragedy Thomas Kyd Arden of Faversham Anon Edward II Christopher Marlowe A Woman Killed with Kindness Thomas Heywood The Tragedy of Mariam Elizabeth Cary The Masque of Blackness Ben Jonson The Knight of the Burning Pestle Francis Beaumont Epicoene or the Silent Woman Ben Jonson The Roaring Girl Thomas Middleton Thomas Dekker The Changeling Thomas Middleton William Rowley Tis Pity She s a Whore John Ford Each play is prefaced by an introductory headnote discussing the thematic focus of the play and its textual history and is cross referenced to other plays of the period that relate thematically and generically An accompanying website contains a wide selection of contextual documents which supplement the anthology www.routledge.com/textbooks/0415187346 **The Ancient British Drama ...**, 1810 **The Hispano-Portuguese Empire and Its Contacts with Safavid Persia, the Kingdom of Hormuz and Yarubid Oman from 1489 to 1720** Willem M. Floor, Farhad Hakimzadeh, 2007 Given the important role that the Portuguese played in the Persian Gulf from 1507 to 1720 knowing what is available about their activities in this area is not only of importance to those interested in the history of Portugal but also of those interested in the history of Bahrein Iran Iraq Oman Qatar eastern Saudi Arabia and the United Arab Emirates This bibliography of printed published works therefore contains a full list of primary and secondary sources not only in Western languages but also in Persian Arabic and Turkish It aims to facilitate the work of scholars and students but also of the non specialist i e those among the general public who want to know more about this part of the world during the sixteenth and seventeenth centuries and about the activities of the Portuguese Although other bibliographies exist that include the activities of the Portuguese in the Persian Gulf all are in need of updating and none are as comprehensive as this bibliography **Costumes and Scripts in the Elizabethan Theatres** Jean MacIntyre, 1992 The scripts of the Admiral s Men later Prince Henry s Men the Chamberlain s Men later the King s Men boy actors and Worcester s Queen Anne s Men are examined in detail to document the differing costume practices of these companies especially the ways in which in their earlier days they reconciled visual splendor with the greatest possible economy **Darien** Eliot Warburton, 1853 *Letters from the Mary Rose* David Loades, C S Knighton, 2022-06-23 The authors are to be congratulated on a book which merits usage in the national curriculum International Journal of Nautical Archaeology The raising of the Tudor warship Mary Rose in 1982 has made her one of the most famous ships in history though there is a good deal more to her story than its terminal disaster She served successfully in the Royal Navy for more than thirty years before sinking for reasons still uncertain during a battle off Portsmouth in 1545 There have been many books published about Mary Rose but this is the only one written

largely by those who sailed with her It is based around original documents including all the known despatches written aboard Mary Rose by the commanding admirals Extracts from accounts and other papers illustrate the building equipping and provisioning of the ship Although this is primarily a view from the quarter deck there are occasional glimpses of life below The collection concludes with reports of the sinking and of the first attempts to salvage the ship and her ordnance The documents are presented in modern spelling and are set in context through linking narratives Technical terms are explained and the principal characters introduced The texts are supplemented by contemporary images and by photographs of the preserved ship and recovered objects A new range of illustrations has been added to this edition published forty years on from the raising of the hull *The first and second volumes of Chronicles* Raphael Holinshed,1587 [Queen Elizabeth and Her Times](#) Thomas Wright,1838 **Queen Elisabeth and Her Times** Thomas Wright (writer),1838 **The Monsters of St. Helena** Brooks Hansen,2003-12-16 In 1815 Napoleon Bonaparte is exiled to the island of St Helena in the Atlantic the place on earth farthest from any other place The island is populated by English expatriates the descendants of Portuguese settlers and their slaves Bonaparte s arrival with a retinue of fifteen hundred people throws the island population into turmoil and particularly alarms the slaves who believe the emperor to be a demon After settling in a teahouse in a patch of briars and fruit trees Napoleon is befriended by a teenage girl Betsy Balcombe the only person who is able to penetrate the imperial facade and understand the proud wounded man within *Theater of a City* Jean E. Howard,2011-06-03 Arguing that the commercial stage depended on the unprecedented demographic growth and commercial vibrancy of London to fuel its own development Jean E Howard posits a particular synergy between the early modern stage and the city in which it flourished In London comedy place functions as the material arena in which social relations are regulated urban problems negotiated and city space rendered socially intelligible Rather than simply describing London the stage participated in interpreting it and giving it social meaning Each chapter of this book focuses on a particular place within the city the Royal Exchange the Counters London s whorehouses and its academies of manners and examines the theater s role in creating distinctive narratives about each In these stories specific locations are transformed into venues defined by particular kinds of interactions whether between citizen and alien debtor and creditor prostitute and client or dancing master and country gentleman Collectively they suggest how city space could be used and by whom and they make place the arena for addressing pressing urban problems demographic change and the influx of foreigners and strangers into the city new ways of making money and losing it changing gender roles within the metropolis and the rise of a distinctive town culture in the West End Drawing on a wide range of familiar and little studied plays from four decades of a defining era of theater history *Theater of a City* shows how the stage imaginatively shaped and responded to the changing face of early modern London

Queen Elizabeth and her times, original letters selected from the private correspondence of Burghley [and others ed.] by T. Wright Thomas Wright,1838 **Queen Elizabeth and Her Times, a Series of Original Letters,**

Selected from the Inedited Private Correspondence of Burghley, Leicester,, Walsingham A. Smith, Sir Christopher Hatton ... Elizabeth I (koningin van Engeland),1838 Queen Elizabeth and Her Times Thomas Wright,2025-07-29 Reprint of the original first published in 1838 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Queen Elizabeth and Her Times** William Cecil,1838 **The Gipsy: a Tale** George Payne Rainsford James,1850 *Diary of Richard Cocks* Richard Cocks,1883 **Iohn Huighen Van Linschoten His Discours of Voyages Into Ye Easte&West Indies** Jan Huygen van Linschoten,1598
