American expatriates The Wings of the Dove tells the story of Milly Theale an American heiress stricken with a serious disease and her effect on the people around her Some of these people befriend Milly with honorable motives while others are more self interested The American is an uneasy combination of social comedy and melodrama concerning the adventures and misadventures of Christopher Newman an essentially good hearted but rather gauche American businessman on his first tour of Europe Henry James 1843-1916 was an American British writer who spent most of his writing career in Britain He is regarded as one of the key figures of 19th century literary realism The Portrait of a Lady (with an Introduction by Charles R. Anderson) Henry James, 2018-04 First published serially in The Atlantic Monthly between 1880 and 1881 Henry James The Portrait of a Lady is widely regarded as one of the author's finest literary achievements As is common with James work a contrast is drawn between the cultural and social differences between America and Europe through the portrayal of American expatriates in Europe The titular lady in question is that of Isabel Archer a spirited young American woman who inherits a large sum of money and subsequently falls prey to the machinations of individuals trying to gain control of her fortune The fiercely independent Isabel is set upon fully enjoying her fortune by travelling the European continent While she had previously rejected two marriage proposals she is taken with an American expatriate Gilbert Osmond while visiting Florence and decides to accept his matrimonial offer Marital bliss quickly turns to unhappiness when the two settle in Rome and Isabel realizes Gilbert's overwhelming egotism and lack of genuine affection for her One of James most enduringly popular works The Portrait of a Lady is heralded as a classic of the modern era This edition is printed on premium acid free paper and includes an introduction by Charles R Anderson *The Portrait of a Lady* Henry James, 2016-07-19 Complete digitally restored reprint facsimile handmade reproduction of the original edition of 1882 with excellent resolution and outstanding readability The layout is 30 % larger as the original for a better readability The Portrait of a Lady is a novel by Henry James first published as a serial in The Atlantic Monthly and Macmillan's Magazine in 1880-81 and then as a book in 1881 It is one of James's most popular long novels and is regarded by critics as one of his finest *The Portrait of a Lady: Annotated and Illustrated* Henry James, 2020-03-11 THE PORTRAIT OF A LADY INTRODUCTION The Portrait of a Lady is recognized as one of the greatest of the many great works of Henry James Why Well there are the obvious answers the novel which was released in installments in the Atlantic Monthly magazine in 1880 was an instant hit critics then and now praise its attention to psychological detail and realistic situations It is widely acknowledged to be the masterpiece of James's early period and is still one of his top selling novels according to Amazon.com sales Then there are the more intimate reasons The characters are in a word unforgettable It's easy to find yourself deeply involved in a personal relationship with Isabel or Ralph or to imagine yourself confronting Madame Merle or Osmond The novel's characters so brim with life they seem like they can step off the page and into our lives James's vibrant living breathing microcosm of society still feels like an incredible achievement and it's what keeps this novel feeling so contemporary and compulsively readable WHAT IS THE PORTRAIT OF

A LADY ABOUT AND WHY SHOULD I CARE OK we know that The Portrait of a Lady has already been translated to the screen at least twice but get this what if we made a weekly TV show based on it Yeah you heard us Come on it ll be so popular We ll find a gorgeous young group of unknowns to play our gorgeous young main characters and an unusually attractive moderately recognizable cast of thirty somethings to play our so called older characters that way we can snag the teenage through early thirties demographics Awesome Then we ll update it to the modern day which means that we can totally get the whole fashion industry in on the fun we ll create a really catchy quirky but accessible look for Isabel so that pretty soon every girl in America between the ages of eleven and thirty five will want to have all the same clothes Isabel wears even if they re totally ridiculous Which they will be The name We re glad you asked So Portrait of a Lady The Show just doesn t cut it right We thought we d try and come up with something a little more edgy a little more 2000s and less 1880s then we had the genius idea that maybe our narrator will introduce every episode and that narrator will be Henry James That way we ll hopefully rope in the literature fan demographic too You laugh but they re out there There are tons of them We swear Anyhow the name As I was saying Henry James himself will be our narrator yes we re aware that he s been dead since 1916 thank you OK an actor portraying Henry James will be our narrator and he ll comment upon what happens in the story every week in a snarky charmingly comical yet somewhat ominous way You know like James actually does in the book except maybe in blog form like he s writing for some website instead of the Atlantic Monthly And we ll get some great brand recognition from him signing off the same way every episode Speaking of which there s nothing sexy about xoxo Henry James right We were thinking he could have a kind of mysterious alter ego you know a catchy nickname We ve come up with a little something that we think is pretty awesome Gossip Guy What What do you mean it s already taken Huh This is an original idea James came up with this story before television was even invented What are you thinking of Gossip What Gossip Gir Ah Oh yeah Um hmm Well thanks for your time Now hopefully this pitch isn t actually happening in a TV production company somewhere in southern California but let s learn an important lesson from it anyway you see kids long before Serena van der Woodsen and her glamorous leggy companions graced the small screen Henry James had already figured out one of the great marketing schemes of literature audiences just go gaga over the lives of the rich beautiful and eccentric
