Biblical Grandparenting (Grandparenting Matters) Dr. Josh Mulvihill, 2018-12-04 Many powerful voices are influencing our grandchildren from those at home and in their schools to those in the world of entertainment and media What can you as a grandparent do to speak wisdom and godliness into their lives Biblical Grandparenting is a full length leadership book that places grandparenting ministry on a firm scriptural foundation It is ideal for pastors and church leaders as well as for use in the classroom at seminaries

The Spirituality of Grandparenting Ralph Milton, 2007 Our spiritual vocation as grandparents is to delight in our grandchildren So begins Ralph Milton in this latest addition to the beautifully and lavishly illustrated Spirituality of series More than a celebration of grandchildren this book is a celebration of grandparenting and of the very real gifts it offers to both the grandchild and to the grandparent Which is not to say that grandparenting is always easy or fun While Milton shares lots of stories of hugs and giggles of silly songs and tender moments he also knows that many grandparents struggle with the challenge of long distance grand parenting with the pain and tension of separation from grandchildren due to marriage break up and with the anxiety and distress of grandchildren who are in trouble or who are ill But Milton doesn't dwell on these things Rather he returns always to the delight wonder and love which is foremost in the experience of any grandparent and to the inherent bond that exists between older adults and children This remarkable book is for grandparents who are new to the role and for grandparents who have earned their degree in grandparentology through long experience It is for traditional grandparents and for grandparents of adopted children it is for surrogate grandparents and even for grandparents in waiting
