The Power of Gems and Charms George H. Bratley, 1907 The Power of Gems and Charms George H. Bratley, 2015-06-05 Excerpt from *The Power of Gems and Charms* Every one who has the least romance in his soul is interested in charms though few of the present age have ever troubled themselves to inquire into their origin and history To openly declare one's belief in such things whether it be in any ordinary charm in a gem or jewel is to lay oneself open to ridicule if nothing worse Why is this The answer must be because of the inability to distinguish between superstition and romance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Power of Gems and Charms* George H.
