The Power Of God And You:

Discovering the Power of God in You Dr. Kazumba Charles, 2017-05-24 Discovering the Power of God in You is an inspiring and hopeful spiritual guidebook that encourages believers to recognize the gifts and talents that God has blessed them with and to be an active part of the Christian change that the world and God's coming kingdom so desperately need. Providing a roadmap grounded in the scriptures the author invites fellow believers to listen for God and heed the call he has placed in their lives such that they will overcome adversity with strength and with faith that with God anything and all things are possible.

Discovering the Power of God in you Eugene Kettler, 2005-03-01 The purpose of this Bible study is to help you increase your understanding of the Power God has given you and how you are to operate as a Christian. This book is designed to be used for individuals one on one discipleship or even small group studies. For so long I have witnessed people attempt to grow in their faith then just give up unless someone is constantly pushing them they do not grow. Why is this happening? God expects each one of us to seek out our own salvation with fear and trembling and study His word so we may become strong against the attacks of the enemy. This study is in a question and answer format so God can lead you into discovering what He wants you to learn from each verse.

The Power of God's Word Ronald Makaringi, 2025-01-03 The power of God's word is a faith Christian based book that consists of ten chapters which are spiritually discerned from the bible as the reference and my experience and my personal walk with God aided me in writing this book. The book is to help believers and non believers comprehend the significance of God's word and to understand the kind of life that God designed for his people it will also cause people to live a life of abundant satisfaction than living a life of pain and stress. I also outlined the purpose of God through the illustration of the word. The book will lead nonbelievers to salvation as they study it and realize what a life God has freely given. I believe that God wants our relationship with him enhanced and grown and so this book will help the world to grow with God in their walk. The biblical references made in this book are quoted from the King James Version and New International Version. I believe that this book will bring a clear meaning of the scriptures that everyone who will read it will grasp the meaning. This book will help people to raise their self esteem and develop an unstoppable mega faith to demoralize the enemy's weapon. I have a strong believe that this book will help release destinies.
