The Power Of His Resurrection:

The Power of His Resurrection Arthur Anton Vogel,1976 To Obtain Christ by Experiencing the Power of His Resurrection Witness Lee,2024-08-06 In Philippians 3 7 16 the apostle Paul uses at least three different Greek words to express the idea of gaining indicating the Lord s desire that we gain Him obtain Him and lay hold of Him In this booklet taken from Life study of Philippians Witness Lee reveals that these expressions point to three stages of the securing of Christ In this booklet I am not burdened to cover either the initial gaining of Christ or the final laying hold of Him My burden is related to the process of the continual obtaining of Christ the process which takes place between the initial gaining of Christ and the final laying hold of Him The Power of His Resurrection T. Nobody apart from Jesus Christ has resurrected from the dead Resurrection of Jesus Christ has become the central theme in Christianity and the marked difference between Christianity and other religion Jesus died and rose from dead on the third day after His crucifixion That is the beginning of resurrection doctrine and the basis for our hope as Christians The resurrection of Jesus Christ has conferred victory on all Christians which is fiercely hated by atheists and adherents in other religion Old Testament prophets prophesied it Jesus Christ himself prophesied His empty tomb was testified by Mary and Mary Magdalene and His post resurrected body was seen and touched by His disciples Notable historians like Josephus gave vivid and undisputable accounts of the resurrection of Jesus Christ However adherents of other faith continue to disprove and attack the resurrection because they know that through Jesus conquering of death all believers will subsequently share in His victory over death sin and the devil and his cohorts If the devil had known that the death of Jesus Christ will open the flood gate of victory for believers it would have discouraged him from going to the Cross of Calvary When Jesus Christ died on the Cross it seemed that all had been lost Death had won But after three days in a rich man's tomb Jesus Christ appeared live in victory over death When the news of His resurrection broke His followers refused to believe it until they saw him with their own eyes and touched Him with their own hands Then Jesus Christ gave assurance to the disciples to the effect that in the future they too would have resurrected bodies like his bodies that would never deteriorate age or perish They would have new life without death which is known as everlasting life in Christ This treatise will examine Old Testament prophesies concerning Christ coming and his resurrection New Testament evidences on resurrection including testimonies of Christ's disciples The Great Texts of the Bible: Ephesians to Colossians James Hastings, 1913 **The Watchtower** , 1928

Beale, 2023-04-25 Southwestern Journal of Theology 2023 Book Award Biblical Studies Union with Christ is an important theological and practical concept that has received considerable attention in recent years But not much consideration has been given to this union and its benefits in light of Jesus's resurrection and ascension In this follow up to his monumental A New Testament Biblical Theology G K Beale summarizes and expands on that work with an eye to fleshing out the theological implications of the resurrection and ascension Beale explains that Christ's resurrection and ascension place him as the beginning of the eschatological fulfillment of the new creational kingdom Specifically Christ is the fulfillment of a cluster of nineteen Old Testament end time expectations These eschatological realities attributed to Christ are imprinted on believers through their dynamic union and identification with him Through

careful exegesis Beale explores these facets and deliberately draws out important practical applications for everyday Christian living in the overlap of the old creation and the new Students of the New Testament will benefit from this important contribution to New Testament theology
