*The Power of Love* Ed D. Donna Castle Richardson, 2003-01-01      *The Power of Love* Osho, 2016-07-19 Explore the emotional sensations of the many facets of love and affection that bring people together with one of the twentieth century's greatest spiritual teachers. One of the most important life events is falling in love yet we never learn about it in school. Societies and religions force us into models and thought forms that are often in opposition to an organic model of love which is instead institutionalized by marriage, religious affiliations and nationalism. This results in love that is for most people a painful challenge in one form or another throughout life. In these modern days where the focus shifts more and more to realizing one's individual potential, Osho's *The Power of Love: What Does It Take for Love to Last a Lifetime* helps us to direct our search for love by widening our view, showing us that love has many manifestations and is not limited to the other. One manifestation of love is meditation, a life-changing experience that allows the flowering of real love within oneself and toward others. Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness. He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi, Nehru and Buddha who have changed the destiny of India. Since his death in 1990, the influence of his teachings continues to expand, reaching seekers of all ages in virtually every country of the world.

**The Power of Love** Karin M. Neal, 2015-08-14 My book is Holy Spirit inspired, prompting me on a journey from conflict to peace. Every psalm and poem reflects my innermost experiences through my turbulent life, including many failures and triumphs. God has proven to me time and time again that His love, strength and wisdom is present in every aspect of my life. He gave me hope when I had none. Jesus helped me start over and cast my burdens onto Him. The life I lead was long and hard, and some of these psalms and poems tell my story of pain, loss, failure and acceptance, giving me a much needed hard look at myself to make a drastic change in my life. I continue to face challenges on this journey, being prompted by the Holy Spirit to excel and not lose faith, and He has opened my eyes and helped me to accept, forgive, repent and share my experiences. I still have many weak moments, but Jesus shows me that in holding fast through faith, He will never leave me. No matter how hard life gets or how long my journey is, until I'm called home, Jesus's love will never fail me.

*In Search of Love* Moumita Choudhury, 2024-02-17 A story of a girl from a middle class family in the year 1982 where she lived with her parents and younger sister who was 5 years younger to her. Being the elder daughter, she took all the responsibilities of her family as her mother was mostly unwell. She loved her family unconditionally, especially her younger sister, but in return, she could not get love and affection. She was lonely and depressed. Years passed gradually and she grew up taking care of her family. She was lonely and sad until she met a boy with whom she fell in love. Both their families accepted their relationship and they finally got married. Life changes every moment and no one knows what shall happen in the future, though she was happy and planning her future with his dream man. The first part of the book describes her

childhood and adolescent days and how her life changed It describes her love life and later how she managed to face different challenges in her life Her story continues in the second part of the book where readers can go through the second phase of her life how she managed to cross all hurdles in life still deprived of love Will she ever get true love in her life Will her dream ever come true Will she be happy ever in her life despite of loving everyone whole heartedly The book comes with lot of surprises and the challenges which she had to face her entire life      **The Power of Love** Fernando

**and the Power of Love** Adriana García-Andrade,Lena Gunnarsson,Anna Jónasdóttir,2018-04-17 The power of love has become a renewed matter of feminist and non feminist attention in the 21st century s theory debates What is this power Is it a form of domination Or is it a liberating force in our contemporary societies Within Feminism and the Power of Love lies the central argument that although love is a crucial site of gendered power asymmetries it is also a vital source of human empowerment that we cannot live without Instead of emphasizing either or this enlightening title puts the dualities and contradictions of love center stage Indeed by offering various theoretical perspectives on what makes love such a central value and motivator for people this title will increase one s understanding as to why love can keep people in its grip even when practiced in ways that deplete and oppress In light of such analyses the contributions within Feminism and the Power of Love present new perspectives on the conditions and characteristics of non oppressive mutually enhancing ways of loving Bridging the gap between Feminist Affect Studies and Feminist Love Studies this book will appeal to undergraduate and postgraduate students including postdoctoral researchers interested in fields such as women s and gender studies sociology political science philosophy cultural studies and sexuality studies      **Beyond the Power of Love** Janice Romney,2012-11

Pitirim A. Sorokin, 2015-10-22 *The Ways and Power of Love* was originally published in 1954 when Pitirim Sorokin was in the twilight of his career and leading the Harvard Research Center in Creative Altruism. His elaborate scientific analysis of love with regard to its higher and lower forms, its causes and effects, its human and cosmic significance, and its core features constitutes the first study on this topic in world literature to date. Sorokin was the one absolutely essential twentieth-century pioneer in the study of love at the interface of science and religion. Bringing *The Ways and Power of Love* back into print allows a new generation of readers to appreciate Sorokin's genius and to move forward with his endeavor at a time when civilization itself continues to be threatened by a marked inability to live up to the ideal of love for all humankind. It is certainly right to hope with Sorokin that progress in knowledge about love can move humanity forward to a better future. Turning the sciences toward the study of love is no easy task, but it can and must be done. *The Power of Love* John Langan, 2015-01-01 It can't be seen, heard, touched, or tasted. You can't measure it, weigh it, buy it, or package it. And yet, who would deny that love is the most powerful force on earth? It makes us do crazy, wonderful things. It breaks our hearts, humbles us, lifts us up, and fills us with unspeakable joy. Most mysteriously of all, it exists in an infinite variety of forms. In this collection of essays, you'll read about love in a few of its many guises: romantic love, parental love, family love, the love of a teacher for her students, of a dog for its human, of strangers thrown together for a brief encounter. As you enjoy these accounts of love, celebrate the opportunities you have to give and receive love in your own life. ***In Search of Love, Home and Identity*** Pasquale De Marco, *In Search of Love, Home and Identity* is an introspective journey through the complexities of human existence, offering profound insights and practical guidance for navigating life's challenges and triumphs.
