The Power Of Thirteen:

Book of Shadow A.L. Hawke, 2025-08-03 Cursed the moment I fell in love with her While home in Raleigh for semester break I didn't expect my girlfriend Alondra to ask me for a favor present my Book of Shadows to the leader of a satanic cult She was looking for a new male witch for her coven Of course she knew it wouldn't be me But when a curse took hold of our college campus and the spirits I thought I'd left behind came back I realized I couldn't keep the book closed much longer Now something dark surrounds me Is it the work of the wizard with the devilish goatee Or is it a little girl possessed by something far worse I lit a dark shadow and now I feel only confusion Whatever this darkness is it's coming for Alondra our family and every witch in Hawthorne

The Books of Contemplation Mark Verman, 2012-02-01 The earliest medieval Jewish mystical writings or kabbalah date from the late twelfth and early thirteenth centuries This is the first book to focus on the most prodigious group active at that time the Circle of Contemplation The Circle of Contemplation generated a mystical theology that differs radically from mainstream kabbalistic theosophy Two of this group's penetrating speculations on God and the origins of the universe are *The Book of Contemplation* and *The Fountain of Wisdom* A meticulous and systematic study of these writings forms the core of this book Verman discovered that the Circle of Contemplation produced a series of distinct treatises each entitled *The Book of Contemplation* and attributed to the same fictitious author These treatises embodying one of the most intriguing puzzles of medieval literature are included here The author concludes that these writings were a product of thirteenth century Spain not France as claimed by Gershom Scholem His conclusion engendered a critical evaluation of the premises of Scholem's historiography of early medieval Jewish mysticism

The Dog Who Spoke and More Mayan Folktales James D. Sexton, Fredy Rodríguez-Mejía, 2014-10-22 In the delightful Mayan folktale *The Dog Who Spoke* we learn what happens when a dog's master magically transforms into a dog man who reasons like a man but acts like a dog This and the other Mayan folktales in this bilingual collection brim with the enchanting creativity of rural Guatemala's oral culture In addition to stories about ghosts and humans turning into animals the volume also offers humorous yarns Hailing from the Lake Atitlán region in the Guatemalan highlands these tales reflect the dynamics of and conflicts between Guatemala's Indian Ladino and white cultures The animals humans and supernatural forces that figure in these stories represent Mayan cultural values social mores and history James D. Sexton and Fredy Rodríguez-Mejía allow the thirty-three stories to speak for themselves first in the original Spanish and then in English translations that maintain the meaning and rural inflection of the originals Available in print for the first time with a glossary of Indian and Spanish terms these Guatemalan folktales represent generations of transmitted oral culture that is fast disappearing and deserves a wider audience
