The Power Of Visual Logos Greek Women Artists:

The Power of Visual Logos Zoe Kosmidou, 2003 *Sculpture*, 2004 **Being Greek Under Rome** Simon Goldhill, 2001-06-07 This book explores the cultural conflicts of the second century CE Roman Empire through the perspective of Greek writings The specially commissioned essays investigate the intellectual and social tensions in the era which gave rise to Christianity **Greek Sculpture and the Problem of Description** A. A. Donohue, 2005-06-08 This book examines how interpretation and examination of Greek sculpture are intertwined **Gaze, Vision, and Visuality in Ancient Greek Literature** Alexandros Kampakoglou, Anna Novokhatko, 2018-03-05 Visual culture performance and spectacle lay at the heart of all aspects of ancient Greek daily routine such as court and assembly cult and ritual and art and culture Seeing was considered the most secure means of obtaining knowledge with many citing the etymological connection between seeing and knowing in ancient Greek as evidence for this Seeing was also however often associated with mere appearances false perception and deception Gazing and viscosity in the ancient Greek world have had a central place in the scholarship for some time now enjoying an abundance of pertinent discussions and bibliography If this book differs from the previous publications it is in its emphasis on diverse genres the concepts gaze vision and viscosity are considered across different Greek genres and media The recipients of ancient Greek literature both oral and written were encouraged to perceive the narrated scenes as spectacles and to follow the gaze of the characters in the narrative By setting a broad time span the evolution of visual culture in Greece is tracked while also addressing broader topics such as theories of vision the prominence of viscosity in specific time periods and the position of viscosity in a hierarchisation of the senses **The Body Aesthetic** Tobin Siebers, 2000 Establishes the body's undeniable presence and strangeness as the material out of which human beings are made **Logos and Muthos** William Wians, 2010-07-02 What are the connections between ancient Greek literary and philosophical texts Are they in fact two rival forms of discourse mutually opposed to one another Concentrating on literary authors such as Homer Hesiod the Archaic poets and the tragic playwrights the contributors in this pioneering volume examine the concerns that such literary authors shared with their philosophical contemporaries Equal attention is given also to the extent to which each group of authors shows an awareness of the demands and limitations of their forms and how the study of nonphilosophical authors illuminates the goals and characters of ancient philosophizing These essays reveal a dynamic range of interactions reactions tensions and ambiguities showing how Greek literary creations impacted and provided the background against which Greek philosophy arose in more intricate and complex ways than previously believed **Artbibliographies Modern**, 1999 Res: Anthropology and Aesthetics, 49/50 Francesco Pellizzi, 2006-12-31 Res is a journal of anthropology and comparative aesthetics dedicated to the study of the object in particular cult and belief objects and objects of art The journal presents contributions by philosophers art historians archaeologists critics linguists architects artists among others **The Oxford Illustrated History of Greece and the Hellenistic World** John

Boardman, Jasper Griffin, Oswyn Murray, 2001 The legacy of the Hellenistic world is vast it ranges from architecture to philosophy literature and the visual arts to military strategy and science This beautifully illustrated study covers the period from the eighth century BC which witnessed the emergence of the Greek city states to the conquests of Alexander the Great and the establishment of the Greek monarchies some five centuries later Chapters dealing with political and social history are interspersed with chapters on philosophy and the arts including Homer Greek myth Aristotle and Plato Greek dramatists such as Sophocles and Aristophanes and the flourishing of the visual and plastic arts **Organiz'd Innocence** Rudd E.

Margaret, 2015-08-14 First published in 1956 this book has been described by the author as something of a biographical novel somewhere between formal scholarly criticism and a more creative form of writing It looks at the meaning of Blake's visions and how the troubles of his life affected his poems known as the prophetic books It focuses on the story of the universal human spirit that these books present **The Routledge Handbook of Byzantine Visual Culture in the**

Danube Regions, 1300-1600 Maria Alessia Rossi, Alice Isabella Sullivan, 2024-02-22 This volume aims to broaden and nuance knowledge about the history art culture and heritage of Eastern Europe relative to Byzantium From the thirteenth century to the decades after the fall of Constantinople in 1453 the regions of the Danube River stood at the intersection of different traditions and the river itself has served as a marker of connection and division as well as a site of cultural contact and negotiation The Routledge Handbook of Byzantine Visual Culture in the Danube Regions 1300 1600 brings to light the interconnectedness of this broad geographical area too often either studied in parts or neglected altogether emphasizing its shared history and heritage of the regions of modern Greece Croatia Serbia Bulgaria Romania Hungary Slovakia and Czechia The aim is to challenge established perceptions of what constitutes ideological and historical facets of the past as well as Byzantine and post Byzantine cultural and artistic production in a region of the world that has yet to establish a firm footing on the map of art history The 24 chapters offer a fresh and original approach to the history literature and art history of the Danube regions thus being accessible to students thematically chronologically or by case study each part can be read independently or explored as part of a whole *Res: Anthropology and Aesthetics, 48: Autumn 2005* Francesco

Pellizzi, 2005-12-15 *Res 48* includes the editorial Between Creation and Destruction by Finbarr Barry Flood and Zo Sara Strother People Have Three Eyes by Sarah Adams Beyond Monument Lies Empire by Kristina Van Dyke and other papers

Early Christian Thinkers Paul Foster, 2011-07-11 An international team of top scholars introduces a pivotal early moment in the history of orthodox doctrine through the lives and works of key second and third century Christians **Sons of Hellenism, Fathers of the Church** Susanna Elm, 2015-09-08 This groundbreaking study brings into dialogue for the first time the writings of Julian the last non Christian Roman Emperor and his most outspoken critic Bishop Gregory of Nazianzus a central figure of Christianity Susanna Elm compares these two men not to draw out the obvious contrast between the Church and the Emperor's neo Paganism but rather to find their common intellectual and social grounding Her insightful

analysis supplemented by her magisterial command of sources demonstrates the ways in which both men were part of the same dialectical whole Elm recasts both Julian and Gregory as men entirely of their times showing how the Roman Empire in fact provided Christianity with the ideological and social matrix without which its longevity and dynamism would have been inconceivable

Moving Pictures and Renaissance Art History Patricia Emison, 2025-10-01 Film like the printed imagery inaugurated during the Renaissance spread ideas not least the idea of the power of visual art across not only geographical and political divides but also strata of class and gender Moving Pictures and Renaissance Art History examines the early flourishing of film from the 1920s to the mid 1960s as partly reprising the introduction of mass media in the Renaissance allowing for innovation that reflected an art free of the control of a patron though required to attract a broad public Rivalry between word and image between the demands of narrative and those of visual composition spurred new ways of addressing the compelling nature of the visual The twentieth century also saw the development of the discipline of art history transfusions between cinematic practice and art historical postulates are part of the story told here [Exploring the Contributions of Women in the History of Philosophy, Science, and Literature, Throughout Time](#) Chelsea C. Harry, George N. Vlahakis, 2023-09-30 This book explores contributions by some of the most influential women in the history of philosophy science and literature Ranging from Sappho and Sophie Germain to Stebbing and Evelyn Fox Keller this work ultimately demonstrates the impact these non canonical sometimes unknown or hidden sources had or may have had on the recognized male leaders in their fields from Aristotle to Pascal Kant Whitehead and Russell Chapters reflect philosophical pluralism both analytic and continental themes and cover figures reaching across the entire history of ideas in the West from pre historic times to the twentieth century Anyone interested in coming to know or in preparing to teach women in the history of philosophy science and literature will appreciate this collection and its myriad insights into the still unrecognized voices of non canonical sources across these disciplines

Language and Power on the Rhetorical Stage Fiona Harris Ramsby, 2020-12-30 Through a fusion of narrative and analysis Language and Power on the Rhetorical Stage examines how theater can enact critical discourse analysis and how micro instances of iniquitous language use have been politically and historically reiterated to oppress and deny equal rights to marginalized groups of people Drawing from Aristophanes rhetorical plays as a template for rhetoric in action the author poses the stage as a rhetorical site whereby we can observe see and feel 20th century rhetorical theories of the body Using critical discourse analysis and Judith Butler s theories of the performative body as a methodological and analytical lens the book explores how a handful of American plays in the latter part of the 20th century the works of Tony Kushner Suzan Lori Parks and John Cameron Mitchell among others use rhetoric in order to perform and challenge marginalizing language about groups who are not offered center stage in public and political spheres This innovative study initiates a conversation long overdue between scholars in rhetorical and performance studies as such it will be essential reading for academic researchers and graduate students in the areas of rhetorical studies

performance studies theatre studies and critical discourse analysis *Rhapsody of Philosophy* Max Statkiewicz, 2009-01-01
This book proposes to rethink the relationship between philosophy and literature through an engagement with Plato's dialogues. The dialogues have been seen as the source of a long tradition that subordinates poetry to philosophy but they may also be approached as a medium for understanding how to overcome this opposition. Paradoxically, Plato then becomes an ally in the attempt to overturn Platonism which Gilles Deleuze famously defined as the task of modern philosophy. Max Statkiewicz identifies a rhapsodic mode initiated by Plato in the dialogues and pursued by many of his modern European commentators including Nietzsche, Heidegger, Irigaray, Derrida and Nancy. The book articulates this rhapsodic mode as a way of entering into true dialogue, *dia logos*, which splits any univocal meaning and opens up a serious play of signification both within and between texts. This mode, he asserts, employs a reading of Plato that is distinguished from interpretations emphasizing the dialogues as a form of dogmatic treatise as well as from the dramatic interpretations that have been explored in recent Plato scholarship, both of which take for granted the modern notion of the subject. Statkiewicz emphasizes the importance of the dialogic nature of the rhapsodic mode in the play of philosophy and poetry of Platonic and modern thought and indeed of seriousness and play. This highly original study of Plato explores the inherent possibilities of Platonic thought to rebound upon itself and engender further dialogues.
