The Practice of the Presence of God Brother Lawrence,2009-01-01 In a busy world of things to do and places to be a quiet time seems like just one more activity to add to our already over booked agendas In this 17th century spiritual classic featuring the letters and conversations of Brother Lawrence we re informed that God doesn t just exist in the areas of our life that we deem religious He s closer than our breath encapsulates our being and desires to be part of our everyday activities For Lawrence set times of prayer were no different than other times and his work didn t divert him from God His practical simplicity brings a depth of wisdom that all can apply to their lives This beautiful paperback of The Practice of the Presence of God retains its original translation while featuring 21 new contemporary woodcuts All proceeds from the sale of this book are donated to charity

The Practice of the Presence of God (□□□□□□) Brother Lawrence,2011-10-15 **The Practice of the Presence of God: the Best Rule of a Holy Life** Brother Brother Lawrence,2014-07-27 This book consists of notes of several conversations had with and letters written by Nicholas Herman of Lorraine a lowly and unlearned man who after having been a footman and soldier was admitted a Lay Brother among the barefooted Carmelites at Paris in 1666 and was

afterwards known as Brother Lawrence His conversion which took place when he was about eighteen years old was the result under God of the mere sight in midwinter of a dry and leafless tree and of the reflections it stirred respecting the change the coming spring would bring From that time he grew eminently in the knowledge and love of GOD endeavoring constantly to walk as in His presence No wilderness wanderings seem to have intervened between the Red Sea and the Jordan of his experience A wholly consecrated man he lived his Christian life through as a pilgrim as a steward and not as an owner and died at the age of eighty leaving a name which has been as ointment poured forth The Conversations are supposed to have been written by M Beaufort Grand Vicar to M de Chalons formerly Cardinal de Noailles by whose recommendation the letters were first published The book has within a short time gone through repeated English and American editions and has been a means of blessing to many souls It contains very much of that wisdom which only lips the Lord has touched can express and which only hearts He has made teachable can receive

The Practice of the Presence of God, Being Conversations and Letters of Nicholas Herman of Lorraine, Brother Lawrence. Translated from the French Brother Lawrence (of the Resurrection),1958

The Practice of the Presence of God, Being Conversations and Letters of Nicholas Herman of Lorraine, Brother Lawrence Of The Resurrection Brother Lawrence,2023-07-18 In this spiritual classic Brother Lawrence a simple 17th century French monk describes his daily experience of being in the presence of God Through his conversations and letters readers can learn to cultivate a deep and lasting relationship with God This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

The Practice of the Presence of God Brother Lawrence (of the Resurrection),2009 **The Practice of the Presence of God** Brother Lawrence,2016-08-14 The value of this little book is its extreme simplicity The trouble with most of the religion of the day is its extreme complexity Brother Lawrence was not troubled with any theological difficulties or doctrinal dilemmas For him these did not exist His one single aim was to bring about a conscious personal union between himself and God and he took the shortest cut he could find to accomplish it The result can best be described in his own words If I dare use the expression I should choose to call this state the bosom of God for the inexpressible sweetness which I taste and experience there
