

The Presidency Of James K Polk

Charles A. McCoy

The Presidency Of James K Polk:

The Presidency of James K. Polk Paul H. Bergeron, 1987 James K Polk was one of the strongest and most active presidents ever to occupy the office In the nineteenth century only Jefferson Jackson and Lincoln matched his overall leadership and domination of national government Bergeron s crisp insightful narrative shows how and why Polk achieved such stature and yet failed to attract the kind of popular support or retrospective recognition granted other presidential luminaries A native of North Carolina Polk prepared for the presidency by honing his leadership skills as a seven term congressman speaker of the house and governor of Tennessee Bergeron s summary and analysis of those years shed light on the foundations of the presidency that followed He provides fresh new perspectives on Polk s relationship with his cabinet his skirmishes with Congress over domestic economic legislation and the curse of presidential patronage But perhaps the most fascinating portions of this study are devoted to Polk s role as the western expansionist By the end of his term the United States had acquired enormous territories in the Southwest and far West Bergeron demonstrates that Polk adroitly used both war and diplomacy to acquire and protect these lands When the annexation of Texas led to the outbreak of war with Mexico Polk was forced to become commander in chief of the American forces In contrast the potentially explosive dispute with Great Britain over Oregon s borders was settled through purely diplomatic means Norman A Graebner in *America s Top Ten Presidents* declares Polk s achievements in diplomacy were among the most remarkable in American history Drawing upon a careful review of the extensive literature on our eleventh president as well as Polk s personal diary Bergeron has written a significant and balanced reassessment of the Polk presidency In the process he has also created a revealing portrait of a complex man who led the nation with imperial determination tempered with compassion generosity and even humor

James K. Polk Thomas M. Leonard, 2000-11-01 When he was elected President in 1845 James K Polk was only 49 years old at that time the youngest president ever to be elected He faced a conflicted nation on the verge of tremendous territorial expansion James K Polk s four years in office marked the greatest period of territorial acquisition in the history of the country what New York journalist John O Sullivan termed as the Manifest Destiny of the United States to expand across the continent By the end of Polk s presidency in 1849 U S possessions included the California Oregon and New Mexico territories In addition Texas had become part of the Union This book analyzes Polk s political career and his role in each of these territorial expansions James K Polk A Clear and Unquestionable Destiny shows that they were far more complex than the moral crusade that had been labeled Manifest Destiny Southern planters wanted to protect their peculiar institution of slavery by adding new territories from which slave states would be carved Commercial interests feared that war with England over any of these territories would adversely impact upon the nation s trade Although the Oregon boundary dispute was settled with little friction the Mexican War erupted after the annexation of Texas This fascinating biography of our eleventh president and his successful efforts for expansion of U S territory will be of interest to students studying United States history foreign policy

and the massive territorial expansion in the 1840s known as Manifest Destiny James K. Polk BreAnn Rumsch,2009-01-01 The United States president preserves protects and defends the U S Constitution Each president s term influences events in America and around the world for years to come This biography introduces young readers to the life of James K Polk beginning with his childhood in Mecklenburg County North Carolina and Columbia Tennessee Information about Polk s education at the University of North Carolina and his early career as a lawyer and clerk in the Tennessee state senate is discussed In addition his family and personal life as well as his retirement to Polk Place is highlighted Easy to read text details Polk s political career as a member of the Tennessee House of Representatives a member of the U S House of Representatives and Speaker of the House Finally students will explore key events from Democratic president Polk s administration including the passage of the Independent Treasury Act the Oregon Treaty as well as the Mexican War and the Treaty of Guadalupe Hidalgo from which the Mexican Cession was gained Beautiful graphics showcase the primary source documents and photographs A timeline fast facts and sidebars help put essential information at students fingertips In addition a quick reference chart provides easy access to facts about every U S president Checkerboard Library is an imprint of ABDO Publishing Company **James K. Polk** Sean McCollum,2004 A biography of the eleventh president of the United States with information on his childhood family political career presidency and legacy *President James K. Polk* Louise A. Mayo,2006 The First Men America s Presidents series explains the personal and public life of each President of the United States Their qualities of character and leadership are aptly interpreted and offer strong role models for all citizens Presidential successes are recorded for posterity as are the pitfalls that should be guarded against in the future This series also explains the domestic reasons and world backdrop for the expansion of the Executive Office of the President The President of the United States is perhaps the most coveted position in the world and this series reveals the lives of all those successfully elected how each performed as president and how each is to be measured in history The collective life stories of the presidents reveal the greatness that America represents in the world *The Diary of James K. Polk During His Presidency* James K. Polk,2016-12-06 There are three key reasons why James K Polk deserves recognition as a significant and influential American president Polk biographer Walter Borneman wrote First Polk accomplished the objectives of his presidential term as he defined them second he was the most decisive chief executive before the Civil War and third he greatly expanded the executive power of the presidency particularly its war powers its role as commander in chief and its oversight of the executive branch President Harry S Truman summarized this view by saying that Polk was a great president Said what he intended to do and did it The ramifications of Polk s presidency resound down to our own day The most controversial action he took was the invasion of Mexico Criticism by a young congressman by the name of Abraham Lincoln s hurt Lincoln s re election to the congress It was a war that saw action by Robert E Lee Ulysses S Grant and many others who would later fight in the Civil War Polk s decision is still debated on ethical grounds Grant later wrote I was bitterly opposed

to the Texas annexation and to this day regard the war which resulted as one of the most unjust ever waged by a stronger against a weaker nation Polk was a fervent believer in Manifest Destiny and is the president considered most influential in expanding the U S across the continent He was a lifelong slave holder and was considered by abolitionists to be a tool of the pro slavery powers **James K. Polk, Eleventh President of the United States** Dee Lillegard,1988 A biography of the eleventh American president whose term in office saw great expansion of the western frontier *James K. Polk* John Seigenthaler,2004-01-04 At home however Polk suffered a political firestorm of antiwar attacks particularly from the Whigs Despite tremendous accomplishments in just four years from pushing the westward expansion to restoring an independent Treasury to ushering in an era of free trade Young Hickory left office feeling the sting of criticism and suffering from a stressful presidency that had taken a heavy physical toll He died within three months of departing Washington BOOK JACKET

James K. Polk Mark E. Byrnes,2001-11-02 This A Z encyclopedia provides a detailed overview of America s 11th president and connects Polk s public and personal life to his historical significance In 1844 James K Polk was not a promising presidential nominee he was not popular charismatic or even well known But by the time he left office in 1849 he had acquired the enormous Oregon Territory by negotiation and had taken by force more than half of Mexico s territory an area of about 500 000 square miles Yet Polk s territorial successes inspired the rancorous debate over whether slavery should be allowed in the new territories a debate that ended in civil war Modern critics charge that Polk s actions toward Mexico were amoral if not immoral In this comprehensive examination of Polk s life and career our 11th president emerges as a complex man and a skillful politician who pursued power relentlessly *James K. Polk* Carol H. Behrman,2004-10-01 Presents the life and accomplishments of the eleventh president whose term in office saw many western states added to the United States

The Diary of James K. Polk During His Presidency James Knox Polk (pres. U.S.),1910 **Correspondence of James K. Polk: 1817-1832** James Knox Polk,1969 In the second half of 1845 the focus of Polk s correspondence shifted from those issues relating to the formation of his administration and distribution of part patronage to those that would give shape and consequence to his presidency the admission of Texas preparation for its defense restoration of diplomatic relations with Mexico and termination of joint occupancy of the Oregon Country For the most part the incoming letters tended to urge rather more militancy on the Texas and Oregon questions than Polk would adopt and notions of national destiny registered a singular theme of buoyant confidence in taking on both Mexico and Great Britain if military action should be required President Polk and Secretary of State James Buchanan succeeded in both using and controlling the surge of nationalism that heightened expectations for expansion westward Polk and Buchanan agreed on the importance of reestablishing diplomatic relations with Mexico but the President chose to take a personal hand in managing the selection and instruction of John Slidell whose departure for Vera Cruz would not be made public until he had arrived in Mexico Polk wanted to give the fledgling Mexican administration of Jose Joaquin Herrera a chance to compose Mexico s differences with

Washington free of contrary pressures from Great Britain and France and he fully understood the price that Herrera might pay for a peaceful settlement of the Texas question. If Mexico required more than 6 million for the purchase of their two most northern provinces as provided in his instructions, Slidell might agree to any reasonable additional sum. Slidell's mission probably never had much chance of success for without control of his military, the Herrera administration could neither give up its claim to Texas nor overcome British opposition to the sale of New Mexico and Upper California. Within but a few days of Slidell's arrival in the Mexican capital, Mariano Paredes y Argüelles organized a military coup, put the Herrera government to flight, and on January 2, 1846, declared himself interim president of Mexico. Polk left on the table his predecessor's initiative to divide the Oregon Country at the 49th parallel, with all of Vancouver Island going to the British. The summary rejection of that offer by the British minister to Washington, Richard Packenham, so angered Polk that on August 30th he formally withdrew all prior offers to settle the dispute. The British foreign secretary, Lord Aberdeen, disavowed and assured the U.S. minister to Britain, Louis McLane, that no ultimatum had been sanctioned by his government. Buchanan tried in vain to soften Polk's decision to initiate further negotiations, but he had determined to give the required one-year advance notice prior to abrogating the treaty of joint occupancy. Accordingly, in his First Annual Message to Congress, Polk asked for a joint resolution terminating Oregon agreements with Great Britain. Polk received high praise for his Message and its hard line on Texas and Oregon. In addition to the texts, briefs, and annotations, the editors have calendared all of the documents for the last six months of 1845. Entries for unpublished letters include documents, dates, addresses, classifications, repositories, and precis. The Polk Project is sponsored by the University of Tennessee and assisted by grants from the National Historical Publications and Records Commission, the National Endowment for the Humanities, and the Tennessee Historical Commission. The authors, Wayne Cutler, is research professor of history at the University of Tennessee. He earned his bachelor's degree at Lamar University and his master's and doctor's degrees at the University of Texas at Austin. Professor Cutler became director of the Polk Project in 1975, served as associate editor in the fourth volume of the correspondence, and headed the editorial team in the preparation of the series fifth and subsequent volumes. He began his professional career

Polk and the Presidency

Charles A. McCoy, 2014-08-27. A historical analysis of how James Polk influenced the authority and importance of the role of the U.S. presidency for future incumbents. Who is James K. Polk? was a rallying cry of the Whigs during the campaign of 1844. Polk answered that question adequately by winning the election against his Whig opponent, Henry Clay. Today the question might be recast respectfully, not derisively: Who was James K. Polk? Few persons could give more than a perfunctory answer, even though when he left office, the United States was half again larger than it was when he became president. Polk, unlike his close friend Andrew Jackson, has been the subject of but few books. Stern and serious-minded intent upon his work, he never caught the public's imagination as did some of the more magnetic personalities who filled the office of president. His lack of personal charm, however, should not hide from generations of Americans the great benefit he brought their country and his

key role in developing the powers of the presidency This book assumes that the presidential power role though expressed in the Constitution and prescribed by law is not a static role but a dynamic one shaped and developed by a president's personal reaction to the crises and circumstances of the times during which he serves And Polk faced many crises among them the Mexican War the Oregon boundary dispute the tariff question Texas's admission to the Union and the establishment by the United States of a more stable and respected position in the world of nations Based on the dynamic power role theory the book analyzes its theme of how and why James K Polk the eleventh president of the United States responded to the challenges of his times and thereby increased the authority and importance of the presidential role for future incumbents Charles McCoy became interested in writing this book after two of his friends both informed historians pointed out to him that James K Polk was a neglected figure in American history Preliminary research showed this to be true but without reason for as the eminent historian George Bancroft said viewed from the standpoint of results Polk's administration was perhaps the greatest in our national history certainly one of the greatest For his own astute appraisal of the Polk administration McCoy emphasized the use of firsthand sources of information the Polk Diary newspapers of the period the unpublished papers of Polk Jackson Trist Marcy and Van Buren and congressional documents and reports

[America's Destiny Beckons: The Presidency of James K. Polk](#) Pasquale De Marco, 2025-05-21 James K Polk the eleventh president of the United States served from 1845 to 1849 During his presidency he oversaw a period of significant expansion and territorial acquisition earning him the nickname Young Hickory Polk's presidency was marked by a number of important events including the Mexican American War the Oregon Treaty and the California Gold Rush In America's Destiny Beckons historian Pasquale De Marco provides a comprehensive and engaging account of Polk's presidency Pasquale De Marco draws on a wide range of sources including Polk's personal papers letters and speeches to provide a fresh perspective on this important figure in American history Polk was a strong and decisive leader who pursued an aggressive policy of expansion He annexed Texas negotiated the Oregon Treaty and acquired California and the Southwest from Mexico as a result of the Mexican American War These actions significantly expanded the territory of the United States and helped to shape the nation's future Polk was also a controversial figure He vetoed a bill that would have provided federal funding for internal improvements arguing that it was unconstitutional He also supported the establishment of the Smithsonian Institution and the independent treasury system Pasquale De Marco argues that Polk's presidency was a time of great change and upheaval The United States was expanding rapidly and Polk's policies played a major role in shaping the nation's future He was a controversial figure in his own time but he is now considered one of the most important presidents in American history America's Destiny Beckons is a must read for anyone interested in American history Jacksonian America or the presidency of James K Polk Pasquale De Marco provides a fresh perspective on this important figure and his impact on the United States If you like this book write a review on google books

The Diary of James K. Polk During His Presidency, 1845 to 1849 James Knox Polk, 1910

"*Young Hickory*," Martha McBride Morrel, 1949 A biography of our eleventh President who previously served as a U S Congressman and a Governor of Tennessee *The Diary of James K. Polk During His Presidency, 1845 to 1849* James Knox Polk, 1910 *Met His Every Goal?* Tom Chaffin, 2014-12-31 Soon after winning the presidency in 1845 according to the oft repeated anecdote James K Polk slapped his thigh and predicted what would be the four great measures of his administration the acquisition of some or all of the Oregon Country the acquisition of California a reduction in tariffs and the establishment of a permanent independent treasury Over the next four years the Tennessee Democrat achieved all four goals And those milestones along with his purported enunciation of them have come to define his presidency Indeed repeated ad infinitum in U S history textbooks Polk s bold listing of goals has become U S political history s equivalent of Babe Ruth s called home run of the 1932 World Series in which the slugger allegedly gestured toward the outfield and on the next pitch slammed a home run But then again as Tom Chaffin reveals in this lively tour de force of historiographic sleuthing like Ruth s alleged called shot of 1932 the four measures anecdote hangs by the thinnest of evidentiary threads Indeed not until the late 1880s four decades after Polk s presidency did the story first appear in print In this eye opening study Tom Chaffin author historian and since 2008 editor of the multi volume series *Correspondence of James K Polk* dispatches the thigh slap anecdote and other misconceptions associated with Polk In the process Chaffin demonstrates how the four measures story has skewed our understanding of the 11th U S president As president Polk enlarged his nation s area by a third thus rendering it truly a coast to coast continental nation state Indeed the anecdote does not record and effectively obscures complex events including notable failures such as Polk s botched effort to purchase Cuba as well as his inability to shape the terms of California s and the New Mexico territory s admission into the Union Cuba would never enter the federal Union and those other tasks would be left for successor presidents Indeed debates over the future of slavery in the United States debates accelerated by Polk s territorial gains eventually produced perhaps the central irony of his legacy A president devoted to national unity further sectionalized the nation s politics widening geopolitical fractures among the states that soon led to civil war Engagingly written and lavishly illustrated *Met His Every Goal* intended for general readers students and specialists offers a primer on Polk and a revisionist view of much of the scholarship concerning him and his era Drawing on published scholarship as well as contemporary documents including heretofore unpublished materials it presents a fresh portrait of an enigmatic autocrat And in Chaffin s examination of an oft repeated anecdote long accepted as fact readers witness a case study in how historians use primary sources to explore and in some cases explode received conceptions of the past **A Compilation of the Messages and Papers of the Presidents: James Knox Polk** Various, 2023-08-12 A Compilation of the Messages and Papers of the Presidents James Knox Polk is a comprehensive collection of the writings and speeches of the 11th President of the United States providing valuable insights into the political landscape of the mid 19th century The book is a testament to the eloquence and political acumen of James K Polk showcasing his presidential messages inaugural addresses and important

correspondence during his time in office The literary style is formal and informative offering a glimpse into the inner workings of the executive branch during a crucial period in American history This compilation serves as a vital resource for scholars and history enthusiasts alike shedding light on the policies and decisions that shaped the nation during Polk s presidency Various the author of this compilation carefully selected and organized these documents to provide readers with a thorough understanding of the political climate of the era Their meticulous attention to detail and historical significance makes this book a must read for anyone interested in the presidency of James K Polk and the issues that defined his administration

Correspondence of James K. Polk: 1833-1834 James Knox Polk, 1969 In the second half of 1845 the focus of Polk s correspondence shifted from those issues relating to the formation of his administration and distribution of party patronage to those that would give shape and consequence to his presidency the admission of Texas preparation for its defense restoration of diplomatic relations with Mexico and termination of joint occupancy of the Oregon Country In addition to the texts briefs and annotations the editors have calendared all of the documents for the last six months of 1845 Entries for unpublished letters include the documents dates addressees classifications repositories and precis The Polk Project is sponsored by the University of Tennessee and assisted by grants from the National Historical Publications and Records Commission the National Endowment for the Humanities and the Tennessee Historical Commission

This is likewise one of the factors by obtaining the soft documents of this **The Presidency Of James K Polk** by online. You might not require more grow old to spend to go to the ebook instigation as without difficulty as search for them.
