The Presidents Child:

White House Kids Joe Rhatigan, 2015-10-13 Living in America's most famous residence might seem glamorous at first it's the most fun place any kid could live There's a bowling alley in the basement chefs are always available to prepare whatever you're craving and sometimes presidential aides will even help you with your homework But life isn't always easy for the youngsters who call the White House home They're always in the spotlight and those pesky Secret Service agents are always around For every perk there's a problem From Washington to Obama see the White House through the eyes of the children and grandchildren Filled with wacky weird and wonderful stories it shows what it's like to call the president Dad or Granddad or Uncle Find out what schools they went to what mischief they caused and what pets they had There are first person accounts from letters and interviews fascinating photos original illustrations and even a section that follows the children after they left the White House [All the Presidents' Children](#) Doug Wead, 2004-01-06 Biographical sketches of the children of the presidents from the time of George Washington to the present *First Kids* Noah McCullough, 2009 From the private quarters of the White House this book written by a kid for kids highlights all of the 43 presidents' children leading into their adulthood Photos **What's It Like to Be the President's Kid?** Kathleen Connors, 2014-08-01 Most US presidents have had children but by the time a president takes office most of those children have already grown up So when Teddy Roosevelt's six children or 3 year old Caroline Kennedy moved into the White House the whole country took interest Readers will delve into what it's like growing up in the most famous house in America including where presidents' kids have gone to school and what they've liked to do for fun From the mischievous Tad Lincoln to the well behaved Obama girls the main content offers insider details and historical images of many First Families even a White House wedding *Public Papers of the Presidents of the United States* United States. President, 1989 **Public Papers of the Presidents of the United States: Ronald Reagan, 1987** Reagan, Ronald, 1989-01-01 *Public Papers of the Presidents of the United States* **All the Presidents' Children** Larry Underwood, 2002 Biographical sketches of the children of the presidents from the time of George Washington to the present *The President's Child* Fay Weldon, 2013-05-14 DIV Fay Weldon's gripping novel asks the questions Can a politician's life ever be private And Can the past ever stay buried div DIV Isabel has a secret Seven years ago she had an affair and ended up pregnant A few months later she married Homer Rust who has no idea that Jason isn't his son Now Isabel's former lover a US senator poised for the presidential nomination is threatening her contented family life and her career as a journalist div DIV div DIV Dandridge Ivel has never forgotten Isabel But his aides are making it their business to make sure she's erased from his life Isabel is a dangerous liability that could destroy Dandy's political career especially when her son is becomes a pawn in a murderous conspiracy div DIV div DIV Part thriller part love story The President's Child exposes the secrets and lies at the heart of a marriage the consequences of love and how much a mother will sacrifice for her child div **All the President's Children** Doug Wead, 2006-10-01 From Abigail Adams to Jenna Bush

George Washington Adams to John F Kennedy Jr the children of America's presidents have both suffered the 8 weddings performed in the White House tales of the real a list of presidential children who pursued politics examples of how the pressures of being a celebrity child interrupt the normal desire for intimacy bios of living presidential children where they are now etc Color B W photos illus America's Royalty Sanford Kanter, Sandra Quinn-Musgrove, 1995-08-30 A comprehensive work about the first families children this is the only book available that treats these privileged few at any depth The reading is enjoyable answering questions such as What happened to and Did this president have any children The book also is informative glimpsing the lives of a few who have been shoved into the limelight at a certain period and for generations to come Historically the work functions sometimes as a period piece sometimes as a human interest piece but it always serves to help bring to life our first families Included where possible and or appropriate are the vital statistics of birth marriage education development profession and death The book is a good read but it also serves an historical function Aside from the fact that the book is informative reading about the lives of the children of America's chief executives is like peering into a moment of the American equivalent of royalty Observing the exciting painful humdrum and heartfelt experiences of both the children and the families may also serve to increase the reader's understanding of the real lives of these emulated families that they too lead lives that are similar to every person's except that they are in the historical spotlight After all leaders such as Lincoln and Kennedy were forced to continue governing the affairs of state as their sons died Child Welfare, 1928
