Molière

The Pretentious Young Ladies:

The Pretentious Young Ladies Molière, 2019-11-25 In *The Pretentious Young Ladies* Molière masterfully weaves a satirical exploration of social pretension specifically targeting the bourgeoisie's obsession with refinement and pretentiousness in manners. The play is characterized by Molière's signature comedic style: sharp wit, lively dialogue, and incisive character studies that reveal the absurdities of his time. As a comedy ballet, it integrates music and dance, enriching its theatricality while providing a nuanced critique of the social mores of the 17th-century French aristocracy, ultimately reflecting the tension between authenticity and artifice in the pursuit of social acceptance. Molière, born Jean-Baptiste Poquelin, was deeply influenced by the cultural context of his time, which saw an increasing divide between social classes and an emerging bourgeoisie eager to emulate the aristocracy. His own experiences in the theater, combined with personal encounters with various societal layers, spurred his keen observations of human foibles. The interplay of satire and social commentary in his works, including this one, underscores his role not only as a playwright but as a critical voice illuminating the follies of his contemporaries. *The Pretentious Young Ladies* is a must-read for enthusiasts of classic literature and theater, providing not only laughter but also a profound critique of human vanity and social constructs. Molière invites readers to reflect on the essence of true identity versus the cultivated facades many uphold in their quest for social esteem, an exploration that remains relevant in today's society.

The Pretentious Young Ladies Molière, 2019-10-28 *Les Précieuses ridicules* is a biting comedy of manners that brought Molière and his company to the attention of Parisians after they had toured the provinces for years. The play received its Paris premiere on 18 November 1659 at the Théâtre du Petit Bourbon. It seems not to have been staged before that in the provinces. It was highly successful and attracted the patronage of Louis XIV to Molière and company. *Les Précieuses ridicules* still plays well today. *The Pretentious Young Ladies* Molière, 2004 **The Pretentious Young Ladies** Molière, Jean-Baptiste Molière, 2015-04-25 *The Pretentious Young Ladies* *Les Précieuses ridicules* is a one-act satire by Molière in prose. It takes aim at the précieuses, the ultra-witty ladies who indulged in lively conversations, word games, and in a word, preciousness. *The Pretentious Young Ladies* is a biting comedy of manners that brought Molière and his company to the attention of Parisians after they had toured the provinces for years. The play received its Paris premiere on 18 November 1659 at the Théâtre du Petit Bourbon. It seems not to have been staged before that in the provinces. It was highly successful and attracted the patronage of Louis XIV to Molière and company. *Les Précieuses ridicules* still plays well today. *The Pretentious Young*
