The Priesthood Of Modern Polygamy A Lds Perspective:

The Priesthood of Modern Polygamy Brian C. Hales, J. Max Anderson, 1992-10-01 *Modern Polygamy and Mormon Fundamentalism* Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press A by product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal driven organizations that arose in the wake of that decision Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate Doctrine of the Priesthood Vol 13 No. 1 - New Light on the Lorin Woolly Story and Early Fundamentalist Beginnings , **Interpreter: A Journal of Mormon Scripture, Volume 15 (2015)** Daniel C. Peterson, 2015-07-11 This is volume 15 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including Questioning The Divine Plan Three Streams of Gratitude for Jesus A Welcome Introduction Providing a Better Understanding for All Concerning the History of Joseph Smith's Polygamy An Easier Way to Understanding Joseph Smith's Polygamy Rediscovering the First Vision Say Now Shibboleth or Maybe Cumorah Why the Oxford English Dictionary and not Webster's 1828 Psalm 82 in Contemporary Latter day Saint Tradition Seeing Ourselves Through the Eyes of a Friendly and Thoughtful Evangelical Getting Cain and Gain The Great and Terrible Judgments of the Lord Destruction and Disaster in 3 Nephi and the Geology of Mesoamerica Freemasonry and the Origins of Modern Temple Ordinances A Mormon Theodicy Jacob and the Problem of Evil **Joseph Smith's Polygamy, Volume 1: History** Brian C. Hales, 2013-02-26 Few American religious figures have stirred more passion among adherents and antagonists than Joseph Smith Born in 1805 and silenced thirty nine years later by assassins bullets he dictated more than one hundred revelations published books of new scripture built a temple organized several new cities and became the

proclaimed prophet to tens of thousands during his abbreviated life Among his many novel teachings and practices none is more controversial than plural marriage a restoration of the Old Testament practice that he accepted as part of his divinely appointed mission Joseph Smith taught his polygamy doctrines only in secret and dictated a revelation in July 1843 authorizing its practice now LDS D C 132 that was never published during his lifetime Although rumors and exposés multiplied it was not until 1852 that Mormons in Brigham Young's Utah took a public stand By then thousands of Mormons were engaged in the practice that was seen as essential to salvation Victorian America saw plural marriage as immoral and Joseph Smith as acting on libido However the private writings of Nauvoo participants and other polygamy insiders tell another more complex and nuanced story Many of these accounts have never been published Others have been printed sporadically in unrelated publications Drawing on every known historical account whether by supporters or opponents Volumes 1 and 2 take a fresh look at the chronology and development of Mormon polygamy including the difficult conundrums of the Fannie Alger relationship polyandry the angel with a sword accounts Emma Smith's poignant response and the possibility of Joseph Smith's offspring by his plural wives Among the most intriguing are the newly available Andrew Jenson papers containing not only the often quoted statements by surviving plural wives but also Jenson's own private research conducted in the late nineteenth century Telling the story of Joseph Smith's polygamy from the records of those who knew him best augmented by those who observed him from a distance may have produced the most useful view of all

Doing the Works of Abraham B. Carmon Hardy, 2017-08-30 Celestial Marriage the doctrine of the plurality of wives polygamy No issue in the history of The Church of Jesus Christ of Latter-day Saints popularly known as the Mormon Church has attracted more attention From its contentious and secretive beginnings in the 1830s to its public proclamation in 1852 and through almost four decades of bitter conflict with the federal government to Church renunciation of the practice in 1890 this belief helped define a new religious identity and unify the Mormon people just as it scandalized their neighbors and handed their enemies the most effective weapon they wielded in their battle against Mormon theocracy This newest addition to the Kingdom in the West Series provides the basic documents supporting and challenging Mormon polygamy supported by the concise commentary and documentation of editor B Carmon Hardy Plural marriage is everywhere at hand in Mormon history However despite its omnipresence including a broad and continuing stream of publications devoted to it few attempts have been made to assemble a documentary history of the topic Hardy has drawn on years of research and writing on the controversial and complex subject to make this narrative collection of documents illuminating and myth shattering The second relic of barbarism as the Republican Party platform of 1856 characterized polygamy was believed by the Saints to be God's law trumping the laws of a mere republic The long struggle for what was and for some fundamentalists remains religious freedom still resonates in American religious law Throughout the West thousands of families continue the practice even In the face of LDS Church opposition The book includes a bibliography and an index It is bound in rich blue linen cloth

two color foil stamped spine and front cover **Modern Polygamy in the United States** Cardell Jacobson, Lara Burton, 2011-03-09 This book reveals the history and culture of polygamous groups located primarily in the western parts of the United States The contributors to this volume are historians anthropologists and sociologists familiar with the various groups Together these authors provide a much needed understanding of the surprisingly large number of groups and individuals who live a quiet polygamous life style in the United States **Doctrine of the Priesthood Vol 5 No. 8 - Polygamy its Genetic and Sociological Consequences as Revealed in Studies of Modern Science** , *Journal of Mormon History* , 2008 **Dialogue** , 2007 A journal of Mormon thought Revelation, Resistance, and Mormon Polygamy Merina Smith, 2013-05-15 In *Revelation Resistance and Mormon Polygamy* historian Merina Smith explores the introduction of polygamy in Nauvoo a development that unfolded amid scandal and resistance Smith considers the ideological historical and even psychological elements of the process and captures the emotional and cultural detail of this exciting and volatile period in Mormon history She illuminates the mystery of early adherents acceptance of such a radical form of marriage in light of their dedication to the accepted monogamous marriage patterns of their day When Joseph Smith began to reveal and teach the doctrine of plural marriage in 1841 even stalwart members like Brigham Young were shocked and confused In this thoughtful study Smith argues that the secret introduction of plural marriage among the leadership coincided with an evolving public theology that provided a contextualizing religious narrative that persuaded believers to accept the principle This fresh interpretation draws on diaries letters newspapers and other primary sources and is especially effective in its use of family narratives It will be of great interest not only to scholars and the general public interested in Mormon history but in American history religion gender and sexuality and the history of marriage and families **Doctrine of the Priesthood Vol 5 No. 5 - The Suspension of Plural Marriage and the Fulfillment of Prophecy** , **Excavating Mormon Pasts** Newell C. Bringhurst, Lavina Fielding Anderson, 2004-08-31 Winner of the Special Book Award from the John Whitmer Historical Association *Excavating Mormon Pasts* assembles sixteen knowledgeable scholars from both LDS and the Community of Christ traditions who have long participated skillfully in this dialogue It presents their insightful and sometimes incisive surveys of where the New Mormon History has come from and which fields remain unexplored It is both a vital reference work and a stimulating picture of the New Mormon History in the early twenty first century **Joseph Smith's Polygamy, Volume 3: Theology** Brian C. Hales, 2013-02-26 Americans of Joseph Smith's day steeped in the stories and prophecies of the King James Bible certainly knew about plural marriage but it was a curiosity relegated to the misty past of patriarchs Abraham and Jacob who never gave reasons for their polygamy It was long abandoned Christians understood by the time Jesus set forth the dominating law of the New Testament But how did Joseph Smith understand it Where did it fit in the restitution of all things Acts 3:21 predicted in the New Testament What part did it play in the global ideology declared by this modern prophet who produced new scripture new revelation and new theology During Joseph

Smith's lifetime polygamy was taught and practiced in intense secrecy with the result that he never fully explained its doctrinal underpinnings or systematized its practice. As a result, reconstructing Joseph Smith's theology of plurality is a task that has seldom been undertaken. Most theological examinations have either focused on its development during Brigham Young's Utah period with its need to resist increasing federal legislative and judicial pressures or the efforts of twentieth century and contemporary fundamentalists who continue to marry a plurality of wives. Volume 3 of this three volume work builds on the carefully reconstructed history of the development of Mormon polygamy during Joseph Smith's lifetime then assembles the doctrinal principles from his recorded addresses, the diary entries of those closely associated with him, and his broader teachings on the related topics of obedience to God's will, marriage and family relations, and the mechanics of eternal progression, salvation, and exaltation. The revelation he dictated in July 1843 that authorized the practice of eternal and plural marriage receives unprecedented examination and careful interpretation that illuminate this significant document and its underlying doctrines. Attempts to explain the history of Joseph Smith's polygamy without comprehending the theological principles undergirding its practice will always be incomplete and skewed. This volume, which takes those principles and evidences with the utmost seriousness, has produced the most important explanation of why this ancient practice reemerged among the Latter-day Saints on the shores of the Mississippi in the early 1840s.

Polygamy's Rights and Wrongs Lori Gail Beaman, Gillian Calder, 2013-12-01. Assumptions about the harmful nature of polygamy have left little room for debate with monogamy coming to represent a hallmark of advanced societies and polygamy the immoral alternative. Yet in this volume, eleven scholars ask whether this condemnation is justified by examining, among other perspectives, the lived experiences of polygamous families. In essays that fearlessly face difficult questions of choice, dignity, and love, the authors seek to complicate a conversation that is more often simplified. Thoughtful and persuasive, *Polygamy's Rights and Wrongs* is both a close consideration of polygamy and a challenging reflection on the ways in which we value family and intimacy.

Religion Today Ross Aden, Chris A. Kramer, 2024-07-02. *Religion Today* introduces students to key concepts in religious studies through a compelling problem-solving framework. Each chapter opens with a contemporary case study that helps students engage in current religious issues, explore possible solutions to difficult religious problems, and learn key themes and concepts in religious studies. To enhance student learning, a free Student Study Guide is available for download from Rowman Littlefield. The Study Guide features chapter summaries, definition quizzes for students to test themselves on key terms, and possible learning activities.

Mormonism: The Basics John Charles Duffy, David J. Howlett, 2016-10-26. Although often regarded as marginal or obscure, Mormonism is a significant American religious minority, numerically and politically. The successes and struggles of this U.S.-born religion reveal much about how religion operates in U.S. society. *Mormonism: The Basics* introduces the teachings, practices, evolution, and internal diversity of this movement, whose cultural icons range from Mitt Romney to the Twilight saga, from young male missionaries in white shirts and ties to polygamous

women in pastel prairie dresses This is the first introductory text on Mormonism that tracks not only the mainstream LDS but also two other streams within the movement the liberalized RLDS and the polygamous Fundamentalists thus showing how Mormons have pursued different approaches to defining their identity and their place in society The book addresses these questions Are Mormons Christian and why does it matter How have Mormons worked out their relationship to the state How have Mormons diverged in their thinking about gender and sexuality How do rituals and regulations shape Mormon lives What types of sacred spaces have Mormons created What strategies have Mormons pursued to establish a global presence Mormonism The Basics is an ideal introduction for anyone wanting to understand this religion within its primarily American but increasingly globalized contexts **Modern Universal Encyclopedia** Charles Higgins, Charles Annandale, R. Archer Johnson, H. D. Lovett, 1910 *Arranged Marriage* Péter Berta, 2023-03-17 Arranged Marriage The Politics of Tradition Resistance and Change shows how arranged marriage practices have been undergoing transformation as a result of global and other processes such as the revolution of digital technology democratization of transnational mobility or shifting significance of patriarchal power structures The ethnographically informed chapters not only highlight how the gendered and intergenerational politics of agency autonomy choice consent and intimacy work in the contexts of partner choice and management of marriage but also point out that arranged marriages are increasingly varied and they can be reshaped reinvented and reinterpreted flexibly in response to individual family religious class ethnic and other desires needs and constraints The authors convincingly demonstrate that a nuanced investigation of the reasons complex dynamics and consequences of arranged marriages offers a refreshing analytical lens that can significantly contribute to a deeper understanding of other phenomena such as globalization modernization and international migration as well as patriarchal value regimes intergenerational power imbalances and gendered subordination and vulnerability of women Paperbound Books in Print 1995 Reed Reference Publishing, R5ference Reed, 1995-12

Unveiling the Magic of Words: A Report on "**The Priesthood Of Modern Polygamy A Lds Perspective**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**The Priesthood Of Modern Polygamy A Lds Perspective**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

The Priesthood Of Modern Polygamy A Lds Perspective Introduction

In the digital age, access to information has become easier than ever before. The ability to download The Priesthood Of Modern Polygamy A Lds Perspective has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Priesthood Of Modern Polygamy A Lds Perspective has opened up a world of possibilities. Downloading The Priesthood Of Modern Polygamy A Lds Perspective provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Priesthood Of Modern Polygamy A Lds Perspective has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Priesthood Of Modern Polygamy A Lds Perspective. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Priesthood Of Modern Polygamy A Lds Perspective. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Priesthood Of Modern Polygamy A Lds Perspective, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities

in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Priesthood Of Modern Polygamy A Lds Perspective has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About The Priesthood Of Modern Polygamy A Lds Perspective Books

1. Where can I buy The Priesthood Of Modern Polygamy A Lds Perspective books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a The Priesthood Of Modern Polygamy A Lds Perspective book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
