The Prime Minister Part 2 Of 2:

The Official History of the Cabinet Secretaries Ian Beesley, 2016-12 This book is the official history of British Cabinet Secretaries the most senior civil servants in UK government from the post war period up to 2002 In December 1916 Maurice Hankey sat at the Cabinet table to take the first official record of Cabinet decisions Prior to this there had been no formal Cabinet agenda and no record of Cabinet decisions Using authoritative government papers some of which have not yet been released for public scrutiny this book tells the story of Hankey's post war successors as they advised British Prime Ministers and recorded Cabinet's crucial decisions as the country struggled through the exhaustion that followed World War II grappled with a weak economy that could not support its world ambitions saw the end of the post war economic and social consensus and faced the 9/11 attack on the Twin Towers symbol of Western dominance It looks at events through the eyes of politically neutral senior civil servants the mandarins of Britain It shows how the dramatic foreshortening of timescales and global news have complicated the working lives of those who daily face the deluge of potentially destabilising events the skills required to see dangers and opportunities around corners when to calm things down and when to accelerate action why secrecy is endemic when government comes close to losing control or when political ambition threatens self destruction This book will be of great interest to students of British politics British history and British government 20,000 MCQs - General Studies - Subjectwise Question Bank based on Previous Papers for UPSC & State PSC Mocktime Publication, 20 000 MCQs Objective General Studies Subjectwise Question Bank based on Previous Papers for UPSC State PSC Important for UTTAR PRADESH UPPSC UPPCS ANDHRA PRADESH APPSC ASSAM APSC BIHAR BPSC CHHATISGARH CGPSC GUJARAT GPSC HARYANA HPSC HIMACHAL PRADESH HPPSC JHARKHAND JPSC KARNATAKA KPSC KERALA Kerala PSC MADHYA PRADESH MPPSC MAHARASHTRA MPSC ORISSA OPSC PUNJAB PPSC RAJASTHAN RPSC TAMIL NADU TNPSC TELANGANA TSPSC UTTARAKHAND UKPSC WEST BENGAL WBPSC Keywords Objective Economy Polity History Ecology Geography Objective Indian Polity by Laxmikant General Studies Manual Indian Economy Ramesh Singh GC Leong Old NCERT History GIST of NCERT The Prime Minister: The Office and Its Holders Since 1945 Peter Hennessy, 2001-10-05 He illuminates often for the first time precise Prime Ministerial attitudes toward and authority over nuclear weapons policy the planning and waging of war and the secret services as well as dealing with governmental overload the Suez crisis and the Soviet threat He concludes with a controversial assessment of the relative performance of each Prime Minister since 1945 and a new specification for the premiership as it meets its fourth century BOOK JACKET *A History of Greece: The Byzantine and Greek empires, pt. 2, A.D. 1057-1453* George Finlay, 1877 **pt. 2. woman prime minister changed the course of her country's history and that of the world often by sheer force of will The book reveals as never before how she faced down the Miners Strike transformed relations with Europe privatized the commanding heights of British industry and continued the reinvigoration of the British economy It describes her role on the world stage with dramatic immediacy identifying Mikhail Gorbachev as a man to do business with before he became leader of the Soviet Union and then persistently pushing him and Ronald Reagan her great ideological soulmate to order world affairs according to her vision For the only time since Churchill she ensured that Britain had a central place in dealings between the superpowers But even at her zenith she was beset by difficulties The beloved Reagan twice timed her during the US invasion of Grenada She lost the minister to whom she was personally closest to scandal and almost had to resign as a result of the Westland affair She found herself isolated within her own government over Europe She was at odds with the Queen over the Commonwealth and South Africa She bullied senior colleagues and she set in motion the poll tax Both these last would later return to wound her fatally In all this Charles Moore has had unprecedented access to all Mrs Thatcher's private and government papers The participants in the events described have been so frank in interview that we feel we are eavesdropping on their conversations as they pass We look over Mrs Thatcher's shoulder as she vigorously annotates documents so seeing her views on many particular issues in detail and we understand for the first time how closely she relied on a handful of trusted advisors to help shape her views and carry out her will We see her as a public performer an often anxious mother a workaholic and the first woman in western democratic history who truly came to dominate her country in her time In the early hours of 12 October 1984 during the Conservative party conference in Brighton the IRA attempted to assassinate her She carried on within hours to give her leader's speech at the conference and later went on to sign the Anglo Irish agreement One of her many left wing critics watching her that day said I don't approve of her as Prime Minister but by God she's a great tank commander This titanic figure with all her capacities and all her flaws storms from these pages as from no other book
