*The Prisoner's Son* Jerome Gold, 1996      **The Prisoner's Son** Jerome Gold, 1996 In the indefinite future an impoverished United States has sold its Southwestern and Pacific Coast states to Mexico Seattle is governed by administrators and police sent from Mexico on hardship tours Human life has been brutalized At night gangs control the streets Idealistic revolutionaries are no less brutal than the gangs The Prisoner's son portrays a bottoming out of society an America that is pathological at every level The protagonist Sam Brave readers of *The Inquisitor* will recognize Sam as Bill Brave's son is kidnapped by a gang of revolutionaries in retaliation for something bad that Sam did to them If the revolutionaries are psychopathic Sam is not the nicest guy in the world either His imprisonment based on the Patricia Hearst case results in his taking on the coloration of his captors to an extent The plot of this novel dealing with an attempted assassination is based on an act of terror committed by the People's Will party of nineteenth century Russia Thus while *The Prisoner's Son* is social science fiction it is based on historical events      **The Writers Directory**, 2013      **Introduction to Charles Bronson**
