The Private Eye 1997:

The Private Eye Bran Nicol, 2013-07-15 From Philip Marlowe and Sam Spade to Jake Gittes private eyes have made for some of the most memorable characters in cinema We often view these detectives as lone wolves who confront and try to make sense of a violent and chaotic modern world Bran Nicol challenges this stereotype in *The Private Eye* and offers a fresh take on this iconic character and the film noir genre Nicol traces the history of private eye movies from the influential film noirs of the 1940s to 1970s neonoir cinema whose slow and brilliant decline gave way to the fading of detectives into movie mythology today Analyzing a number of classic films including *The Maltese Falcon* *The Big Sleep* *Chinatown* and *The Long Goodbye* he reveals that while these movies are ostensibly thrillers they are actually occupied by issues of work and love The private eye is not a romantic hero Nicol argues but a figure who investigates the concealments of others at the expense of his own private life Combining a lucid introduction to an underexplored tradition in movie history with a new approach to the detective in film this book casts new light on the private worlds of the private eye *Booze and the Private Eye* Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it's an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective's moral code and casts light upon the society's attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre's birth in an era strongly influenced and affected by prohibition and follows both the genre's development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works **Hard City** Nathan Russell, 2022-11-24 A roleplaying game of mystery and hardboiled action in a city that never sleeps I woke with a start my mouth tasting like an old glove and my head pounding from the events of the previous evening though I wasn't sure if it was the beating from Benny's boys or the half bottle of drugstore whiskey that had done the most damage I lifted my eyelids like stubborn blinds to find my gaze fall on a dame with a hundred dollar purse in one hand and a cheap bean shooter in the other I groaned and cursed myself for ever getting involved in this mess In *Hard City* character creation is swift and simple generating competent yet flawed individuals and focusing on what sets them apart as they walk the fine line between right and wrong Fast action resolution places the emphasis on the momentum of the plot while the sandbox setting provides evocative hooks for adventures fight crooks rescue the innocent thwart blackmail plots or start them or uncover corruption in the Mayor's office Stalk the mean streets of a world filled with two bit thugs hard nosed gumshoes intrepid reporters gangsters and femme fatales all doing what they must to survive in the concrete jungle With trouble around every corner a secret on every lip and a gun in every pocket danger is never far away in the hard city *L.A. Private Eyes* Dahlia

Schweitzer, 2019-03-01 L A Private Eyes examines the tradition of the private eye as it evolves in films books and television shows set in Los Angeles from the 1930 s through the present day It takes a closer look at narratives both on screen and on the printed page in which detectives travel the streets of Los Angeles uncovering corruption moral ambiguity and greed with the conviction of urban cowboys while always ultimately finding truth and redemption With a review of Los Angeles history crime stories and film noir L A Private Eyes explores the metamorphosis of the solitary detective figure and the many facets of the genre itself from noir to mystery on the screen While the conventions of the genre may have remained consistent and recognizable the points where they evolve illuminate much about our changing gender and power roles Watch a video of the author speaking about this topic <https://goo.gl/Xr9RFD> And also [https://www.dropbox.com/s/mkqw3mplruf7jje/Detective Talk Full mp4 dl 0](https://www.dropbox.com/s/mkqw3mplruf7jje/Detective%20Talk%20Full.mp4?dl=0) **The Language of Journalism** Melvin J. Lasky, Hugely enjoyable and valuable I dropped everything else to read it A treasure Charles Wheeler senior foreign correspondent the BBC The newspaper is to the twentieth century what the novel was for the nineteenth century the expression of popular sentiment In the first of a three volume study of journalism and what it has meant as a source of knowledge and as a mechanism for orchestrating mass ideology Melvin J Lasky provides a major overview His research runs the gamut of material found in newspapers from the trivial to the profound from pseudo science to habits of solid investigation The volume is divided into four parts The first attacks deficiencies in grammar and syntax with examples from newspapers and magazines drawn from the German as well as English language press The second examines the key issues of journalism accuracy and authenticity Lasky provides an especially acute account of differences between active literacy and passive viewing or the relationship of word and picture in defining authenticity The third part emphasizes the problem of bias in everything from racial reporting to cultural correctness This is the first systematic attempt to study racial nomenclature identity labeling and literary discrimination Lasky follows closely the model set by George Orwell a half century earlier The final section of the work covers the competition between popular media and the redefinition of pornography and its language The volume closes with an examination of how the popular culture both influenced and was influential upon literary titans like Hemingway Lawrence and Tynan Melvin J Lasky was the editor of Encounter in England from 1958 until its close in 1990 It was viewed as the most brilliant European periodical of its time Lasky served as foreign correspondent for the New York Times and The Reporter and has written for many of the intellectual journals from Partisan Review to Commentary He is the author of The Hungarian Revolution Africa for Beginners Utopia and Revolution On the Barricades and Off and Voices in a Revolution **Historical Dictionary of Film Noir** Andrew Spicer, 2010-03-19 Film noir literally black cinema is the label customarily given to a group of black and white American films mostly crime thrillers made between 1940 and 1959 Today there is considerable dispute about what are the shared features that classify a noir film and therefore which films should be included in this category These problems are partly caused because film noir is a retrospective label that was not used in the

1940s or 1950s by the film industry as a production category and therefore its existence and features cannot be established through reference to trade documents The Historical Dictionary of Film Noir is a comprehensive guide that ranges from 1940 to present day neo noir It consists of a chronology an introductory essay a bibliography a filmography and over 400 cross referenced dictionary entries on every aspect of film noir and neo noir including key films personnel actors cinematographers composers directors producers set designers and writers themes issues influences visual style cycles of films e g amnesiac noirs the representation of the city and gender other forms comics graphic novels television and videogames and noir s presence in world cinema It is an essential reference work for all those interested in this important cultural phenomenon

Mickey Spillane on Screen Max Allan Collins, James L. Traylor, 2018-01-12 In the mid 20th century Mickey Spillane was the sensation of not just mystery fiction but publishing itself The level of sex and violence in his Mike Hammer thrillers starting with I the Jury in 1947 broke down long held taboos and engendered a near hysterical critical backlash Nonetheless Spillane s influence has been felt reflections of Hammer are visible in nearly every subsequent tough guy of

fiction and film including James Bond Dirty Harry Shaft Billy Jack and Jack Bauer Spillane's fiction came to the screen in a series of films that include Kiss Me Deadly 1955 and The Girl Hunters 1963 with the author himself playing his private eye. These films and television series starring Darren McGavin and Stacy Keach respectively are examined in a lively knowledgeable fashion by Spillane. Experts included are cast and crew listings, brief biographical entries on key persons and a lengthy interview with Spillane. Private Eyes Steven Dietz, 1998. THE STORY PRIVATE EYES is a comedy of suspicion in which nothing is ever quite what it seems. Matthew's wife Lisa is having an affair with Adrian, a British theatre director. Or perhaps the affair is part of the play being rehearsed. Or perhaps Politics and the Private Eye Karen Connolly-Lane, 2006.

Hollywood Through Private Eyes Philip Kiszely, 2006. Revision of the author's thesis. Ph.D. University of Manchester 2003.

Gregoriou conducts case studies into crime series by James Patterson, Michael Connelly and Patricia Cornwell and investigates the way in which these novelists correspondingly challenge those aforementioned conventions. **Ethics and Journalism** Karen Sanders, 2003-04-14. The study is informed by interviews with top journalists and editors and includes an exhaustive bibliography.

Marcia Muller and the Female Private Eye Alexander N. Howe, Christine A. Jackson, 2014-11-01. In 1977 Marcia Muller invaded the all male domain of detective literature and within a decade was established as the mother of the female hardboiled private eye. She is now the author of four detective series including the critically acclaimed Sharon McCone series of more than two dozen novels. This collection critically assesses Marcia Muller's writing and reevaluates current critical views on women's detective fiction in general. In the first two of the book's three sections, essays explore Muller's engagement with modern and postmodern feminism, ethnicity and the socially underprivileged. The third section focuses on one of Muller's major themes: the trauma of history. Drawing from the feminist historicist, mythic, psychoanalytic and cultural approaches found in all three sections, the conclusion offers a panoramic perspective on Muller's accomplishments.

The Encyclopedia of Best Films Jay Robert Nash, 2019-10-23. This all-inclusive A-Z encyclopedia by one of the world's foremost experts on cinema provides comprehensive annotations of the best films produced from 1914 on. The work offers more than 5,000 three to five star entries: three stars good, four stars excellent, five stars masterpiece, and yes, author Jay Robert Nash has viewed every single one of them as well as many more that did not make the cut. In addition to a precis, each film's entry also includes a listing of the cast as well as the key principles involved in production, from the director to the hair stylist. Especially unique to this book is a rating system that helps parents determine whether or not a film is appropriate for their children. Unlike the industry rating system which can be influenced by studio lobbying, Nash objectively evaluates each film and confers upon it one of four recommendations: viewing recommended, acceptable,
