The Private Eye Story:

The Private Eye Story, 1982 **The Mammoth Book of Private Eye Stories** Bill Pronzini, Martin H. Greenberg, 2004-04-15 With its roots in the American private detective fiction of the 1920s but traceable back as far as Sherlock Holmes the private eye story remains as popular as ever Here are thirty of the finest short novels and stories from the hardboiled world of the private eye The characters in this collection range from the tough cynical hard drinking Philip Marlowe type to hard hitting female sleuths and the one armed intellectual Dan Fortune This collection features old favorites and new contributions from masters of the genre past and present including Ross Macdonald Raymond Chandler Sue Grafton Marcia Muller Michael Collins Ed McBain William Campbell Gault and many more *The Private Eye* Bran Nicol, 2013-07-15 From Philip Marlowe and Sam Spade to Jake Gittes private eyes have made for some of the most memorable characters in cinema We often view these detectives as lone wolves who confront and try to make sense of a violent and chaotic modern world Bran Nicol challenges this stereotype in *The Private Eye* and offers a fresh take on this iconic character and the film noir genre Nicol traces the history of private eye movies from the influential film noirs of the 1940s to 1970s neonoir cinema whose slow and brilliant decline gave way to the fading of detectives into movie mythology today Analyzing a number of classic films including *The Maltese Falcon* *The Big Sleep* *Chinatown* and *The Long Goodbye* he reveals that while these movies are ostensibly thrillers they are actually occupied by issues of work and love The private eye is not a romantic hero Nicol argues but a figure who investigates the concealments of others at the expense of his own private life Combining a lucid introduction to an underexplored tradition in movie history with a new approach to the detective in film this book casts new light on the private worlds of the private eye **The Book of Extraordinary Amateur Sleuth and Private Eye Stories** Maxim Jakubowski, 2019-09-15 A cornucopia of the best new whodunits collected by one of the mystery scene's eminent editors a giant of the genre Lee Childs One of the best mystery books of the 21st century this volume features outstanding new stories of crime derring do fast paced adventures and puzzles featuring hardy amateur detectives ranging from young to old and grizzled private eyes whose patches cover the city streets all in the hallowed tradition of Sherlock Holmes Miss Marple Hercule Poirot and Philip Marlowe Jakubowski's many anthologies like *The Book of Extraordinary Historical Mystery Stories* have attracted plenty of attention and awards His newest collection *The Book of Extraordinary Amateur Sleuths and Private Eye Stories* features never before seen short fiction by some of the most renowned American and British crime and thriller authors of today Whether the victim was done in at the party uptown or discovered in the other room of a particularly difficult woman or man these mysteries will have you reading at the edge of your seat Praise for Maxim Jakubowski and His Books I have been a fan of Maxim Jakubowski for years There just is no finer mystery writer and editor anywhere Find a comfortable chair and a strong drink and prepare to be enthralled Alexander Algren author of *Out in a Flash* *Murder Mystery Flash Fiction* Maxim Jakubowski is deeply experienced in the field Sometimes a brief zap of great writing is

just what you're in the mood for or have time for That's when anthologies like his are ideal intellectually outstanding New York Journal of Books **The Eyes Have it** Private Eye Writers of America, 1984 **The Private Eye** Mary Burns, 1996 In *The Private Eye* we learn about snow geese through the eyes of Native people scientists artists hunters and farmers Yup'ik Eskimo Charles Hunt harvests snow geese along the Yukon River delta each fall continuing a subsistence way of life that has existed for millennia Russian Canadian and US scientists track the movements of the geese each spring and fall banding sexing counting and precisely monitoring the activities of these beautiful birds Robert Bateman provides an artist's view of nature and relates how his curiosity led him to join a camp set up at a remote nesting site Mary Burns also talks to hunters joining a party of them as they wait for their snow geese decoys to lure the real thing into a Westham Island field in the Fraser delta To complete the experience she prepares snow geese for supper As well Burns travels around the Skagit River delta during a population survey and meets a dairy farmer who describes both the wild flocks that converge on his fields each spring and the snow geese he raises in pens *The Private Eye* suggests that by acknowledging our many and varied connections with the natural world we will have a better understanding of the human place in it Booze and the Private Eye Rita Elizabeth Rippetoe, 2015-01-24 The hard bitten PI with a bottle of bourbon in his desk drawer it's an image as old as the genre of hard boiled detective fiction itself Alcohol has long been an important element of detective fiction but it is no mere prop Rather the treatment of alcohol within the works informs and illustrates the detective's moral code and casts light upon the society's attitudes towards drink This examination of the role of alcohol in hard boiled detective fiction begins with the genre's birth in an era strongly influenced and affected by prohibition and follows both the genre's development and its relation to our changing understanding of and attitudes towards alcohol and alcoholism It discusses the works of Dashiell Hammett Raymond Chandler Mickey Spillane Robert B Parker Lawrence Sanders Marcia Muller Karen Kijewski and Sue Grafton There are bibliographies of both the primary and critical texts and an index of authors and works **Fly-spy and the Private Eye** Gordon L. Robert Allen Baker, Michael T. Nietzel, 1985 *Private Eyes* is the complete map to what Raymond Chandler called the mean streets the exciting world of the fictional private eye. It is intended to entertain current PI fans and to make new ones. L.A. Private Eyes Dahlia Schweitzer, 2019-03-01 *L.A. Private Eyes* examines the tradition of the private eye as it evolves in films, books, and television shows set in Los Angeles from the 1930s through the present day. It takes a closer look at narratives both on screen and on the printed page in which detectives travel the streets of Los Angeles uncovering corruption, moral ambiguity, and greed with the conviction of urban cowboys while always ultimately finding truth and redemption. With a review of Los Angeles history, crime stories, and film noir, *L.A. Private Eyes* explores the metamorphosis of the solitary detective figure and the many facets of the genre itself from noir to mystery on the screen. While the conventions of the genre may have remained consistent and recognizable, the points where they evolve illuminate much about our changing gender and power roles. Marcus Klein makes major contributions to American studies, literary criticism, and intellectual and social history. In a perfectly crystalline and crystallized way, he brilliantly exhibits how the American imagination was rapidly unexpectedly and utterly transformed as we made for the twentieth century. Klein demonstrates how immigration, popular literature, the rise of ethnicity, new psychological fears, and old fables mixed together to make modern America. No one has seen the underside of the American imagination so clearly and originally, but once we are allowed to see what Klein does, our understanding of our history and its vicissitudes is changed for good. Jay Martin, University of Southern California.

Pioneers, Passionate Ladies, and Private Eyes Larry E. Sullivan, Lydia C. Schurman, 2013-02-01. Despite efforts of contemporary reformers to curb the availability of dime novels, series books, and paperbacks, *Pioneers, Passionate Ladies, and Private Eyes* reveals how many readers used them as means of resistance and how fictional characters became models for self-empowerment. These literary genres, whose value has long been underestimated, provide fascinating insight into the formation of American popular culture and identity. Through these mass-produced, widely read books, Deadwood, Dick, Old

Sleuth and Jessie James became popular heroes that fed the public's imagination for the last western frontier detective tales and the myth of the outlaw Women particularly those who were poor and endured hard lives used the literature as means of escape from the social economic and cultural suppression they experienced in the nineteenth century In addition to the insight this book provides into texts such as *The Bride of the Tomb* the Nick Carter Series and Edward Stratemeyer's rendition of the Lizzie Borden case readers will find interesting information about the roles of illustrations and covers in consumer culture Bowling Green's endeavor to digitize paperback and pulp magazine covers bibliographical problems in collecting and controlling series books the effects of mass market fiction on young girls Louisa May Alcott's pseudonym and authorship of three dime novels special collections competition among publishers A collection of work presented at a symposium held by the Library of Congress *Pioneers Passionate Ladies and Private Eyes* makes an outstanding contribution to redefining the role of popular fiction in American life

A Very Private Eye Barbara Pym, 2023-10-05 Barbara Pym is one of my most favourite novelists Few other writers have given me more laughter and more pleasure Jilly Cooper I'm a huge fan of Barbara Pym Richard Osman Could one write a book based on one's diaries over thirty years I certainly have enough material wrote Barbara Pym This book selected from the diaries notebooks and letters of this much loved novelist to form a continuous narrative is indeed a unique autobiography providing a privileged insight into a writer's mind It includes a forward from bestselling author and Barbara Pym fan Jilly Cooper Philip Larkin wrote that Barbara Pym had a unique eye and ear for the small poignancies of everyday life Her autobiography amply demonstrates this as it traces her life from exuberant times at Oxford in the thirties through the war when scarred by an unhappy love affair she joined the WRNS to the published novelist of the fifties It also deals with the long period when her novels were out of fashion and no one would publish them her rediscovery in 1977 and the triumphant success of her last few years It is now possible to describe a place situation or person as very Barbara Pym A *Very Private Eye* at once funny and moving shows the variety and depth of her own story Praise for *A Very Private Eye* It increases the understanding and enjoyment of her novels enormously Auberon Waugh *Daily Mail* The perfect complement to the fiction Paul Bailey *The Observer* Her sharp and very private eye never failed her Victoria Glendinning *The New York Times*

In a Lonely Street Frank Krutnik, 2006-10-19 Taking issue with many orthodox views of Film Noir Frank Krutnik argues for a reorientation of this compulsively engaging area of Hollywood cultural production Krutnik recasts the films within a generic framework and draws on recent historical and theoretical research to examine both the diversity of film noir and its significance within American popular culture of the 1940s He considers classical Hollywood cinema debates on genre and the history of the emergence of character in film noir focusing on the hard boiled crime fiction of Dashiell Hammett

Raymond Chandler and James M Cain as well as the popularisation of Freudian psychoanalysis and the social and cultural upheavals of the 1940s. The core of this book however concerns the complex representation of masculinity in the noir tough thriller and where and how gender interlocks with questions of genre. Analysing in detail major thrillers like *The Maltese Falcon*, *Double Indemnity*, *Out of the Past* and *The Killers* alongside lesser known but nonetheless crucial films as *Stranger on the Third Floor*, *Pitfall* and *Dead Reckoning*, Krutnik has produced a provocative and highly readable study of one of Hollywood's most perennially fascinating groups of films.
