Parasecoli,2008-09-01 Food is not only something we eat it is something we use to define ourselves Ingestion and incorporation are central to our connection with the world outside our bodies Food s powerful social economic political and symbolic roles cannot be ignored what we eat is a marker of power cultural capital class ethnic and racial identity Bite Me considers the ways in which popular culture reveals our relationship with food and our own bodies and how these have become an arena for political and ideological battles Drawing on an extraordinary range of material films books comics songs music videos websites slang performances advertising and mass produced objects Bite Me invites the reader to take a fresh look at today s products and practices to see how much food shapes our lives perceptions and identities **All Joking Aside**

Rebecca Krefting,2014-09-01 A professor of American Studies and stand up comic examines sharply focused comedy and its cultural utility in contemporary society Outstanding Academic Title Choice In this examination of stand up comedy Rebecca Krefting establishes a new genre of comedic production charged humor and charts its pathways from production to consumption Some jokes are tears in the fabric of our beliefs they challenge myths about how fair and democratic our society is and the behaviors and practices we enact to maintain those fictions Jokes loaded with vitriol and delivered with verve charged humor compels audiences to action artfully summoning political critique Since the institutionalization of stand up comedy as a distinct cultural form stand up comics have leveraged charged humor to reveal social political and economic stratifications All Joking Aside offers a history of charged comedy from the mid twentieth century to the early aughts highlighting dozens of talented comics from Dick Gregory and Robin Tyler to Micia Mosely and Hari Kondabolu The popularity of charged humor has waxed and waned over the past sixty years Indeed the history of charged humor is a tale of intrigue and subversion featuring dive bars public remonstrations fickle audiences movie stars turned politicians commercial airlines emergent technologies neoliberal mind sets and a cavalcade of comic misfits with an ax to grind Along the way

Krefting explores the fault lines in the modern economy of humor why men are perceived to be funnier than women the perplexing popularity of modern day minstrelsy and the way identities are packaged and sold in the marketplace Appealing to anyone interested in the politics of humor and generating implications for the study of any form of popular entertainment this history reflects on why we make the choices we do and the collective power of our consumptive practices Readers will be delighted by the broad array of comic talent spotlighted in this book and for those interested in comedy with substance it will offer an alternative punchline
