Eskew, 2013-11-15 John Herndon Johnny Mercer 1909 76 remained in the forefront of American popular music from the 1930s through the 1960s writing over a thousand songs collaborating with all the great popular composers and jazz musicians of his day working in Hollywood and on Broadway and as cofounder of Capitol Records helping to promote the careers of Nat King Cole Margaret Whiting Peggy Lee and many other singers Mercer s songs sung by Bing Crosby Billie Holiday Judy Garland Frank Sinatra Ella Fitzgerald Tony Bennett Lena Horne and scores of other performers are canonical parts of the great American songbook Four of his songs received Academy Awards Moon River Days of Wine and Roses On the Atchison Topeka and the Santa Fe and In the Cool Cool Cool of the Evening Mercer standards such as Hooray for Hollywood and You Must Have Been a Beautiful Baby remain in the popular imagination Exhaustively researched Glenn T Eskew s biography improves upon earlier popular treatments of the Savannah Georgia born songwriter to produce a sophisticated insightful evenhanded examination of one of America s most popular and successful chart toppers Johnny Mercer Southern Songwriter for the World provides a compelling chronological narrative that places Mercer within a larger framework of diaspora entertainers who spread a southern multiracial culture across the nation and around the world Eskew contends that Mercer and much of his music remained rooted in his native South being deeply influenced by the folk music of coastal Georgia and the blues and jazz recordings made by black and white musicians At Capitol Records Mercer helped redirect American popular music by commodifying these formerly distinctive regional sounds into popular music When rock n roll diminished opportunities at home Mercer looked abroad collaborating with international composers to create transnational songs At heart Eskew says Mercer was a jazz musician rather than a Tin Pan Alley lyricist and the interpenetration of jazz and popular song that he created expressed elements of his southern heritage that made his work distinctive and consistently kept his music before an approving audience **The Poets of Tin Pan Alley** Philip Furia, Laurie J. Patterson, 2022 From the turn of the century to the 1960s the songwriters of Tin Pan Alley were synonymous with American popular music Irving Berlin Cole Porter George and Ira Gershwin Rodgers and Hart even today these giants remain

household names their musicals regularly revived their methods and styles analyzed and imitated and their songs the bedrock of jazz and cabaret In this new edition of *The Poets of Tin Pan Alley* authors Philip Furia and Laurie Patterson offer a unique perspective on these great songwriters showing how their poetic lyrics were as important as their brilliant music in shaping a golden age of American popular song Furia and Patterson continue the tradition of great perception and understanding established in the first edition as they explore the deft rhymes inventive imagery and witty solutions these songwriters used to breathe new life into rigidly established genres They devote full chapters to such greats as Irving Berlin Lorenz Hart Ira Gershwin Cole Porter Oscar Hammerstein II Howard Dietz E Y Harburg Dorothy Fields Leo Robin and Johnny Mercer They also offer a comprehensive survey of other lyricists who wrote for the sheet music industry Broadway Hollywood and Harlem nightclub revues This was the era that produced *The New Yorker* Don Marquis Dorothy Parker and E B White and the book places Tin Pan Alley lyrics firmly in this fascinating historical context In these pages the lyrics emerge as an important element of American modernism as the lyricists like the great modernist poets took the American vernacular and made it sing

A vivid account of America at the pivot point of the postwar era: Harry Truman's first full year in office. In 1946, America had just exited the biggest war in modern history and was about to enter another of a kind no one had fought before. We think of this moment as the brilliant start of America Triumphant in world politics and economics. But the reality is murkier. 1946 brought tension between industry and labor, political disunity, bad veteran morale, housing crises, inflation, a Soviet menace, all shadowed by an indecisiveness that would plague decision makers who would waffle between engagement and isolation as the country itself pivoted between prosperity and retrenchment through the rest of the century. The Year of Indecision, 1946 overturns the image of Truman as a can-do leader. 1946, in fact, marked a nadir in his troubled presidency. Relations broke down with the Soviet Union and nearly did with the British. The United States suffered shortages and strikes of a magnitude it had not seen in years. In November 1946, the Democrats lost both houses of Congress. The tension between fear and optimism expressed itself too in popular culture. Americans rejoiced in talent and creative energy, but a shift was brewing. Bing Crosby making room for Bill Haley and B.B. King, John Wayne for Montgomery Clift. That year also saw a burst of spirit in literature, music, art, and film beneath the shadow of noir. The issues and tensions we face today echo those of seven decades ago. As we observe in this portrait of the era just before our own, as America learned piecemeal and reluctantly to act like a world power, it tried and succeeded only partially to master fear. Indecision, Weisbrode argues, is the leitmotif of American history. **Sinatra** James Kaplan, 2016-10-25.
