Slate Roofs 1926 Joseph C. Jenkins, 2020-04-14 A classic text on slate roof construction now back in print Master slate roof builder Joseph Jenkins has brought back into print the classic Slate Roofs first published in January 1926 by the then nascent National Slate Association Other than a slight adjustment to the title to be more compatible with a 21st century readership and a few corrections and stylistic changes almost all the information is presented exactly as in the original publication even anachronistic references including a flat slate roof that in the editor s 52 years in the slate roofing industry he has never heard of nor seen a flat slate roof other than in this publication Slate Roofs 1926 contains a wealth of information on which today s modern slate roofing industry is based and therefore remains a valuable addition to the library of anyone interested in roofing construction architecture and history Included at the end of this publication are 21st century guidelines for slate roof installation repair and restoration as published by the Slate Roofing Contractors Association of North America Inc as well as excerpts from Jenkins own Slate Roof Bible 3rd edition
