Fergus, 2013-06-10 Skillfully weaving an African worldview into the conventional historiography of British abolitionism Claudius K Fergus presents new insights into one of the most intriguing and momentous episodes of Atlantic history In *Revolutionary Emancipation* Fergus argues that the 1760 rebellion in Jamaica Tacky's War the largest and most destructive rebellion of enslaved peoples in the Americas prior to the Haitian Revolution provided the rationale for abolition and reform of the colonial system Fergus shows that following Tacky's War British colonies in the West Indies sought political preservation under state regulated amelioration of slavery He further contends that abolitionists successes from partial to general prohibition of the slave trade hinged more on the economic benefits of creolizing slave labor and the costs of preserving the colonies from destructive emancipation rebellions than on a conviction of justice and humanity for Africans In

the end Fergus maintains slaves commitment to revolutionary emancipation kept colonial focus on reforming the slave system His study carefully dissects new evidence and reinterprets previously held beliefs offering historians the most compelling arguments for African agency in abolitionism

Newby-Alexander, 2009-05-27 And then the Veil It drops as drops the night on southern seas vast sudden unanswering There is Hate behind it and Cruelty and Tears As one peers through its intricate unfathomable pattern of ancient old old design one sees blood and guilt and misunderstanding And yet it hangs there this Veil between Then and Now between Pale and Colored and Black and White between You and Me W E B DuBois *Darkwater* *Voices from within the Veil* 1920 As the promoters of Jamestown 2007 began to speak of the accomplishment of greater diversity in the nation and to market the myth of the seamless confluence of Indian European and African traditions in the early colony many reflected not only about how the United States colonial origins were based on the entrepreneurial ambitions of English settlers the conquest and degradation of native populations and the subsequent uprooting and enslavement of untold numbers of Africans but also about how the more recent legacy of decades of discrimination and marginalization continue to shape our world today Despite the assimilation acculturation and dehumanization that have occurred in the Americas African Americans have continued to refashion their cultures to fit their own social needs and aesthetic preferences From Introduction *Voices from within the Veil* explores the 400 year prelude to the inclusion of African Americans in the commemoration of this nation's origins With innovative approaches and pioneering research these essays address both the conditions of African Americans marginalization and some of the paths toward their empowerment marronage the Underground Railroad social organization and massive protest movements among others **English Common Law, African Enslavement and Human Rights**

Colin Bobb-Semple, 2012 This book is an expanded version of an essay by the author published in *Texas Wesleyan Law Review* *English Common Law Slavery and Human Rights* 13 *Tex Wesleyan L Rev* 659 2007 which was developed from a paper presented by the author at a conference in Gloucester England in 2006 Too Pure an Air Law and the Quest for Freedom Justice and Equality it discusses villeinage in England and the regal age of African history with particular reference to Kemet Ancient Egypt its influence on Greek and Roman law and consequently on European and English Law the legal aspects of human chattel African enslavement as it applied to English plantations in the Americas with examples from Guyana South America the way in which English Common Law dealt with the issue of African enslavement when faced with court applications by Africans who sought emancipation on English soil the African holocaust e g the Zong maritime genocide and insurance claim the development of human rights in England and on the plantations in Guyana notably the 1763 Berbice Revolutionary War of Independence led by Kofi against the Dutch colonists during which an African revolutionary government was formed believed to be the first of its kind in the region preceding the American Revolutionary War of Independence 1775 1783 The French Revolution 1789 1802 and the Haitian Revolutionary War of Independence 1791 1804 the Demerara Uprising in 1823 led by Jack Gladstone son of Quamina during which 13 000 enslaved Africans sought

unconditional emancipation from the British greatly influencing the abolition cause in England the Essequibo protest led by Damon in 1834 against the apprenticeship system which was introduced by law in most of the British colonies on emancipation and the incorporation of several Articles of the European Convention on Human Rights in the domestic law of the UK in 2000 **Slavery, Abolition and Emancipation Vol 5** Jeffrey N Cox,2020-04-15 Most writers associated with the first generation of British Romanticism Blake Coleridge Wordsworth Southey Thelwall and others wrote against the slave trade This edition collects a corpus of work which reflects the issues and theories concerning slavery and the status of the slave *Flesh in the Age of Reason* Roy Porter,2005-01-27 As an introduction to early modern thinking and the impact of past ideas on present lives this book can find few equals and no superiors Porter is a witty humane writer with an extraordinary vocabulary and a sparkling sense of fun Whether he is quoting from obscure medical texts or analysing scabrous diaries dishing the dirt on long dead bigwigs or evoking sympathy for human suffering his grasp is masterly and his erudition appealing I wish I could read it again for the first time you can Times Educational Supplement Book of the Week In this startlingly brilliant sequel to the prize winning ENLIGHTENMENT Roy Porter completes his lifetime s work offering a magical enthusiastic and charming account of the writings of some of the most attractive figures ever to write English

Toward the Light of Liberty A. C. Grayling,2009-05-26 The epic story of the interlocking struggles to achieve the individual rights and freedoms that characterize Western civilization by one of the world s leading public intellectuals Perhaps the hallmark of western civilization over the past five hundred years writes A C Grayling is the series of liberation struggles without which the ordinary citizen in Western countries would not enjoy the rights and freedoms we now take for granted They began with the often violent battle to allow independent thought uncontrolled by the Church which led in time to political freedom as monarchies were gradually replaced by more representative forms of government These in turn made possible the abolition of slavery rights for working men and women universal education the enfranchisement of women and much more Each of these struggles was a memorable human drama and Grayling skillfully interweaves the stories of celebrated and little known heroes alike from Martin Luther and John Locke to the sixteenth century French scholar Sebastien Castellio and the nineteenth century feminist Elizabeth Cady Stanton The triumphs and sacrifices of those who dared to oppose authority ring loudly down the ages proving how hard won each successive victory has been And yet as Grayling persuasively shows in a cautionary coda democratic governments under pressure have often thought it necessary to restrict rights in the name of freedom further underlining how precious they are *Toward the Light of Liberty* is thus particularly relevant as we head toward an election season in which our own civil liberties will surely be an issue

Rastafari and Other African-Caribbean Worldviews Barry Chevannes,1998 Barry Chevannes provides a concise overview of Rastafari and Revivalism and clearly lays out the volume s new approach Leading scholars of Rastafari illustrate and develop the theme with chapters on Rastafari as resistance the origin of the dreadlocks Rastafari and language women in
